

Local and Other Items.

I. O. O. F.—Wildey Lodge meets to-night.

SOURIS RACES.—The horse-races at Souris are taking place to-day.

AT COST.—We are selling the balance of summer suitings and trousers at cost.—D. A. Bruce.

THE BREMA.—A cable message to Peake Bros. & Co. reports the arrival at Liverpool yesterday of the barkentine Brema, 22 days from Charlottetown.

POLICE COURT.—Two drunks, one fined \$1 or 4 days imprisonment; the other fined \$3 or 14 days; an assault case postponed till next week; and a person charged with using obscene and abusive language on the streets was fined \$1.

A POINTER.—Wet boots and shoes may be kept from shrinking out of shape when drying, if, as soon as taken off, they are tightly stuffed with newspapers. These form a sort of rude last, and ought not to be removed until the boots are thoroughly dry.

COMING.—The Lyceum has been engaged by Mr. Theo. L. Chappelle for the evening of October 14th for one of J. W. Bengough's famed Caricature entertainments. Grip's clever artist always commands crowded houses and gives two hours of rare enjoyment.

PICNIC.—Everybody should attend the grand tea party to be held at St. Ann's, Lot 65, on Monday, 22nd August. A good time is assured, as no pains are being spared by the committee in charge to make it the tea of the season. Remember the date, Monday, 22nd August. Come!

GRATIFYING TO ALL.—The high position attained and the universal acceptance and approval of the pleasant liquid fruit remedy, Syrup of Figs, as the most excellent laxative known, illustrates the value of the qualities on which its success is based, and is abundantly gratifying to the California Fig Syrup Company.

M. P. P.—The M. P. P. Co., of Truro, has issued a compact little circular of testimonials received by them in praise of Malt Peptonized Food. There can be no doubt now of the success of this wonderful medicine and as success is never achieved unless by sterling worth our readers may be certain that M. P. P. is a first class thing.

TO THE PUBLIC.—We have not been in business long enough to advertise a discount sale, nor have we any necessity to do so, as our goods are all new and have been bought low for cash, and we have marked them at prices that do not require large discounts to make them sell. We wish further to state that we will not be underbid by any house in the trade.—Fennell & Chandler.

ST. JAMES' PICNIC.—The St. James picnic at Red Point yesterday was a very pleasant affair. There was a large attendance from the city. The sports and pastimes usual on such occasions were indulged in. Rev. Mr. Carruthers was present. It is perhaps needless to say that he infused a good deal of life into the proceedings, and that all his old friends were glad to have him with them once more.

THE BRASS BAND of the St. John, No. 1, Salvation Army, will arrive by boat from Pictou tomorrow evening, and will hold a musical festival on Saturday night at 8 o'clock in the S. A. Barracks. They will be accompanied by the Soul Saving Troupe and will conduct meetings all day Sunday. Times of refreshing conversation are confidently expected. Silver offering taken at the door at each meeting.

WE DO NOT know of any preparation that has caught the public fancy in so short a time as Dodd's Kidney Pills, but when we consider that three-fourths of the Canadian people are afflicted with kidney trouble in some form or other, and that Dodd's Pills are a quick and permanent cure for all these troubles, the large and increasing demand can scarcely be wondered at. Sold by all dealers, or by mail on receipt of price, 50 cents per box. Dr. L. A. Smith & Co., Toronto.

HOW TO CLEAN PAINT AND GLASS.—Soap will remove the paint; so use but little of it. Cold tea is the best liquid for cleaning varnished paint, window panes and mirrors. A sharp piece of soft wood is indispensable for cleaning out corners. A saucer of sifted ashes should always be at hand to clean unvarnished paint that has been badly smoked; it is better than soap. Never put soap upon glass unless it can be thoroughly rinsed off, which can be done with warm tea and rub the panes dry; then make a paste of whiting and water and put a little in the centre of each pane. Take a dry cloth and rub it all over the glass, and then rub it off with a chambray skin or flannel and your windows will shine like crystals.

FOR BOSTON.—The Steamer Britannia, Captain Doane, left for Boston yesterday evening at six o'clock, with a general cargo and the following passengers: R. McKenzie, Mrs. Robinson, Margaret Doyle, Maggie Gaffney, Miss Hand, D. McCormack, J. O'Hara, Miss A. McEachern, A. Nandish, Mrs. H. Mills, S. Graham, Emma Graham, A. Nandish, Mrs. Smith, Mrs. Mahoney, J. T. Murphy, Miss E. Crue, Miss McIntyre, Miss Trainor, R. A. McBeth, Flora McLeod, Miss Merry, P. McNaughton, G. A. Jordan, Mrs. W. Hill, D. Macdonald, Miss VanDerative, F. Finnigan, W. A. Morrison, M. McKenzie, G. A. Macdonald, Sarah Morrison, Mr. and Mrs. J. C. Ross, W. M. Mear, Miss Holman, M. Alward, L. P. Norton, C. H. Darling, Rev. W. Mitchell, Mrs. Mitchell, Miss Nicholson, M. McKenzie, W. S. Whitney, George C. Joselin, C. H. Henderson, E. G. Henderson, W. Macdonald, G. Macdonald, Bella Campbell.

DAMAGE BY THE STORM.—The Summerside correspondent of the Guardian reports that the storm which swept over the western part of the province on Wednesday night did considerable damage. At O'Leary three houses were blown down and several others were badly twisted. Five dwelling houses and two barns were blown down on the North Road, several people injured, one perhaps fatally, a man named McArcher. On the western road near Bloomfield a barn owned by B. Warren was struck by lightning and burned. A strip of green woods about a quarter of a mile wide was blown down, and pieces of fences have been completely blown away, and no trace of them has been found. Untold damage has been done to the crops. A man, who was in one of the houses which was blown down, was picked up and carried about ten chains to a brook. Colon Wright's store at Central Bedouque was entered by some of the electric fluid and a piece of floor torn up. Mr. James Stavert's house near McDonald's Point, Bedouque Bay, was struck, and Mr. Stavert's wife, the only occupant of the house, badly injured. Word comes from Alberton of a barn about five miles from there being struck by lightning and burned.

Flower says he will put an end to lawlessness if it takes the entire National Guard of New York. In Tennessee, communication with the scene of trouble is cut off, but it is reported there has been severe fighting between the miners and troops, and many were killed. Col. Anderson has been captured by miners but his men are still fighting. Tremendous excitement prevails.

Episcopalians Excited.

QUEBEC, Aug. 19.

The Episcopalians are excited over the report that some influence had been exercised to prevent Bishop-elect Hunter from being consecrated in his own cathedral. The ceremony must take place in Montreal. The Chronicle says it is a studied insult.

A Turn-Over.

MASKINONGUE, Que., Aug. 19.

The Metropolitan's Condition.

FREDERICTON, Aug. 19.

General Telegraphic News.

WINNIPEG, Aug. 17.—Wheat cutting is now becoming general. The sample is of the best quality, and the most competent to judge say a conservative estimate of the yield is twenty bushels per acre for the entire province. In some districts the yield will be easily thirty acres to the acre.

MONCTON, Aug. 17.—Burglars entered Joseph L. Black's store at Sackville this morning, but after rummaging the till and office desk and finding nothing, left. It is supposed they were frightened off by one of Mr. Black's sons getting up about two o'clock and making a light. The safe contained a considerable sum of money.

HAVERHILL, Aug. 17.—The stable of the Haverhill Ice Company on Lawrence street were burned just after midnight. The hostler, Joseph Reynolds, was asleep when the fire started and was awakened by a St. Bernard watchdog. The building was all in flames, and he had barely time to leap from a door in the second story. There were 19 horses stabled in the building and 18 perished in the flames. Of 23 swine kept in the basement only one or two were saved. About 50 tons of hay and nine sets of double harness were destroyed. The fire is thought to have been of incendiary origin. The loss will be about \$8,000.

LONDON, Aug. 16.—By the collapse today of a grand stand at Lunnunexan, a summer resort in the Pyrenees, 300 persons were buried beneath the ruins of the structure. Fifty persons were seriously injured.

DURANGO, Mex., Aug. 17.—Thursday while a passenger train containing gold and silver ore from the mines to the smelting works near here was descending the mountain the guards were fired on by a large body of brigands. The guards were taken by surprise and made but little resistance. The brigands fired several volleys into the escort and it is reported 15 of the latter were killed. The brigands secured treasure to the value of \$50,000 and fled to the mountains where they are being pursued by government troops.

MONTREAL, Aug. 17.—The Star's cable is as follows: London, Aug. 17.—The Marquis of Ripon's selection as Colonial secretary meets with a fair amount of approval in Liberal colonial circles. Lord Ripon, though much criticised during his previous term of office, has always shown himself a strong man, and fully in accord with the liberal movements of the time. He is sometimes described as the most radical member of the house of lords. The Earl of Rosebery's presence in the cabinet is of great colonial importance, since it secures in the ministry a powerful champion of the best federation ideas. This is the more important, as it is now stated that the special committee appointed by the federation league to consider and submit definite proposals, will recommend to the council in the autumn to ask the premier to convene a colonial conference for the definite discussion of a joint scheme of imperial defence.
