THE AMERICAN

\$8.00 Typewriter.

This is a well-made, practical machine, writing capitals, small letters, figures, and punctuation marks (71 in all) on full width paper, just like a \$100 instrument. It is the first of its kind ever offered at a popular price for which the above claim can be truthfully made. It is not a toy, but a typewriter built for and capable of REAL WORK.

Writes capitals, small letters, figures and marks—71 in all. Writes just like a \$100 machine. No Shift Keys. No Ribbon. Prints from the type direct. Prints on flat surface. Writing always in sight. Corrections and insertions easily made. Takes any width of paper or envelope up to 8 1/2 inches.

Easy to understand—learned in 5 minutes. Weighs only four pounds—most portable. Compact, takes up but little room. Built solid and simple; can't get out of order. Capital and lower case keyboard alike—easily mastered. More "margin play" for the small letters which do most of the work. Takes good letter-press copies.

Packed securely in handsome case and expressed to any address on receipt of price, \$8.00, in registered letter, money order or certified check. We guarantee every machine, and are glad to answer all inquiries for further information as to this machine and also the "Yost."

FANCHETTE.

A slip of a girl with slim, young shoulders, childish form and shy, rosy face half avoiding, half inviting the gaze—this was Fanchette.

Fanchette Hugot they called her in these villages, where old Mother Hugot was well known.

When Jacques took her in his arms and told her that he loved her and let the light of his beautiful eyes shine in hers, she forgot the whole world but that one moment.

A Letter From His Dad.

DEAR SON,— Yours to hand yesterday. It gives me great pleasure in sending you a cheque for \$100.

Thanks to Prowse Bros. & Co. They have done the people of this country more good and saved them more money than any firm that ever started business in Charlottetown.

I am glad you are buying your Furnishings and Carpets from men you can depend on. They won't misrepresent an article to make a sale.

You spoke about me recommending anyone who might want a Carpet to trade there. It would be impossible for me to tell anyone who has not already heard of Messrs. Prowse Bros. & Co. Why, your sisters, your cousins and your aunts all trade there.

They say their store is like a fair on market days. Crowds of thankful buyers are found pressing their way up to the counters to have a share in the bargains which they daily offer. Good bye.

From your loving FATHER.
