ELECTRIC RAILWAY.—The electric street railway at Halifax will be fully equipped and in operation by September 1st.

CRICKET.—A match game will be played on Saturday afternoon at the Park. Phœnix vs. Cabot. Stumps pitched at 2 o'clock sharp.

AT THE BUTTS.—The inter-maritime match will be shot at Drury Range, St. John, to-morrow. The team to represent Charlottetown left this morning.

THE regular monthly meeting of Port La Joie encampment No 4, I. O. O. F. will be held this evening in Odd-Fellows Hall at 8 o'clock. Confer Pat. Degree.

FROM HALIFAX.—The steamer Fastnet arrived from Halifax at noon to-day, bringing a general cargo. She will leave for Summerside this evening at 7 o'clock.

C. C. C.—The Cabot Cricket Club intend having another all day cricket game on Thursday, June 20th. Members will please take notice and make their arrangements accordingly.

WHEELMEN will meet this evening at 7.30, sharp, at their rooms, Water Street, for a run. After the run a meeting will be held, at which some important matters will be discussed.

THE POLINO.—The steamer Polino left yesterday afternoon about five o'clock for St. John and Sydney with a cargo of cattle and produce. Mrs. F. L. Barr and Mr. Rogers, of Summerside, went as passengers to St. John.

GENTLEMEN who care for being well dressed are asking for the *Tyke* serge which has become so popular. It is a cloth of the highest character and especially sound colors. The registered trade mark "*Tyke*" is stamped on every 2½ yards.

THE PRESS GALLERY.—The Toronto Globe of Saturday last contains an interesting sketch of the press gallery of the House of Commons, Ottawa, and gives likenesses of a number of the past presidents, including Mr. Thomas P. Gorman, a native of this Province.

LECTURE.—The lecture by Mr. J. A. Stansfield in St. Peter's schoolroom last evening was very successful. It will be repeated this evening in St. Paul's schoolroom at 7.30 o'clock, and will be illustrated with lime light views. Admission free. Silver collection at the door.

FIRST OF THE SEASON.—The first strawberry of the season was forwarded to THE EXAMINER to-day by Miss E. E. McKinnon, of the teaching staff of Prince Street School. It was picked by Miss L. Hodgson, one of the pupils in Miss McKinnon's department, while on her way to school this morning.

ANOTHER SEAL.—A seal was to day placed in the basin of the fountain in Queen Square Gardens, where it is attracting considerable attention. The seal was caught at Point Prim by Duncan Kennedy and John Munn, from whom it was purchased by Prowse Brothers who kindly donated it to the Gardens.

THE FISHERIES.—Cod fishing along the eastern part of the Island has thus far been fairly successful. Mackerel have not yet arrived in any great numbers, though a few are being taken in nets in certain sections. Some of the lobster canneries have closed up, while others are still running in full blast. The quality of the lobster this year is reported as being first-class in every respect.

PRINCE OF WALES COLLEGE.—The entrance examination to the Prince of Wales College begins on Tuesday, July 2nd. Following is the time-table:—Tuesday July 2nd 10 to 1, English; 2.30 to 5, History. Wednesday, July 3rd, 9 to 12, Arithmetic; 1.30 to 3.30, Scientific Temperance and Agriculture 3.45 to six, Geography and French. Thursday, July 4th, 9 to 12, Geometry and Algebra; 2 to 4.30, Latin.

WORTH TRYING.—This warm weather it is refreshing to know that the editor of the New York Sun recommends a cup of green or black tea as a thirst extinguisher. A teaspoonful of leaves should be put in a cup of hot water and when this has partially cooled it is fit for use. Alcoholic decoctions are not to be added, the mixture of tea and water alone being sufficient. As the sun gets blamed for a good deal of discomfort prevalent just now, it is interesting to have another Sun coming to our rescue with timely information designed to counteract the deleterious influence of the larger body. The two suns are clearly in conflict and it may be worth while to test by experiment the value of the weapon suggested by the smaller one.

BAPTIST ASSOCIATION.—The P. E. I. Baptist Association will convene this year at Long Creek, commencing Friday, July 5th. Return tickets will be issued Thursday and Friday only from all points of the P. E. Island Railway at one first-class fare, good to return Monday and Tuesday, July 8th and 9th. On Thursday evening before Association a young people's rally will be held, at which a large attendance is earnestly requested. Those expecting to attend the rally on Thursday evening had better communicate with Rev. M. C. Higgins, North River, and teams will be provided at Rocky Point at the 4 o'clock trip from Charlottetown. Those going on Friday can leave Charlottetown in the steamer Southport for McEachern's wharf at 4 o'clock. If going on Thursday, don't fail to notify Rev. M. C. Higgins, North River, or Mr. Philip Foy, Long Creek, and inform them of the fact.

FORTUNE'S FREAKS.—Twenty years ago a young man married one of the smartest young ladies anywhere round, and the young couple seemed to start in life with every prospect of happiness. But the girl was ambitious to be rich, and because she was not was very much dissatisfied. After keeping her husband in a peck of trouble for a time she left him and got a divorce. He went into bankruptcy and she very soon married a wealthy man and rode behind a span in an elegant carriage. To-day the former bankrupt is wealthy and prosperous, has a new wife and a happy home. Every comfort surrounds them. His wife of other days now lives in poverty and has to scrub for the bread she eats. Her husband's wealth, under poor management, shrank to worse than nothing. The roses have gone from her cheeks and light from her eyes. It's as complete a turn round as one ever saw.—Lewiston, Me., Journal.

THE WEATHER.—Moderate south-westerly and westerly winds; fair and warmer.

RESOLUTIONS OF CONDOLENCE.

At the last quarterly meeting of the Methodist Church, Souris, the following resolutions were unanimously adopted:—

Whereas, in the Providence of Almighty God, our late worthy pastor, the Rev. Charles W. Dutcher, has been removed from our midst by death,

Resolved, That we, the members of this Board, at this our first meeting since his decease, record our high esteem for our departed brother's worth as a preacher of righteousness and as a genial Christian gentleman; and while acutely feeling the loss we have sustained in having the ties which bound us together severed, we rejoice that he has entered the home above, that house not made by hands eternal in the heavens.

Resolved, That we extend to the family of the deceased our sincere sympathy in their great sorrow, and trust that they may be comforted with the Divine assurance that they who sow in tears shall reap in joy.

Resolved, That a copy of these resolutions be presented to Mrs. Dutcher, and that a copy be also transmitted to the Press for publication.

THE "Y's" MEETING.—The annual meeting of the "Y's" was held in their parlor last evening. There was a good attendance of members, and the various reports showed the institution to be in a healthy condition. Following is the Treasurer's report:—

There are 33 active members and 16 honorary members. The Flower Mission department, of which Miss Johnson is superintendent, is doing an excellent work. During the year 428 bouquets of cut flowers have been distributed, and 33 glasses of jelly, besides soup, beef, tea, grapes, lemons, &c. A text card was sent with each bouquet, and at Easter the superintendent painted Easter cards to take with the flowers. The Flower Mission also visited the wharves and distributed literature and flowers among the sailors.

The programme of the Prince of Wales' summer movements has been given out. The interest therein on this side of the water will be small, however. It does not include that much talked of trip to Newport, R. I.

RESOLUTION OF CONDOLENCE.

At a special meeting of St. Joseph's Literary Society, Pelly's Cross, held on the 7th inst., the following resolution was moved by Mr. John Bradley, J. P., seconded by Mr. James H. Devereaux, and carried unanimously:

"Whereas, It hath pleased Almighty God in His infinite wisdom to call to his eternal reward our beloved spiritual director, Rev. P. A. McElmeel;

And whereas, The life and growth of this Society is almost entirely due to the efforts put forth in its behalf by our lamented spiritual director, whose presence at the meetings was ever a pleasure, and whose remarks were an interesting and instructive fund of information for its members;

Therefore resolved, That while humbly bowing to the Divine will, we cannot refrain from expressing the natural sorrow we feel at the sudden removal from our midst of our beloved spiritual director, we desire to place on record the deep sense of the loss we have sustained;

Resolved, That we extend to the bereaved father and sorrowing sisters and brothers of our lamented spiritual director, our heartfelt for them in this their hour of sore bereavement;

Resolved, That a copy of this resolution be forwarded to the bereaved ones, and also to the press for publication.

JOHN SMITH, Pres.
MATTHIAS SMITH, Secy.

[In our notice of the rev. gentleman's death, we omitted to note that the above-named Society placed a beautiful floral cross and crown on the casket of their spiritual director before its removal from St. Dunstan's Cathedral for interment at Hope River.—ED.]

THE ORDER OF FORESTERS.

Through the courtesy of Bro. Jas. R. McKee, Court Deputy of Court Avondale, we have received the following interesting facts concerning the Independent Order of Foresters:

During the month of May the number of applications for membership received by the Medical Board was 4,022, of whom 3,611 were accepted, showing an advance of over 500 on the highest number of applications ever received in any one month.

The Surplus Fund of the Order on the 1st of June showed the high total of $1,317,000.

On the 30th of May the corner stone of the Foresters' Temple was laid by his Excellency the Earl of Aberdeen, Governor-General of Canada, in the presence of an immense concourse of Foresters and their friends.

The Temple will be eight stories high, and will be the finest fraternal headquarters on the continent.

The Foresters' year closes on the 30th of June, and in every particular it will be the most prosperous year in the history of the order.

The increase in the surplus has been $360,000.00, and in the membership about 18,000.

For the month of June it is expected that at least 5,000 applications will be received.

During the year new courts have averaged 35 per month.

The Supreme Court will meet at St. Martin's Town Hall, Trafalgar Square, London, England, on the 1st day of August.

The High Court of Ontario will meet at London, Ontario, on the 8th of October.

The High Court of P. E. Island meets in Charlottetown, June 20 and 21. The S. C. R. Oronatyheka is to be here.

Backed by Lord Rosebery, an expedition will soon be undertaken into the entirely unknown country between Tripoli and Alexandria. Here were once the gardens of the Hesperides and here flourished the Greek city and colony of Cyrene, the ruins of which are now about to be excavated.

Nearly everyone needs a good tonic at this season. Hood's Sarsaparilla is the one true tonic and blood purifier.

Modern Invention!

An article of furniture has recently been invented that ought to be a good seller to young widows and parents with marriageable daughters. The device is known as the "engagement sofa," and is only intended for parlors lighted by electricity. A switch is connected with the sofa, so that when two persons sit close together on it the lights go out. Immediately on the persons separating, in case they hear a step, the lights come up again.
