ARRIVAL OF SPRING GOODS—SS. Stanley arrived from Pictou on Saturday evening with a full cargo of English goods for our merchants here; also a large mail and about twenty passengers.

PROWSE BROS. have too much respect for the truth to say they have the best goods in the city for \$1 a suit, but they do say that they have the best \$1 suit in the city. ap 3 2i.

THOSE corduroy suits are selling fast. A suit from 3 to 10 years. Regular \$3.00, \$2.50 and \$4.00 suits—will clear the shelves for \$2.00 a suit.—James Paton & Co. al 3i.

FOOTBALL.—A meeting will be held in the gymnasium in the Y. M. C. A. to night at 8:30 o'clock for the purpose of organizing a football team. A full attendance of members is requested.

THE FASTNET.—The steamship Fastnet leaves Halifax on Saturday next, 9th inst., at 6 p. m., on her first trip this season for this port. It is the intention of the S.S. Co. to have this boat call at Summerside during the coming season.

COMPETITORS are trying awful hard to catch up with the wonderful cheap men, but when they get up to where we were they find we are still a few laps ahead. See our 25 cent suits, with a present thrown in.—Prowse Bros. ap 3 2i.

Now is a good time to take Estey's Iron Tonic so that the system may be strengthened and the blood purified to withstand the debilitating effects of the warm summer weather. Druggists sell it. Price 50 cents. ap 4 1m.

THE STANLEY returned from Pictou on Saturday evening about a quarter to seven, bringing the mails, a large freight and a number of passengers. The steamer had a good trip over. She left port again this morning with mails and passengers. Among the latter was Captain Cameron, who went to see how the ice was and whether or not there is a chance for the Island boats to commence their spring work at once. The Stanley will return this evening.

SUCCESSFUL ISLANDER at McGill.—We are pleased to note the success of Mr. W. W. Wickham, of Summerside, at the spring examinations of McGill University. In the faculty of medicine Mr. Wickham takes the lead in his year, having carried off the Anatomy prize, and standing first in Physiology, besides taking second place in Histology. In the other subjects Mr. Wickham also made leading marks. This is the first time in a number of years that an Island student has succeeded in carrying a prize in the Medical Faculty of McGill.

ST. PAUL'S MISSION.—The Rev. F. H. DuVernet, of Wycliffe College, Toronto, who is conducting a mission in St. Paul's Church, arrived here in the Stanley on Saturday evening. Shortly after his arrival he addressed a welcome meeting in St. Paul's Schoolroom. He also preached at both services in the Church yesterday and in the afternoon he addressed the children's meeting. Rev. Mr. DuVernet is a very forcible speaker and made a favorable impression. During the week services will be held in the Church each evening at 4:15, and every evening (Saturday excepted) at 8. On Sunday afternoon at 4 o'clock, he will make an address to men only. Strangers will be welcomed.

It is welcomed in every house in France and England, and in a very brief time the same can be said of Canada, from the Atlantic to the Pacific. Leaside Phenix requires only to be tried once to be gratefully appreciated. A marvellous washing and cleaning s-lutivc. Just fancy an article that will make all your clothes as good as new, and that will clean everything in the house from the silver that you cherish to the common earthenware which you thought of throwing out, making it just like new. That is what Leaside Phenix will do and a score of other things. For it will clean everything, and it will not harden your hands.

A RARE TREAT.—Rev. James O'Brien's lecture on "Election" before the Teachers' Institute on Saturday evening. The address was made in the Y. M. C. A. meeting room, and there was a large audience present. In the course of his address, which was well given and attentively listened to, the Rev. gentleman gave much valuable information concerning the development of the lungs, the proper control of the breath, articulation, emphasis, inflection, pitch, gesture, etc. Pointing out the difference between the correct and the incorrect. A hearty vote of thanks was tendered Mr. O'Brien at the close of his discourse. The chair was occupied by School Inspector Stewart.

None disappointed, the truth established. There were none turned away from our clothing department on Saturday evening of the many who took advantage of the greatest offer of the season in boys suits at 25 cents. Dozens of poor boys got them and went home delighted. Our 25 cent suits are reasonable, not summer cotton goods, and are declared even by those in the trade that they are the best goods ever offered in this city at four times the money.—Jas. Paton & Co.

It completely removes tan, sunburn, redness, etc., and by its balsamic and healthy qualities renders the skin soft, pliable and free from dryness. Sold by druggists. al 4 1m

BEER BROS.' show of mantles and dress goods was the centre of attraction to-day. The variety of styles and jackets shown is quite bewildering, and it is doubtful if there is such a beautiful assortment elsewhere in the Maritime Provinces. The dress goods, too, are very pretty and are being quickly selected by the ladies. In evening wear the variety of silks is very attractive and in every way Beer Bros. sustain their reputation for high-class goods and latest novelties.

It is now pretty well understood to be a dangerous practice to attempt to palm off worthless imitations of the "Myrtle Navy" tobacco for the genuine article. In former years that practice was the cause of much annoyance, and Messrs. Tuckett & Sons were compelled to resort to the law courts to put a stop to it. Though they have not met with any cases of the kind lately, it is always a safe precaution for the purchaser to see that the trade mark T. & B. in bronze letters is stamped upon each plug; no plug ever leaves the factory without it, and to appropriate the trade mark is a punishable offence.

MILITARY.—The five members of No. 1 Battery, G. A., who have been attending the Royal School of Artillery at Quebec, during the past three months, arrived home in the Stanley on Saturday evening. They are Robt. Bryn, John Johnson, G. Lawson, E. McLaughlin and A. Douse. All look well, and so far as we can learn, acquitted themselves creditably during the term. Two members of No. 6 Co., 82nd Battalion, who were attending the Military College at Fredericton, returned home the same evening. They also, we understand, were very successful.
