Premier Jones Stresses Need For New Ferry

Speaking at the annual meeting of the East Prince Liberal Association held in Summerside last evening, Premier J. Walter Jones referred to the present transportation problems that face this province. He said that "with the two ferries we now have, we cannot continue to get the ever increasing number of tourists to and from the province." He said that within a year or two the present transportation facilities will be far from adequate and he believed that the port of a new boat should be laid, not some time in the future, but now.

Premier Jones in his address paid high tribute to the men in his cabinet who are administering the different departments and outlined the work being done by these departments for the good of the province in general. Referring to the prospects of a federal election in this country, he predicted that it would take place in the fall of 1953. Touching briefly on the recent election held in British Columbia, he said that the inexperienced party which had been elected to power would cost that province so many millions of dollars due to their inexperience that the people would very soon put them out of power.

He expressed his great pleasure at being present at the meeting but said that he did not expect he would be addressing them at the next annual meeting as he expected to be "out of it" by that time. Mr. J. Watson MacNaught, M.P., stated that he was in sympathy with all that Premier Jones had said and in particular with his reference to the matter of transportation. He said that as soon as steel became more available the matter of a special automobile ferry would be looked after.

In dealing with the recent by-election defeats suffered by the Liberal Party, he said that in each case the defeat was caused by a purely local issue and did not in any way indicate a condemnation of the Liberal Party. Mr. W. A. Currie, president of the East Prince Liberal Association, presided at the meeting and in a brief report on the past year's activities stated that it had been a year of general prosperity. He warned, however, that the members should not be lulled into a sense of political security as next year would possibly see some unusual political activity.

Officers Elected
Mr. Currie was re-elected as president of the association and the following vice presidents were all also unanimously re-elected. Third District, P. M. Arsenault; Fourth District, John A. Smith; Fifth District, Donald Baker. Mr. Morley M. Bell was also re-elected as secretary.

The resolutions committee brought in resolutions of confidence in the leadership of the Prime Minister, Rt. Hon. Louis St. Laurent, Premier J. Walter Jones, and the Federal representative, Mr. J. Watson MacNaught. A resolution was passed extending sympathy to Hon. Brooke Claxton and Mrs. Claxton on the death of their son during the past year.

Other speakers who addressed the meeting were J. Gordon MacKay, Frank McNutt, past president of the Association, P. Foley, M. L.A., Hon. Eugene Cullen, minister of industry and natural resources, Hon. C. C. Baker, minister of agriculture, Hon. J. Wilfrid Arsenault, provincial secretary, Hon. Alex. Matheson, minister of health and welfare, Hon. Walter Darby, attorney general, and Senator George H. Barbour.

Mr. Darby in his address stated that from a recent agreement signed by the Provincial Government with the Federal Government, this province, during the coming year, would receive \$3,966,000 as its allotment in lieu of income taxes. He pointed out that under the former arrangement the government had received from the Federal Government \$2,100,000. This, he said, was a lot of money to come into the province from Ottawa.

H. left on Saturday, August 16 for their respective homes after spending the past week in this province where they were house guests of their uncle and aunt, Mr. and Mrs. Daniel Hickox, Burlington, and visited other relatives. They were accompanied by their aunt, Mrs. Mayus Ford and Mrs. Garnet Ford of North Milton, who will be their guests.

A happy afternoon was spent at the home of Mr. and Mrs. Thomas Wigmore, Kensington, when their guests were Rev. George Ayers, Mrs. Hammond Johnson and Mr. and Mrs. L. R. Allen all of Summerside. Mr. Ayers was a resident of Kensington, while minister of the Methodist Church, now United, and Mr. Wigmore and Mr. Allen had plenty to talk about, dating back to the days when they occupied opposing seats in the Provincial Legislature, with the traditional result that outside politics they continue to be the best of friends.

Preliminary Hearing Of Arson Case

Nine witnesses were heard in Summerside yesterday at the preliminary hearing of Wallace Palmer, Borden, charged with arson in connection with a fire last April 14th that caused considerable damage to the Borden Theatre which is owned and managed by the accused.

R. S. Hinton, Q. C., is the presiding magistrate at this hearing in which as many as 40 witnesses may be called by the Crown. Yesterday's hearing was adjourned until September 2nd at 10.30 A. M. Mr. O. C. Campbell, deputy attorney general, is conducting the case for the Crown; Mr. Somerled Traimor is representing the accused; and Mr. Morley Bell is sitting in on the case in the interests of the Department of Justice and the Income Tax Department.

Christina Ramsay, 16, of Borden, the first witness called, told of making plans to go to Conway with the accused to visit relatives. Her younger sister was also going along, and the accused had called at the house on the morning of April 14th and told them he would wait for them in an hour. Roma Ramsay, 12, sister of previous witness told of accused, accompanied by Lloyd Harvey, having picked her and her sister up and driven them to the home of relatives in Conway where they remained and the two men continued to be "out of it" by that time.

Lloyd Harver, Carleton, told of accused calling for him that morning. They went to the theatre where with Elmer Perry, the janitor, they swept and scrubbed up the floor. Witness had gone to the projection room where he sometimes served as projectionist. There he had oiled and checked the machines, and turned power on to test both machines.

Later they went outside and burned dead grass on the theatre grounds. Accused had left for dinner about 11 o'clock and when he returned he assisted in extinguishing the grass fire, and some fence posts that had caught fire near the building.

The doors of the theatre had been closed but it would have been possible for someone to have entered while they were busy burning the grass. He and accused had called for the two young Ramsay girls and left for Conway before noon. When they arrived at their destination they learned of the fire and left immediately on return to Borden.

Mr. John A. Webster, provincial agent for two insurance companies, identified two insurance policies on the theatre and fixtures; one with each company, and in the name of the accused. Each was for \$2,000. Mr. John Rogers, Charlottetown, acting for two other fire insurance companies, identified two other policies in the name of the accused — one for \$2,000 and the other for \$2,500.

Mr. Donald Harper, provincial representative in New Brunswick for Canadian Acceptance Co. Ltd., described an insurance that the accused had on his motion picture equipment. This policy was required by the company to protect the company on the original purchase price of the equipment.

Captain Douglas MacLean, one of the captains on the car ferry at Borden was among the first persons to see smoke coming from the theatre, and had turned in the fire alarm. Mr. Oscar Campbell, chief of the Borden Fire Department, told of responding to the call, and said he thought the fire started either on the floor or ceiling somewhere on the left hand side. No flames were visible until window was broken to get at the fire.

Mr. Lucas Allen, Summerside, told of holding a mortgage on the theatre property, and it was noted by the court, the action Mr. Lucas had taken to protect his loan after the fire. — S.

Mr. and Mrs. Lewis Morrison, Fredericton, N. B., spent several days during the past week with Mrs. Morrison's father, Mr. James Bernard and sister, Miss Goldie Bernard, Kensington.

Mr. George MacLeod and daughter Donna have returned to their home in Freetown after spending a few days at O'Leary, where they were guests of Mr. and Mrs. Sanford Phillips.

Mr. and Mrs. Harris Rideout and daughter Glenna, and Miss Jean Wood, Summerside, were guests on Sunday, August 17th, of Mr. and Mrs. Layton Profit, Burlington.

Mr. and Mrs. Dawson Hooper, Charlottetown, were recent guests of Mrs. Hooper's parents, Mr. and Mrs. Henry Henderson, Margate. Mr. Harvey Lewis, accompanied by her two daughters, Margie and Patricia, left on Monday, August 18th, for her home in Lewisburg, N. E., after an enjoyable visit with friends on P. E. Island. Charlottetown Lady Wins Top Honors At Flower Show

The first annual provincial flower show at Summerside attracted far more interested persons than the large Baptist Church hall could hold last evening and by public demand officials announced last night that the show would be continued today from 8 to 9 P. M., with a sale of flowers from 8 to 9 in the evening.

More than 250 gorgeous flower exhibits were placed in competition by 43 flower gardeners from Tyne Valley to Charlottetown. The exhibits were attractively arranged on tables in accordance with their color and classification, and several persons were heard to exclaim that they had never known that such beauty and variety existed in the flowers grown on Prince Edward Island.

On the basis of total points, the exhibits of Mrs. J. W. McGregor, Charlottetown, won for her the Maurice Mill rose-bowl, with the 1st place win of 45 points. Mr. Hammond Bowness, of Bedeque, placed 2nd with a total of 44 points; and Mr. Albert Baker, Charlottetown, placed 3rd with a total of 43 points.

Mrs. Thane A. Campbell, Summerside, won the Holman silver tray for the best table decoration centre piece. The show opened yesterday morning with registration, arrangement of flowers, and the commencement of the judging. At 3 p. m. an official opening was held with brief remarks from Mayor Henry W. Wedge, Hon. C. C. Baker, Minister of Agriculture, Mr. R. C. Parent, of the Dominion Experimental Station in Charlottetown; and Miss Wanda Wyatt, regent of the Absegweit Chapter of the I. O. D. E. who sponsored this first provincial flower show.

The purpose of the show was to stimulate interest in the growing of flowers and the beautification of property and communities through the growing of flowers and shrubs. This is one more link in the chain of rural and urban beautification, and will bring flower gardeners together in a friendly and informative spirit of flower culture.

An exhibit by the P. E. I. libraries under the charge of Miss Frances MacMillan of the headquarters staff, featured a wide variety of pamphlets and exhibits of gardening books, hints, and help, all of which are available for loan through the libraries. Another display of interest was a model farm house and barn layout which had been assembled by Col. W. E. Johnston, president of the rural beautification organization, with assistance and materials from the Vocational School and the Forest Nursery Division. Colored motion pictures were shown at intervals on subjects relative to gardening and flowers.

and during the afternoon a tea was served from 4 to 6 p. m. In the evening a program consisting of violin solos by Miss Mary Winsor of Boston; piano solos by Mr. Gabriel Chaisson, Summerside High School music teacher; and highland dancing by the Highland Highland Dancers was much enjoyed and appreciated. The prize list showed the following exhibitors, with the number of first, second and third prizes they won listed in order: Hammond Bowness, Bedeque, 6, 4, 6; Albert Baker, Charlottetown, 8, 5, 3; Mrs. J. W. STRANGERS ON A TRAIN AT THE CAPITOL
—The casual meeting of two strangers aboard a passenger train, an everyday occurrence, draws deep shades of dread and suspicion as directed by Alfred Hitchcock in "Strangers on a Train," the new Warner Bros. mystery drama, opening today at the Capitol Theatre.
Farley Granger heads the stellar cast as a young man confronted with a romantic problem until he is approached by a stranger with an unusual offer which subsequently almost costs him his life. On the distasteful side, Ruth Roman is the girl who becomes innocently involved in a murder plot from which she must also extricate the man she loves.

Robert Walker, whose boyish appeal has won him many fans among the femme moviegoers, does a complete turnabout as Bruno, the sinister playboy who uses a disarming smile to disguise a paranoid personality. To get the proper backgrounds, Director Hitchcock took his cast and crew to New York, Washington, D. C. and Danbury, Conn., where scenes were photographed at Pennsylvania Station, the Washington station, Jefferson Memorial, the Capitol Building and Arlington Bridge. Also, an entire side show and carnival, with amusement concessions and accompanying paraphernalia, were erected to key the suspenseful chase sequence for "Strangers on a Train." "Strangers on a Train" features Leo G. Carroll, Patricia Hitchcock and Howard St. John.
