Security for Shipping.

Sir Wm. Dawson, Prof. Johnson, Messrs. Andrew Allan, Mr. Sanford Fleming, and other gentlemen, interviewed Sir John Macdonald, Sir Hector Langevin, and Hon. Mr. Tupper, a few days ago, and urged the government to commence a re-survey of the Atlantic coast and the Gulf and River St Lawrence for the purpose of securing accurate observations of the currents and tides, with the view of securing greater security to shipping. They reminded the ministers that the British Association, at their session in Montreal in 1884, strongly recommended this course, and that since that date other scientists had drawn attention to the importance of the subject. Sir John promised that the matter should have full and careful consideration.

Diamond Mining.

Sir Frederic Young, K. C. M. G., formerly secretary of the Royal Colonial institute, has been for some time away on his travels. He has lately made the tour of South Africa, of which he gave an instructive account in a lecture before the institute. He says that the Kimberly diamond mines show no sign of giving out. He descended the Bulftontein mine (some 600 feet perpendicular depth into the bowels of the earth—a feat he warns persons of weak nerves against attempting) in a bucket, standing up and holding on like grim death. The multitude of persons employed surprised him. He saw men (white and black) perched at all heights and in all attitudes, some of them in dangerous positions. Indeed accidents are not infrequent, and the hospital attached to the mine, admirably managed by a remarkable woman, Sister Henrietta, is never empty. The De Beers, Kimberley and other mines are alike active, employing thousands of workingmen. He describes the blue stuff in which the diamonds are found. The Portuguese-Indian term compound (a corruption of *campanah* the Italian *campagna*) is applied to the enclosure, in which the workmen live. There they are supplied with all provisions, clothing, utensils, etc.—everything from a tin pot to a blanket. He visited the offices where the "stores" from the washing are laid out, and helped to pick out some diamonds. He managed in a short time to set aside $60,000 worth. A little parcel that he saw realized over $70,000. The political situation as described by Sir F. Young could hardly be characterized as satisfactory.

AT LAST!

A Wonderful Vegetable Discovery That Removes the Terrible Results of Overwork.

A True Invigorator.

Weakness and prostration of the nervous system surely follow that overwork and worry which brings sorrow and suffering to so many Canadian homes. The terrible results of nervous weakness, are seen on every hand. Pains in the back, poor and unrefreshing sleep, lack of appetite dyspepsia, and lost energy and strength, are the first symptoms of more serious and dangerous trouble. This is the way that Paralysis, Paresis and Insanity begin. Do not delay a moment longer, for some time it will be too late to regain your lost health and vitality. Use Paine's Celery Compound now, and the dull eyes will regain their brilliancy, the cheeks will grow rosy, the brain become clear, the nerves strong and steady, your sleep restful and refreshing, appetite good, and health and happiness will take the place of misery and suffering.

A. Sabiston, the well known lithographer of Montreal, writes: "In the summer of 1888 I had to work very hard, and was troubled considerably with insomnia (sleeplessness). I resolved to try your Paine's Celery Compound, and after taking the contents of two bottles, felt like a new man. A good night's rest gave me strength for the duties of the day, and instead of starting out to business in the morning feeling as if I had completed a day's work instead of being about to commence one I started out in good spirits, feeling fresh and strong. My wife and various friends, to whom I recommended the medicine, have been benefited greatly, and in fact 'Paine's Celery Compound is a household word in our family."

$500 REWARD

is offered by the manufacturers of **Dr. Sage's Catarrh Remedy,** for a case of Chronic Nasal Catarrh which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of **Catarrh, "cold in the head," Coryza,** and **Catarrhal Headache.**

Sold by druggists everywhere; 50 cents.

"Untold Agony from Catarrh."

Prof. W. HAUSNER, the famous mesmerist, of *Ithaca, N. Y.*, writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. RUSHING, Esq., *2202 Pine Street, St. Louis, Mo.*, writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh.

ELI ROBBINS, *Runyan P. O., Columbia Co., Pa.*, says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
