

Watch the Skin and Eyes

They are Unfailing Thermometers of Health.

The skin and eyes are two unfailing thermometers of health. If the skin has spots, eruptions, an unhealthy pallor or a yellow appearance, and the eyes a glazed look, with yellowish whites, it is high time to purify and cleanse the blood and regulate the liver and kidneys. Paine's Celery Compound makes pure, bright red blood and relieves the liver and kidneys of the strain that is brought upon them, whenever impure blood is pouring through their substance.

It has been said by an eminent medical man that Paine's Celery Compound supplies the power and appropriate food that overworked organs are too feeble to extract from ordinary food taken into the stomach. Paine's Celery Compound increases the appetite and puts the digestive organs into shape to pass the food over to the blood in such a perfectly prepared condition that the change into nerve, brain and tissue substance is easily and fully brought about without waste of nervous energy or wear upon the liver, kidneys or stomach.

In short, Paine's Celery Compound builds up the weak, restores the diseased body, gives all the conditions of health and guarantees a long and happy life. No other remedy in the world has ever done such a thing and it is worth trying for suffering humanity.

HYMENEAL.

This morning, in Zion Church, Miss Clara E. Cuddy was married to Dr. J. H. Macleod, of Santa Rosa, California. The ceremony was performed by the Rev. D. B. Macleod. The bride was given away by Mr. D. A. McKinnon, while the bridesmaid was Miss Georgie McEachern. The groom was attended by Mr. John P. Gordon. Ferns and flowers adorned the church, in which a large gathering of friends had assembled. The wedding gowns were very pretty. The bride was of white organdie. She carried a bouquet of white roses. Miss Annie Fraser was at the organ during the ceremony and rendered excellent music. The EXAMINER'S best wishes for happiness are extended to Mr. and Mrs. Macleod.

At Moncton yesterday the marriage of Miss Julia Hanford Sayre and Mr. Edward Chandler, took place at the residence of Mr. James Sayre. Miss Dow was bridesmaid, and Dr. R. D. Sayre, of Gloveville, N. Y., groomsmen. The groom's present to the bride was a piano, and to the bridesmaid a pearl brooch. Mr. and Mrs. Chandler have gone to St. John and Cape Breton on their honeymoon. The bride is the late talented directress of the Charlottetown Kindergarten, and is known as a most estimable young lady. The happy groom is a member of the firm of Prowse Bros. To Mr. and Mrs. Chandler THE EXAMINER wishes long life and happiness.

A pretty marriage was solemnized at St. Ann's Church, Hope River, on Monday morning, 9th inst., the principals being Miss Susanna, daughter of Mr. Felix Murphy, of that place, and Mr. Peter F. Hughes, merchant, of Emerald. The ceremony was performed by the pastor, Rev. Jas. E. McDonald, assisted by Rev. D. B. Reid, Kelly's Cross. The bride was beautifully attired, and was attended by her cousin, Miss Angelina Duffy, while Mr. Mathias Smith, teacher, supported the groom. At the conclusion of the nuptial ceremony, the bridal party drove to Seaside Hotel, Rustico, where they partook of dinner. In the afternoon a large number of invited guests assembled at the home of the bride's father and were hospitably entertained till the "wee sma hours." Excellent music was furnished by Mr. and Mrs. M. D. Ready, Miss Maggie McMahon and Messrs Deighan and McGuigan. The number and excellence of the presents bore evident testimony to the esteem in which the recipients are held in Hope River, Emerald, Freetown, Stanley, Charlottetown and other places. Mrs. Hughes will be greatly missed in her late home, and she bears with her to Emerald the good wishes of her many acquaintances. THE EXAMINER cordially extends to Mr. and Mrs. Hughes hearty congratulations.

STRAWBERRY FESTIVAL.

A strawberry and ice cream festival will be held in aid of the Presbyterian Church, St. Peter's Road, on the beautiful grounds of James Wyatt, Esq., adjoining Suffolk Station, at one o'clock on Wednesday, the 18th inst. If weather is unfavorable festival will be held next day. 31
