Expresses Approval Of Trade Union Amendments

Thorough agreement with the principles of the amendment to the Trade Union Act was expressed yesterday by Hon. B. Earle MacDonald, Fifth Queen's, who stated that he was supporting it because he was satisfied that the employees of the Telephone Company are going to be protected. He also gave his opinion that the proposed bill is the same as those enacted by some of the other Provinces.

Mr. MacDonald noted that again struck this time in the East Baltic district and completely destroyed the home of Mrs. Albert Garrett and many valuable and long-cherished articles. The house was occupied for the past few months by Mr. and Mrs. Robert Garrett of Souris. Due to the headway of the fire and so many people in the potato field very little of the furniture was saved. Both Mr. and Mrs. Garrett were in the potato field some distance away when they were informed of their great loss. The people of the many communities share with them all in their great loss.

Labour's Requests Mr. MacDonald believed that it would be well for the people here to prepare for that day and to concede the just requests of Labor where those requests are founded on solid reasoning.

PLAN CUB PACK — An organizational meeting to form a cub pack at Montague was held at the MacKenzie Hall Wednesday night with Mr. Gordon Kerr, executive commissioner, in attendance. Mr. Kerr fully explained the principles of cubbing to leaders and approximately eighteen boys were present.

MONTAGUE Y. P. S. MEETING — The regular meeting of the Young People's Society of St. Andrew's Presbyterian Church, Montague, was held in the church hall Tuesday evening. The president, Thelma Larter, presided. The devotional period was conducted by Kaye MacKenzie and Margaret Johnston, and opened with the hymn "What A Friend We Have In Jesus." Roll call was answered by twenty members.

PERSONALS — Miss Joyce Matheson of Bristol, spent a week in Charlottetown visiting her brother and sister-in-law, Mr. and Mrs. Don N. Matheson, 119 Rochford St.
