Y. M. C. A.

Week of Prayer—November 10 to 16. The attention of the Christian people of Charlottetown is directed to the importance of the work undertaken by the Young Man's Christian Association.

In 1886 the first international convention was organized on the 9th of October, in Oswego, New York, with 19 delegates and 14 corresponding members, and from that time to the present the week of prayer has been regularly observed with more or less enthusiasm.

The present year has been marked by an unusual activity among the Associations, both in the United States and Canada, as well as in Europe. The work has extended to foreign lands and to the colleges of this country, and one of the first questions that meets a young man to-day in a strange place by a Christian people is, "Do you belong to the Y. M. C. A.?"

The week of prayer this year promises to be more than usually interesting, and the devotional committee of this Association propose to make the occasion one of fervent, united prayer to the God of our young men; and they cordially invite all who love the Lord Jesus Christ to unite with them, and an equally cordial invitation is extended to all young men of our city.
