CRICKET.—Those members of the Phoenix Cricket Club wishing to take part in the all-day's game on the 24th, should hand their names to either of the following, viz. Messrs W. F. H. Carvell, Harry Weeks or J. M. Sullivan, before Wednesday, if they wish to secure a place in the eleven.

SOME WAR ARTICLES.—We have been shown today some things sent home by A. B. Dillon from South Africa to his parents. They include a Boer bandolier filled with muser cartridges, some expanding bullet, an army biscuit, a Queen's chocolate box, a pair of scissors and other small things. The biscuit is rather uninviting.

GRAND CELEBRATION.—On the Queen's Birthday there is to be a grand Patriotic Celebration at Westville, N. S., with a parade of the militia, societies and school-children. A Royal Salute will be fired, and speeches given, including one from Sir Chas. H. Tupper. Dinner and tea will be served on the ground. A football match will be played. The official opening of the Victoria High School is on the programme.

Trains for the east will, until further notice, leave Charlottetown at 8 a. m. and at 3 p. m. each day. Trains from the east will arrive at 10 a. m. and 4.50 p. m. The mail train from Charlottetown will arrive at Summerside at 9.45 a. m., leave at 9.55 a. m. and arrive at Tignish at 1.10 p. m. The afternoon train from the west will leave Tignish at 3.20 p. m., arrive at Summerside at 6.40 p. m., connect with the boat arriving from Point du Chene and leave Summerside at 7.50 p. m., arriving at Charlottetown at 10.05 p. m. Local time is given.

DRESS REHEARSAL.—Last Saturday night the dress rehearsal of the Boys' Brigade Concert was given. This is undoubtedly one of the better class of concerts. The Brigade, dressed in Highland uniform, look well and perform their movements perfectly. The sword drill and rifle drill will be surprising features and show you what our boys can do. Attend and see the Highlanders rally around the lion flag of Scotland and sing. The tableaux are original in many respects; and the one representing the Island is one of the most excellent ever on our stage. Songs and recitations and music are not lacking. The bagpipes will be there. Who does not love to hear "The Pipes of Lucknow?" It will be given tonight. This is an entertainment that should not be missed and one that will not fall short of high expectations.

A WONDERFUL FIRE EXTINGUISHER.—In the presence of the Chief and other members of the Fire Department and hundreds of spectators, Mr. E. B. Dufort, agent for Prince Edward Island for "Fyricide" (Death to Fire) Extinguisher, gave a successful test. A large box 7 feet high filled with inflammable material, consisting of coal oil tar and pine wood was set on fire and burned fiercely. The flames shot into the air and it seemed an impossibility to extinguish the fire in any way before the box was consumed. One throw of the powerful power extinguished the fire as completely and positively as one could blow out a match. After the test hundreds standing about the Market Square, marvelled at the rapid action of "Fyricide" in putting out the fire. All present expressed their as exceedingly pleased at the result and anticipated a very large sale of this sure and cheap fire protector. A home, store, public building or sea-going vessel when provided with a few tubes of "Fyricide" is proof against a serious conflagration.
