

Whites Whip Airmen Three Straight To Take Big Lead

The Basilica Youth Club Whites took a commanding lead in the battle for the Island Volleyball title at the Y.M.C.A. last night when they trounced Summerside R.C.A.F. in three straight games. The youth club need only one more victory to take the best-of-seven series. The Whites won the first two games by 15-10 scores and copped the third 15-9.

The youth club rolled to a big 13-4 lead in the finale but watched the airmen gradually catch up until the scoreboard read 14-9. The airmen flubbed a return of a B.Y.C. serve and that did it. The remaining game or games will be played at Summerside Sunday afternoon. Charlie Ryan handled the games from behind a 7-1 deficit to score 9 straight points and coast in the 10-7 lead.

OVER HEBENTON

Glen Hall Cops Calder Trophy

MONTREAL (CP)—Glenn Hall, goalie for Detroit Red Wings, was announced Thursday as the outstanding rookie in the National Hockey League for the 1955-56 season.

In the voting by hockey writers, broadcasters and telecasters, the 24-year-old netminder received 99 of a possible 160 points. Closest were Andy Hebenton of New York Rangers, with 64 points, and Henri (Pocket Rocket) Richard of Montreal Canadiens, with 63.

Hall receives the Calder Memorial Trophy, which goes to the player chosen as "most proficient in his first year of competition." He was named goalie for the second all-star NHL team.

Hall, a native of Humboldt, Sask., came up through the Red Wings' farm system. He turned professional with the Indianapolis Caps of the American Hockey League in the 1951-52 season after playing with the Windsor (Ont.) Spitfires juniors. The next three seasons he was with Edmonton Flyers of the Western Hockey League.

SEVENTH GOALIE NAMED

He became the Wings' regular goalie for the season just past when Terry Sawchuk was traded to Boston Bruins. Sawchuk won the rookie award in 1950-51, his first season with the Wings.

Hall is the seventh goalie to win the rookie award in 24 seasons. The others are Sawchuk, Lorne Worsley, Jack Gelineau, Frank McCool, Frank Brimsek and Mike Karakas.

Players who received more than a scattering of votes included Hec Lalonde, Chicago, 29; Hank Ciesla, Chicago, 27; Dick Duff, Toronto, 23.

In the mid-season voting Hall received 48 points, and 51 in the second half. Hebenton was highest vote-getter in the second half, with 54, but had only 10 in the first half. Richard had 44 in the first half but only 19 in the second half.

KEEP HOPES ALIVE

Baby Habs Tie Marlboros 3-3

MONTREAL (CP)—Montreal Junior Canadiens Thursday night kept their hopes of a title alive by fighting to a 3-3 overtime tie with the Toronto Marlboros in the fifth game of the eastern Canada Memorial Cup playoffs. The Marlboros still hold a 3-1 edge in the seven-game series but cannot win it until they count eight points.

The Canadiens were forced to come from behind three times during the hard-checking contest. Canadiens forward Mike Lagace was the life-saver in the match. He rolled a puck past Len Broderick at 18:17 of the final frame to tie the score 3-3.

Gary Collins opened the scoring for Toronto at 5:33 and Canadiens evened the count as Ralph Backstrom slapped a six-footer past Broderick.

Toronto then moved a point ahead as Bob Nevins scored on a screened shot. Bob Boucher was the second Canadian to knot the count at 3:51 in the second stanza. Bill Kennedy notched the final goal for Marlboros at 12:50 of the second.

80. Donald A. Campbell, Dartmouth, N.S., 3:36:06

BLIND BOWLERS HOLD BANQUET

Lions T. L. FitzGerald, representing the Lions Club of Charlottetown, presents the Lions Challenge Trophy to Doris Carr, who was the bowler who showed the most improvement during regular play in the Blind Bowlers Candlepin League which was completed Monday. The trophy was presented at a banquet of the league held last night at the Old Spain Blue Room. Others in the picture are George Haynes, president of the Friendship Club of the Blind and Phil Bower, field representative of the C.N.I.B.

Miss Carr topped her average from 60 in the 1954-55 season to 67. Edgard Doucette compiled the best average for the league at 76 and scored the high single for the year with a 99 and high single in the five-pin league with 245. In brief remarks following the completion of a delicious serving of roast chicken Mr. Bower, acting as chairman, said that all but one of the bowlers showed marked improvement over last season and was confident that the averages would improve even more next year. He also thanked the Lions Club for their support and the interest they have shown in the league. Mr. FitzGerald said that the club was only too happy to help the league in every way possible and that next year they will have more trophies for the individual bowlers. Mr. Haynes also thanked the Lions Club. The banquet opened with O Canada and closed with The Queen. Following the banquet a sing-song was held with Mr. Harold Woods accompanying on the piano.

ORIOLES, TRIBE, YANKS LOSE

Pitchers' Day In A.L. As Bosox, Chisox, Nats Win

By THE ASSOCIATED PRESS Chicago's Jack Harshman and Cleveland's young Herb Score tangled in a nip of a pitchers' battle, each allowing only two hits, with the White Sox squeezing out a hitless run to win 1-0 Thursday for a sweep of the opening series between the two American League pennant threats.

It was a day of great pitching in the A.L. Tom Brewer tossed a two-hitter for Boston, beating Baltimore 4-2 as the unbeaten Red Sox made it three straight over the Orioles. The White Sox are 2-0. Kansas City, also 2-0, beat Detroit 4-1 on Bobby Shantz's five-hitter.

And veteran Chuck Stobbs set down New York 7-3 on seven hits as Washington jettisoned ex-teammate Maury McDermott for homers by Jim Lemon and Ed Fitzgerald in the Senators' first success after two defeats by the Yankees.

In the National League, Milwaukee remained unbeaten, knocking off Chicago Cubs as a second batter, while Pittsburgh handed New York Giants their first defeat 3-2. Brooklyn Dodgers got rolling, clipping Philadelphia 5-4 in 10 innings in their second "home" opener at Jersey City. Cincinnati, pushed along by Ray Jablonski's grand slammer, outlasted St. Louis in a home run derby 10-9 in 10 innings.

Howard in form
Elston Howard was the only Yank to give Stobbs trouble, hitting a home run and two singles. Roy Sievers singled two runs home off McDermott in the first with Lemon and FitzGerald powering their clinching homers in the

fourth. Yogi Berra, who reached base safely his first nine times at bat for the Yanks, went 0-for-4. Wes Covington's pinch single broke up a 1-1 tie for the Braves in the seventh off loser Warren Hacker. Covington batted for winner Bob Buhl, who gave the Cubs their first 1956 run in the fourth, then tied it with a RBI double in the fifth.

Pinch-hitter Rube Walker lifted a sacrifice fly to win for the Dodgers' Roy Campanella's double. Buhl, who struck out five, got Al Rosen on an infield pop, retired Vic Wertz on a fly and then struck out ex-White Sox outfielder Jim Busby.

Jackie Jensen tripled for Boston's first two runs and Mickey Vernon punched home the tie-breaking pair in the fifth when Dave Pope lost the ball in the sun. Brewer's wildness set up the Orioles runs, one scoring on Dave Philley's double and the other on an error.

Three of the hits off Shantz were by Roy Boone, but the only damaging blow was Earl Torgeson's homer in the sixth. Five singles off Steve Gromek scored to, as four runs in the fifth.

A bases-loaded single by Wally Pate won for Cincinnati off reliever Ellis Kinder. Pate, Smokey Burgess and Ted Kluszewski also homered for the Redlegs, but it was Jabo's blast that overcame an 8-3 deficit Stan Musial, Wally Moon and Bill Sarni, who got two, homered for the Cards.

Government Launches Anti-Trust Suit Against I.B.C.

NEW YORK (AP)—The government launched a new anti-trust suit against the International Boxing Club Thursday by charging the owners "schemed" to tie up championship fights through exclusive contracts.

Furthermore, the government said, the boxers were kept in the IBC's debt through loans of money for which no interest was asked.

The IBC countered that New York's Madison Square Garden and the Chicago Stadium, the two big arenas figuring in the suit, barely broke even last year, showing that the IBC did not engage in monopolistic price practices.

Federal Judge Sylvester J. Ryan listened for two hours and then adjourned the hearing until 10 a. m. a result, the defendants promoted documents over the weekend. The government charges that the IBC and its owners from June, 1949, to May, 1953, conspired to restrain and monopolize interstate fights in this country.

The case first came up three years ago but the court then ruled that boxing, like baseball, is not interstate business subject to the Sherman-Clayton Act.

A year ago, however, the U.S. Supreme Court overruled the lower court and held that boxing was subject to prosecution on monopoly charges.

Assistant U.S. Attorney William J. Elkins told the court that the IBC sought to extract exclusive contracts from boxers. He said, as Monday. He said he would study documents over the weekend. The government charges that the

All Ranks of the P.E.I. Regt. (17 Recce) will parade at the Charlottetown Armouries on Sunday, 22 Apr 56, at 0945 hrs for the purpose of taking part in the Garrison Church Parade at 1000 hrs and again at 1430 hrs for the Garrison Rehearsal of the Annual Inspection by the G.O.C. Transportation will leave the various centres as follows:

A. H. PEAKE, Lt.-Col. Commanding Officer.

12 CANADIANS FINISH

Finn Breaks Record In Copping Boston Marathon

BOSTON (CP)—Antti Viskari, flying Finn whom many of his countrymen considered not the best of their home-bred distance runners, Thursday ran the fastest marathon in history in winning the 60th Hopkinton-to-Boston race. A spindly, red-haired Canadian, Gordon Dickson of Claresholm, Alta., came in a surprising seventh.

Twenty Canadians from six provinces were among the 162 starters in the race and an even dozen finished before the timekeepers stopped clocking the late arrivals.

Viskari, a 27-year-old army sergeant, with heavily muscled legs and a near-perfect stride, grabbed the lead with about six miles to go after a blistering duel with young Johnny Kelley of Boston and never lost it in the 26-mile, 385-yard run.

The Finn won by more than 100 yards in the record time of two hours, 14 minutes and 14 seconds. Kelley was clocked in 2:14:33, and Eino Oksanen, another Finn, was third about 200 yards behind Kelley with a time of 2:17:56.

Another Canadian who started out strongly but couldn't keep up with the terrific pace of the leaders was George Hillier, Canadian long-distance champion from St. John's, Nfld. Hillier finished 24th in the respectable time of 2:38:30. He is now attending Boston University.

Dickson's time of 2:28:45 was the fastest ever run by a Canadian in the BAA since four-time winner Gerard Cote's 2:22:23-3.5 in 1940 when the St. Hyacinthe runner won the race for the first time.

The only other Canadian to finish among the first 50 was Scottish-born Tom Douglas who came to Toronto two years ago. Douglas finished 45th in 2:52:41.

Noel Mackey, of Dartmouth, N.S. finished 60th in 3:07:55. Joseph Richard of Lancaster, N.B. placed 73rd in 3:25:37, another Dartmouth runner, Donald A. Campbell, was 80th with 3:36:06.

Three Cap de la Madeleine marathoners were among the late finishers. Louis Chabot placed 79th with a time of 3:35:38. Claude Nadeau was 85th in 3:45:43 and Claude Monteforte finished 91st in 3:52:38.

No times were taken for Harry J. Verran, Placentia, Nfld., and Guignard of Cap de la Madeleine, and Marcel Dezuel, of Grand'Mere, Que. HMCS Cornwallis, Halifax, Jean Que.

by Earle MacLeod

Canadians last year spent more money on their cars than they did on food. They spent more on cars than on clothing, furniture and appliances combined. Statistics usually bore me to death which is another way of saying statistics are the toughest reading matter in the world.

But the recent statistics on cars, translated into terms of food and furniture, mean a lot. They mean that a lot of people own cars, that cars have been brought within reach of almost everybody.

There is a motor vehicle in Canada for every 4.5 persons. There are almost 3 1/2 million cars and trucks on the road. That means cars are being spread around pretty evenly.

Here is another way of putting it: there is almost as much invested in motor vehicles in Canada as in all the land, buildings, implements and livestock on all the farms in Canada.

The motor manufacturing business is second only to pulp and paper as the largest employer, and the employer with the largest payroll, in Canada. When you add in selling and distributing of cars, more people are employed than in any other business in Canada.

This, I think, all boils down to the fact that more people can now buy a car. The system of used car and new car teamwork has been important in making this possible. And, to most people, it's good sense to buy a used car from a new-car dealer, because you know he has an established name and reputation to protect.

Here are other reasons why you can buy a used car or truck. Just look at the low-low prices of these used cars and used trucks.

1953 PONTIAC COACH—Radio, heater and defroster, completely repainted—dark green body—light green roof. You'll buy it—once you've tried it at this low price—\$1195.00.

1948 PONTIAC SEDANETTE with radio, heater and defroster—light green—This car is in exceptionally good shape—\$600.

1948 DODGE SEDAN—Black, with new tires last fall—Seeing is believing—yours at \$550.

1955 DODGE 1/2-TON PICKUP with plywood panel van attached, only low mileage—only \$1500.00.

Here is a special BUICK which we used as a Demonstrator, driven only 2000 miles, this car is dark blue—priced to sell at \$2850.00.
