Griddler Wants Record Straight

"Let's face it, the only time I got onto the field was when I ran out to congratulate Ralph Kurek (Badger fullback) after he scored our first touchdown," von Heimburg said Saturday. "So far as the safety is concerned, my teammate Elmar Enzerus, scored it. The scorer must have been confused — my number is 88 and his is 18."

Von Heimburg, home for a brief holiday, said he was embarrased to receive the plaudits of home town fans for something he didn't do. The safety occurred in the mad scramble late in the fourth quarter as USC, winner by a 42-7 margin, sought to hold off a sensational comeback drive by Wisconsin.
