

How It Works

The purpose of this Volunteer Bank is to create a file of names and numbers of people who want to be involved in their university. This is how it works:

1. You must complete the form
2. Drop it off at the desk (in the slot) or at The Barn.
3. We collect and compile them in our computer.
4. A list of interested people under each activity will be given to the heads

Of the particular groups; for example the Biology Executive will receive all the names and numbers of those individuals wanting to get involved in that club.

This is all in the planning stage and hopefully all the bugs and flaws will be worked out. What we need is your support and assistance to make this service a beneficial one. So don't forget to fill out the volunteer file form.
