SUCCESS WOMEN'S INSTITUTE

Success W. I. held their regular monthly meeting at the home of Miss MacGregor on June 20th with Mrs. President presiding. Roll call was answered with a verse of original poetry and minutes of previous meeting were read and adopted.

Correspondence was read and reports were heard. It was decided to have school signs placed as soon as possible.

THE BAPTIST CHURCH

The morning sermon by the Rev. H. L. Denton, B.D., was "The Question That Follows the Vision." In the story of Saint Paul you recall that sentence "and he trembled and astonished said, Lord what wilt thou have me to do?" There is some question, some challenge that follows every vision. The fathers of this Church in the Maritime had a great vision of concern for the souls of men and concern too for their social well-being. The question that followed the vision brought them to the consideration of Mission, Education, Social Service and the responsibilities corporate and individual that follow. To all of us

there comes the vision of our own share. The needs of the causes mentioned were brought out very simply, very clearly, with appealing eloquence.

The anthem of the morning was "Like As Thee, Heber MacVitie." At the evening service Mr. Denton delivered a thoughtful and inspiring sermon on "God's Final Word." Miss Vera Campbell sang "In Heavenly Love Abiding."

WESTMORELAND W. I.

The regular meeting of the Westmoreland Institute was held at the home of Mrs. Heber MacVitie with ten members and two visitors present. Meeting opened by repeating the Ode followed by a Club Woman's Creed. Collection amounted to \$5 cents. Minutes of last meeting were read and approved. Reports of the different committees were then heard and new ones appointed. Sick relief committee was appointed. Mrs. Grace Moore, Anna MacDonaid, Program, Mrs. Roy Crossman, Mrs. Harold Oakes, Mrs. Earl Francis, Mrs. Verner Moore. It was moved and second that a flag be bought for the school, the teacher was appointed to buy it. It was planned to hold an ice cream social and dance at the school in the near future. Committees were appointed to look after same. Next meeting to be held July 4th at the home of Mrs. Grace Moore. Roll call to be answered by an exchange of recipes. Meeting adjourned.

Weekly Livestock Market Report

SUMMARY:
OTTAWA, June 22.—The cool weather prevailing generally throughout the country was credited with accelerating the movement of beef into consumer channels and with fairly well regulated deliveries of cattle and no apparent surplus showing on any major markets. There was a general upward swing to prices. With one or two exceptions and these only minor, prices ruled from 25c to 50c above the previous week. Calves as a rule were steady to firm except at Calgary and Edmonton, where losses of 25c to 50c were sustained. With an advance of 6c to 7c in the British bacon market, hog prices ruled up quickly and finished off the week 25 to 40c higher. There were some seasonal declines in lamb prices but Toronto proved an exception and ruled steady to 2c higher.

Eastern Cattle Steady to Higher
A liberal run of cattle was cleared at Toronto with steers as a rule fully 25c above last week and other killers steady. Weighty steers showed the advance and choice sold at \$7 to \$7.25, while butcher steers and heifers were at \$6 to \$6.75, with the majority up to \$7 for a few light steers. Butcher cows opened lower but recovered on Tuesday and closed steady up to \$5.25. Trade was active at steady to firm prices on the Montreal market and good steers were being sold at \$7.50 as the end cows up to \$5.50 and \$5.75.

Western Cattle Generally Stronger
Conditions on the Winnipeg cattle market were considerably stimulated by a more free movement of beef out of packers' hands and moderate receipts of live cattle. Packers benefited from recent heavy rains and farmers are being advised to retain light finished cattle for further finishing. Suitable light handyweight butcher material sold 25c to 50c stronger with the better grades of killing steers at \$6.50 to \$7. Stockers also proved a steady trade at \$4 to \$5.25. Calgary and Edmonton, however, showed a little weakness on certain classes. Butcher steers were good steady at \$6.25, while Edmonton was fully steady on all butchers, except cows which sold 25c. Choice light steers made up to \$6.75. Fewer supplies cleared readily at steady to strong prices. Prince Albert recording a ton of 60 on steers, Moose Jaw and Regina \$6.25, Saskatoon \$6.50 and Vancouver \$6.

U. S. Market Unsettled
The steer market at Buffalo was uneven with some 25c higher, others no better than steady and some values looking 25c lower. The top was \$10.75 with the majority of sales from \$10.25 down. Recent quotations from St. Paul showed choice heifers \$8.50 to \$9.25, choice steers \$8, and bulls up to \$7. There were no Canadians offered during the week.

A dispatch from Washington dated June 22nd, indicated that on that date the second quarterly quota on heavy cattle remained about 700 head short of fulfillment. The third quarterly quota permitted the sale of 2,170 Canadian cattle, weighing 700 lbs. or more, at the reduced rate of duty, becomes effective on Saturday, July 1st.

Exports to the United States this week consisted of 2,415 calves, 240 calves and 2,415 calves. The totals from January 1st to June 22nd, amount to 88,103 beef cattle, 5,373 dairy, and 43,769 calves, compared with 22,626 beef, 4,650 dairy, and 25,540 calves in the same period of 1938.

U. K. Market Slow
Trade generally for fat and store cattle slow on United Kingdom markets during the week with better grades selling slightly easier at Birkenhead, Glasgow, however, contained to estimate good, medium and live weight and bulls around 6c. Demand and prices for good dairy cows were well maintained.

The S. S. Dellian took 150 beef cattle and dairy out of Montreal to Glasgow on Saturday, June 17th. This brings the total to date this year to 1,168 head, mostly dairy, compared with 19,464 head in the same period last year.

Calves Mostly Firm
With one or two exceptions, calf markets maintained a firm tone and there sold 25c to 50c higher at \$8 to \$8.50 while Montreal had a good demand with prices 25c or more higher up to \$7.50 for good veals with odd tops at \$8. Winnipeg's firm up to \$8 for calves, Calgary closed 25c to 30c lower, after making a top of \$7.50. Edmonton was also down 50c with best veals at \$5 to \$5.50. Tops at Prince Albert were \$5.50, Moose Jaw and Regina \$5.75, Saskatoon \$6, and Vancouver \$7.50.

Hog Prices Advance
The British bacon market advanced from 7c to 7 1/2c, Canadian making 83c to 88c, and Danish 90c to 95c. Canadian Hams were up 2c at 102.

Advances were general in the hog division of all markets. Toronto ruled 40c and closed firm at \$9.25 for top truck hams. Montreal showed firmness and closed at \$9.50 for hams. Similar advances were recorded throughout the week and Winnipeg closed at \$9 to \$9.15 for hams. A & W. The close at Calgary was \$8.50 for hams of trucks. Edmonton \$8.65, Prince Albert and Saskatoon \$8.75, and Moose Jaw and Regina \$8.85. Sales made the usual 1c per head premium.

Toronto Lambs Stronger
Lambs opened steady at \$11.50 for choice at Toronto and gained to a closing range of \$11.50 to \$11.75. Prices were seasonally lower at Montreal with a few sellings up to \$12 and with most sales on the basis of \$11 to \$11.50. Winnipeg tops were \$9.50, Calgary also \$9.50, Edmonton, Moose Jaw, Saskatoon, and Regina \$9, Prince Albert \$8, and Vancouver \$10.50.

CATTLE MARKETS
TORONTO cleared 5,253 cattle an advance of 25c on steers and heifers with other killers steady.

CROP REPORT

MONTREAL, Que., July 2.—Drought stricken areas of Southern Saskatchewan have been transformed this year, according to W. W. Swinden, General Superintendent of the Canadian National Railway, who has returned to Montreal after a trip to Regina and Saskatoon. Exceptional rains have brought out heavy crops and Mr. Swinden said he found a much improved spirit in the Prairie Province with the Royal tour adding to the promise of a good crop, business had taken a spurt, he said, and travel had increased.

WINNIPEG, Man., July 2.—As a result of continued cool weather and rains over much of the western crop area further improvement is reported, and all sections require warmer weather for proper development of the crop which is generally estimated to be about a week later than normal. Grass-hoppers are still continuing to appear at some points and are the chief source of worry, according to the Weekly Crop Report of the Department of Agriculture, Canadian National Railway.

Recruit Threw Welcome Plans Out Of Order

SAINT JOHN, N.B., July 2 (C.P.)—The visit of King George and Queen Elizabeth here recalled amusing incidents of previous royal visits to this city.

When the present Duke of Windsor came to Saint John as Prince of Wales he arrived on the H.M.S. Dragon and was taken ashore by a launch. Stationed at the wharf edge as the prince walked up the gang-plank was a new recruit in the naval service.

The prince put out his hand to grasp a rail. The greenhorn, who should have been saluting, grabbed the hand and shook it vigorously.

"We're glad to see you here," said the recruit enthusiastically, "welcome to Saint John."

The prince rose to the occasion and told the one-man welcoming committee he was happy to be here.

Nearly stood the governor-general, prime minister, premier governor of Maine and other notables of the day. Stationed at the wharf edge as the prince walked up the gang-plank was the first to greet him when the naval recruit who later was reprimanded for the blunder.

When Edward VII came to Saint John as Prince of Wales his ship arrived hours before the morning tide was due. A band cruised down the harbor to serenade him. He remained aboard ship.

Early the next day Tom Rogers, a bill poster, was busy sticking up cards to tell people where to see the royal visitor. Two young men, the royal visitor, came along and started talking to him. Rogers was in a rush, he gave abrupt answers to questions.

Suddenly he looked at a picture on a poster he was putting up and glanced at one of the men. His eyes popped.

"Are you the—the-prince? he blurted.

"Yes."

So bill poster Rogers was the first man to welcome the future Edward VII, who had come ashore before members of welcoming committee were out of bed.

During another visit here, when the royal party was entering a residence, spectators naturally removed their hats. Two new draughts on the scene, uncertain what to do, looked at each other in silent perplexity. Then following the civilian's example, they doffed their own hats.

daughter of the late Douglas Reid, and Annie Reid, of Campbellton, Lot 4.

Jennie, as she was familiarly known, possessed a pleasing disposition and gentle manner which made her a favorite with all who knew her, and during her illness was never known to complain but bore her suffering with great courage, reconciled to God's will.

For many years she was a faithful worker in the Church and Sunday School and was organist for a number of years.

She leaves to mourn a sorrowing husband, also one daughter who resides in Vancouver, B. C. besides her mother and two sisters, Mrs. A. M. Carver, Vernon River, and Iva B. Reid in Philadelphia, U.S.A.; and three brothers, Earl in Montreal, Irving and Chester at home.

Funeral services were held at the home, Rev. G. A. D. Elliot, her pastor, officiating. The remains were then conveyed to Campbellton where a church service was held conducted by Rev. Mr. Elliot and Rev. Mr. Patterson. The remains were laid to rest beside her father and brother as she requested.

The pallbearers were Frank Platts, Lloyd Sharpe, Nelson Sheen, S. Lidstone, Robert Ramsey and Ivan McLean.

VERNON RIVER WOMEN'S INSTITUTE

Meeting opened by singing Institute Ode followed by repeating creed in union. Minutes of the last meeting were read and approved. Roll call was answered by "The flower one likes best". Reports from the various committees were given. Mrs. Harold McLeod and Miss Mary Murphy were appointed on sick committee for the next month. Mrs. John Wisner and Mrs. Irving Tweedy were appointed delegates for the annual convention. Mrs. Everett Stewart and Miss Cecelia Currie delegates for the district convention. Mrs. John Wisner was chosen president for the district convention of next year and Cecelia Currie secretary but if a neighboring district joins with Vernon River district the secretary would be picked from it. It was agreed that ice cream be bought for the school closing and each member bring cake. The sum of \$8 was donated to the school for prizes for the year ending June 1939.

Mrs. Irving Tweedy kindly invited the members to her home for the meeting where Roll call will be answered by "Gleaning" recipe. Meeting closed by singing National Anthem. A very delicious luncheon was served by the hostess. Afterwards the members and visitors were entertained by instrumental music by Misses Evelyn MacNeil and Ann Tweedy and Mr. Wallace MacNeil. Pownal

On Conference Sunday the services in Pownal United Church were taken by the Woman's Missionary Society. Mrs. D. K. Ross presided and introduced the speaker of the evening, Mrs. Hugh Miller of Charlottetown, who gave a splendid missionary address. The ladies' octette, Charlottetown furnished the sweet music. Soloes were furnished by Mr. J. A. Moore and Mr. Lowell Burhoe, and readings by Mrs. Harold Smith and Miss Orla Jones. After the service, the visitors were entertained at the home of Mrs. John L. Brown.

On Conference Sunday

The June meeting of the Pownal W.M.S. was held at the home of the supply secretary, Mrs. George C. Ross, at this meeting interesting letters were read from Mrs. John Sterling, Georgetown, and Mrs. Frank Deason of Freeport. A duet was pleasantly rendered by Mrs. McKinnon, and a piano solo by Miss Etta Ross. Mrs. Harold Smith gave the soliloquy of David Livingston by John Oxenford. The supply secretary, Mrs. Oxenford, presented a letter from the Pownal, a "thank you" letter which appeared in the United Churchman was read at this meeting. This letter described the dire distress existing among the poor, some of whom during the winter had to remain up all night and keep fires burning for warmth. At the conclusion of the meeting twenty-one sat down to a feast of good things. The dining room of the Fortester Hotel was a spectacle of beauty. The color scheme was red, white and blue, and two tiny Union Jacks graced each end of the table. After the banquet cravings had been satisfied in this exquisite dining room, the June sunshine invited us outside, and we stepped inside a trailer which stood in the yard, fresh in a new coat of paint outside and brightly arranged inside, from curtains on the windows to a box of panicles in full bloom; antique hanging lamps in contrast with a modern oil stove, and we all wished we had a trailer, then we could go where we wanted to go and camp by the babbling brook or the sandy beach, or in the shadow of the pines.
