Top value of Canada's lowest price cars... Studebaker Champion The truly thrifty one for '51... you save on gas, you save on upkeep. Best by test in actual gas mileage. In this year's Mobilgas Economy Run, a Studebaker Champion got the best actual gas mileage among 26 "standard classification" cars that competed—two to six miles more per gallon than the other largest selling lowest price cars. Two Studebaker V-8s finished second and third, surpassed in actual miles per gallon only by their Studebaker Champion team-mate. All three Studebakers used regular gasoline and were equipped with overdrive, optional at extra cost. T. G. I V E S DISTRIBUTOR 219 Gt. Geo.
