AN UNUSUAL FIRE
A Pullman Car Consumed.

PASSENGERS TURNED OUT HASTILY.
The Loss About \$20,000.

St. JOHN, N. B., Sept. 27.
An unusual fire occurred on Saturday
evening last in the Northern division of
the Intercolonial Railway. Shortly after
the Quebec express had left Bathurst some
of the passengers detected a smell of smoke
in the Pullman car, "Miramichi." They
told the conductor and he at once made an
examination of the heating apparatus which
appeared to be all right. There
were twelve passengers in the
car including Mr. M. Lee Ross and his
wife. When the train was near Barti-
bogus the conductor discovered that the
car had caught fire. The passengers turned
out in great haste, some of them with very
little clothing on excepting their under-
garments. Everything that could be done
to render the burned out passengers com-
fortable was done. When the train
reached Beaver Brook, the car, which was
one of the finest on the continent, was
totally destroyed. The loss will be the
Government's. There is no insurance.
The loss is between \$15,000 and \$20,000.

THE BEACH-ROSS RACE.
Beach Wins by Four Lengths.

LONDON, Sept. 25.
In the boat race on the Thames to-day
Beach beat Ross by four lengths. The
race between Ross and Beach was for \$500
a side and the championship of the world.
Beach won the toss for position. When
the signal was given Ross was the first to
get away, but he only led for a few strokes
when Beach passed him and steadily in-
creased his lead until he was two lengths
ahead. Several barges got in Beach's way,
and he was compelled to cross Ross's bow,
but he avoided fouling. The race was a
procession almost throughout.
