ECONOMY IN MILITIA DRESS form now used and there is very little difference between dress and drill order save that in the former the medals are worn. It is much less expensive than the former style.

OTTAWA, June 29.—Desire for economy is at the base of the objection of the Militia Department to a century and is now leaving, it the pre-war dress uniforms by the militia. "We cannot be issuing uniforms of red and every hue," said a high official of the department today. "The present color of uniform is the present color of uniform."
