KNOW THYSELF.

A Great Medical Work on Manhood.

Exhausted Vitality, Nervous and Physical Debility, Premature Decline in Man, Errors of Youth, and the untold miseries resulting from indigestion or excess. A book for every man, young, middle-aged and old. It contains 125 prescriptions for all acute and chronic diseases, each one of which is invaluable. As found by the Author, whose experience for 25 years is such as probably never before fell to the lot of any physician. 300 pages, bound in beautiful French muslin, embossed covers, full gilt, guaranteed to be a finer work in every sense than any other work sold in this country for \$2.50, or the money will be refunded in every instance. Price only \$1 by mail, post-paid. Illustrated sample free to any body. Send now. Gold medal awarded the author by the Prædical Medical Association, to the President of which, the Hon. P. A. Bessell, and associate officers of the Board, the reader is respectfully referred.

The Science of Life is worth more to the young and middle-aged men of this generation than all the gold mines of California and the silver mines of Nevada combined. A Good Confession.

The Science of Life points out the rocks and quicksands on which the constitution and hopes of many a young man have been fatally wrecked.

The Science of Life is of greater value than all the medical works published in this country for the past fifty years. A Good Confession.

There is no member of society to whom The Science of Life will not be useful, whether youth, parent, guardian, instructor or clergyman.

Address The Peabody Medical Institute, or Dr. W. H. Parker, No. 4 Bulfinch Street, Boston, and send for a copy of the Science of Life, free of charge and experience. Chronic and obstinate diseases that have baffled the skill of all other physicians a specialty. Such treated successfully without an instance of failure. MANHOOD

HOW LOST HOW RESTORED!

JUST published, a new edition of DR. CUL VERWELL'S CELEBRATED ESSAY on the radical cure of SPERMATORRHOEA or Seminal Weakness, Involuntary Seminal Losses, IMPOTENCY, Mental and Physical Incapacity, Impairments to Marriage, etc., also CONSUMPTION, EPILEPSY and FITS, induced by self-indulgence, or sexual extravagance, &c.

The celebrated author, in his admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

27 This Lecture should be in the hands of every youth and every man in the land.

Sent under seal, in a plain envelope, to any address, post paid, on receipt of four cents or two postage stamps. Address
