## Island Bowler In Ottawa

A veteran bowler of more than 50 years, Alton Burke, formerly of Charlottesville, is recognized as one of Ottawa's top bowlers.

A recent article in the Ottawa Journal reads that Burke, now 77 years old, has built an enviable record among bowlers in the capital city, handling the bowlers' affairs that could not be matched by one of a younger generation.

Mr. Burke has played in the Ottawa area since 1911 and several years later, 1939-41, captured the city's candle pin championships. He was also a member of the Corvette team, the first team from the section of 1942.

Moving to Ottawa in 1942, Burke proved a star from the beginning, performing with teams in various of the best bowled single was and highest averages 960 with slings of 338, 331 and 319. He was a member of several city championship teams and was the first to win the title in 1947.

This year, Burke is competing with five first class bowlers in the Ottawa district championship in playoffs against 18 other teams.

All Central Canadian bowling championships two years ago, Burke and Ivanhoe Patton, then 70 years of age, met in a final match. Burke put together strings of 294, 298 and 304 for a remarkable 881 criss. — Nick Hillmore was the city champion at the same tournament with 686, in the Billings Bridge Plaza tournament an amazing 290 average.

Mr. Burke has held 18 titles in Ottawa and says he finds the big city game a real challenge. His average is 180 and impressive and he holds 18 high slings of 294.

## What's A Rookie?

"Years ago he was depicted as crude, callous, ignorant, the butt of practical jokes, harassed by other players protecting his job, ignored or mistreated by management, but also helpful, careful, cooperative and hardworking. Today, most rookies are bonus babies, mature and better educated. More important, they are team players, concerned for the future, and for this reason they are spoon fed, pampered, treated, taught, guided, encouraged and supervised at every turn.

Mr. Burke has held 18 titles in Ottawa and says he finds the big city game a real challenge. His average is 180 and impressive and he holds 18 high slings of 294.

## Off The Puff

WE DON'T HAVE much to say about Tuesday night's championship fight. We predicted LISTON to a knockout in the fourth, fifth or sixth round and were amazed at the way CLAY danced around and outboxed the champion. The win by Clay will not bring back in the sports-literate, giving credit to the big hitmen who are the hope of the future, and the UGLY BEAR who was dumped-down in the first day of the season.

CLAY's sensational BOB LEBACH is averaging his first most that he has ever had. He has won the LEBACH Conference Play. Conference center, LEBACH has won the 21st National Conference Play. Conference center, LEBACH has won the 21st National Conference Play.
