

NEW YARD LAYOUT AT MONCTON

A sketch of the Canadian National Railways \$17 million electric classification yard to be built at Moncton, through which will pass domestic freight traffic moving to and from Prince Edward Island and the other Atlantic provinces.

GEORGETOWN
Mr. and Mrs. Emerson Hewison and six young were visitors to Charlottetown on Friday, where they visited Mrs. Llewellyn's mother, Mrs. Mabel Law.

MURRAY RIVER
Congratulations are extended to Mr. Mrs. Howard Hooper, Pictou, N.S., who were married on Tuesday, Nov. 5th, 1957, in Pictou, N.S. Mrs. Hooper was the former Miss Ruth Moore, daughter of Mr. and Mrs. Rueben Moore of High Bank, Mr. and Mrs. Hooper will reside in Summerside where the groom is stationed with the R.C.A.F. and Mrs. Moore who is a graduate of Alberton Hospital in New Glasgow, N.S., plans on joining the staff of the Prince County Hospital.

Montague Home And School Meeting Held
The Montague Home and School Association was privileged to hear a recording of an inspiring address given by Mr. Grosberg, secretary of the Canadian Teacher's Federation at its Provincial Home and School Association meeting in Charlottetown.

Helped.
A.C. J. Junior Strickland who is stationed with the R.C.A.F. in Clinton, Ontario, is spending two weeks leave at the home of his parents, Mr. and Mrs. Vance Strickland, Murray River.

Mr. William Agnew, Provincial Government Trade Commissioner and Mr. Simon Paol, of Charlottetown, were recent business visitors to Georgetown.

West Germany Will Be Factor In NATO At Paris

Much of his cabinet remains in fact, but one significant change is the appointment of Franz Eitel, a banker and industrialist as finance minister.

HAND FORCED
The appointment is expected to speed up German rearmament. Fritz Schaefer, the previous finance minister who now is shifted to the justice portfolio, had delayed the program because of budget worries.

MANY TELEPHONES
The world operates about 110,000,000 telephones, including more than 50,000,000 in the United States.

MAIL FOR TRUCKS for '58

Step ahead ...
with more that's new... economy too!

NEW!! Quoted-Beam Headlights make night driving safer. You see further, with less contrast and you get superior "passing" vision.

NEW! Transmission Options! Fordomatic Drive is available in all Light Duty Models... new Transmatic Drive in all Medium and Heavy Duty Models. New Roadranger Transmission is available in most "big jobs"... gas is closely spaced direct forward speeds with pre-select range shifting.

NEW! Bigger Brakes! Most '58 models feature bigger brake lining area for more positive stopping, longer brake life. New Power Brakes are standard at no extra cost on all 600 Series and up... and optional on all other models.

NEW! Overhead All-Forward Vision Ever! Full-wrap windshield and optional wrap-around rear window provide wider view, for easier manoeuvrability, safer driving day or night.

NEW! Step-ahead Styling! Right through the new Ford Truck line—modern, clean, fresh styling says, "Step in" to the Step-ahead Power! In every engine SIX or V-8, Ford's Short-Stroke design gives you new power, greater economy—every drop of gas goes to work! Step into the lead and stay ahead with more get-up-and-go on the highways... extra pull for the heavy jobs.

NEW! Step-ahead Styling! Right through the new Ford Truck line—modern, clean, fresh styling says, "Step in" to the Step-ahead Power!
