Toronto Stocks

TORONTO, (CP) — The stock market moved quietly in a narrow range Thursday and ended up about where it started

Base metals showed the most decisive trend, dropping about a point in the index. Seniors closed down in almost a solid line, led by Consolidated Smelters' 75-cent loss. Juniors were slightly easier.

Gains balanced losses fairly evenly at the close in western oils and golds. Uraniums and Bathurst stocks were easier and Manitouwadge issues were ahead pennies.

Uraniums, heavily traded the first three days of the week, drew less interest. Market volume came to only 2,498,000 shares, the lightest in two weeks.

Western oils had some sharp climbs. Peace River Gas and Pacific Pete gained 70 and 60 cents in light turnover, North Canadian hit a 1954 high of $4.50 and Canadian Atlantic gained 5 cents.

Britalta slipped to a yearly low of $2.80 to add to losses earlier in the week and Home Oil lost 30 cents.

Multi Minerals gained .30 cents in junior base metals after favorable property reports and Quebec Metallurgical was strong. Golds were strong in Lake Shore, McIntyre and Cochenour but Campbell Red Lake dropped 50 cents.

Lorado featured uraniums, turning over 366,000 shares and recovering for a two-cent loss on the day after being down 18 cents at one point. Most other uraniums also ended pennies lower.
