Mrs. Templeton On Visit To Ch'town

Mrs. Charles B. Templeton arrived in the City on Monday evening for a few days' visit with friends before she and her husband continue on to Newfoundland for a mission in St. John's. It was at first thought that Rev. Dr. Templeton would be in Charlottetown this evening, but after completing a two week's successful mission in Fredericton, which saw crowds of 1,000 people of all denominations flock to the arena where the meetings were held, he was obliged to go to Chicago on business.

Mrs. Templeton, who says that she just could not overlook the opportunity of coming to the island which she loves, was for a time since her last visit here, the victim of a throat ailment which completely took away her voice. To one possessed of such a beautiful soprano voice as Mrs. Templeton, this condition was a double misfortune. However the trouble was not of such a serious nature as was first anticipated, and by minor surgery her voice was restored.

New Credit Union Formed

A new Credit Union organization of Federal Government employees came into existence last evening at a large and enthusiastic meeting of prospective members held in the board room of the P. E. Island Credit Union League Ltd. This brings to five the number of such organizations now in full operation in Charlottetown.

On invitation from Mr. George Cheverie, who acted as chairman, Mr. L. J. Corcoran, representing the P. E. Island Credit Union League, addressed the assembly, describing in detail the necessary procedure for the proposed organization to become a going concern. After the meeting had expressed a desire to become organized, a committee was named to follow the prescribed routine. The committee consists of Messrs. J. Conroy, Bruce Wenacott, George Cheverie, Herb Vessey, Hooper Essery, Gordon Ross and Myles MacPherson.

All employees of the Government of Canada in P. E. Island are eligible for membership in the new organization, which will hold a general meeting early in December.

Annual Meeting Of Old Protestant Cemetery Trustees

The annual meeting of the trustees of the old Protestant Cemetery on Elm Avenue was held at the office of The Eastern Trust Company yesterday.

Mr. W. A. Stewart, chairman, occupied the chair, and the business of the past year was considered. According to a Committee of the Board, who had met at the Cemetery a few days earlier, it was found that the Cemetery had been kept in excellent condition during the past season by the Caretaker, and the property as a whole was in good condition.

The upkeep of this Old Cemetery is made possible by annual contributions from the Protestant churches of the City. Here lie buried many of our citizens of prominence, who in the early days contributed to the upbuilding of our City and Province.

Among early records the following appears: "By Royal instructions the site of the cemetery on what is now Elm Avenue was granted to the Rector and Wardens of Charlotte Parish in the Reign of George IV on October 12th, 1826, as a burial ground. In the deed, which was registered on the same date, it is stated 'This parcel of land had long been used as a burial ground'."

On account of its historic interest it was thought advisable to investigate the possibility of having the Historic Sites and Monuments Board of Canada place a suitable plaque at the entrance to the Cemetery, so that citizens and tourists might be given information regarding this historic spot. One of the Trustees was appointed to inquire into this proposal and report to a later meeting of the Trustees. The Board of Trustees is composed of nominees from each of the Protestant Churches contributing to the upkeep of the cemetery. The following officers were elected for the ensuing year: Chairman, W. A. Stewart; Treasurer, G. E. Proctor; Secretary, C. H. Black.

Recalls Experiences In Communist China

Before an audience which filled the B. I. S. Hall to capacity last evening, Rev. Cornelius Pineau, S. J., vividly described the reverses suffered by the church through the systematic suppression instituted by the Communist regime in China under which he and other missionaries were finally denied the privilege of performing their priestly office and eventually suffered expulsion from the country.

"After more than 300 years of missionary work in China we are not disheartened at this setback," said Father Pineau, "and are confident that through the prayers, sacrifice and other assistance of the faithful the work there will be continued by the staunch body of Chinese clergy and people who still survive the onslaught of the insidious forces arrayed against them."

Receives Interesting Letter From England

An interesting letter has been received by Mrs. Frank Murray, Charlottetown, from Mrs. William Cullen, Dovercourt, Essex, England. Mrs. Cullen and her husband, who was born in this Province, spent several years in Charlottetown following the war. Illness forced them to return to England.

Mrs. Cullen also told of spending a week-end in London following the Coronation last June and of visiting Miss Lena McLure, daughter of Mr. and Mrs. W. Chester S. McLure, Charlottetown, and Miss Frances Pendergast, daughter of Mr. and Mrs. James Pendergast, Kensington.

The writer made mention of a flood last winter which engulfed Dovercourt. During the floods the Catholic Church school and parochial house were lost, and it will cost about \$60,000 to replace them. In her letter Mrs. Cullen noted with great interest that Mrs. Murray had been awarded the Coronation Medal as a member of the Catholic Women's League and extended her congratulations.
