## Quebec Premier May Chop Slice From '66 Budget

QUEBEC (CP) — Premier Johnson of Quebec is anticipating a chop of at least \$100,000,000 in the provincial budget and less borrowing than the \$600,000,000 called for by his predecessor in office, Liberal Jean Lesage.

Before the Union Nationale victory in the June 5 provincial election, the Liberals brought down a 1966-67 budget involving expenditures of \$2,000,000,000.

Sunday night, minutes before an address to Quebec food retailers, Mr. Johnson told a group of reporters of the \$100,000,000 minimum cutback in the budget, saying most of the cuts would come in the field of capital spending. He gave no other details.

### NEEDS NO APPROVAL

Mr. Johnson said the government will not necessarily bring down a new budget this year. It does not need legislative authorization to reduce spending, he added.

He said he is sure the Liberals would not have tried to borrow the \$600,000,000 mentioned in their budget.

Asked about possible areas of spending reduction, he said there is no question of reducing expenditures on Expo 67.

In his speech, Mr. Johnson said he is not unduly frightened by a "claimed threat" of inflated food prices resulting from Expo, which will be held in Montreal.

## China Hints Major Change In Leaders

TOKYO (AP) — China has hinted at new and important changes at the top of its political ladder and cast vague doubts on the status of some of Communist party Chairman Mao Tse-tung's oldest comrades.

A listing of leaders indicated that such high figures as Premier Liu Shao-chi, aged Marshal Chu Teh and Chen Yun are no longer members of the politburo's prestigious seven-member standing committee.

In addition, a dispatch by the official New China news agency did not mention Premier Chou En-lai's most important party function, that of one of the party's five deputy chairmen.

This could mean there now is only one deputy chairman, said Mao-Defence Minister Lin Biao, the emerging military strongman.

Listed Monday for the first time as a member of the politburo standing committee was Kang Sheng. He recently emerged as one of Mao's top lieutenants in the cultural purge now sweeping China.

The standing committee previously was composed of Mao, Liu, Chou, Chu, Chen Yun, Lin and Teng Hsiao-ping.

The seven leaders listed first by the New China news agency at a mass rally Aug. 18, were Mao, Lin, Chou, Tao Chu, Chen Po-ta, Teng and Kang Sheng. The appointment of Kang added strength to the view that this is the new politburo standing committee.

## Trade Balance Is Improving

OTTAWA (CP) — Canada's 1966 trade balance for the first seven months showed sharp improvement over 1965, the Dominion Bureau of Statistics reported.

The export balance on commodities was \$134,000,000 to the end of July, up from \$6,100,000. Imports during July held almost level at \$737,800,000 as exports climbed 8.3 per cent to \$855,400,000. The months export balance almost doubled July, 1965, figures.

For the seven-month period exports were up 17.3 per cent, imports 14.7 per cent.

A 23.4-per-cent increase in exports to the United States boosted the seven-month total to \$3,453,900,000.

Exports to Britain were 5.2 per cent higher at \$365,500,000. The seven-month balance on trade with all countries totalled \$356,000,000, compared with \$178,000,000 a year earlier.

## Quebec Police Plan To Resign

MONTREAL (CP) — Failure by the provincial government to improve working conditions for about 2,000 provincial policemen will result in mass resignations from the force, Arthur Vachon, president of the Quebec Provincial Police Association, said here.

Mr. Vachon, who was suspended and later dismissed from the force last April shortly after he became head of the newly-formed association, said "conditions are so horrible that policemen will leave the force, not singly, but in masses," to join municipal police forces in the province.

"The problem is not over wages," Mr. Vachon said. "Our main concern is the practice of having some officers work as much as 80 hours a week without overtime pay."

### GRACE TOPS POLLS

Dr. W. G. Grace, the great early cricketer, made more than 50,000 runs and took more than 3,000 wickets in his career.
