AN ANCIENT COIN.—Mr. Thomas Bustin is the possessor of one of the oldest and most valuable of ancient pieces of money about New Brunswick. A coin shown a Gazette reporter on Thursday bore inscriptions of "Antonius Pius, born 69; Emp. 138; died 161."

The "Long Strike" will be performed this evening, it being the occasion of the company's last appearance for the present.

THE PARKER HOUSE.—We call attention to the excellent chance offered to purchase the well-known Parker House (formerly called the Oakland House), on King Street. There are good stables in connection, and the house is in good repair. The terms are easy. The property will be sold by auction on Tuesday next. Advertisement in another column.

MARRIED AT THE EXHIBITION.—One of the novelties of the Halifax Exhibition was the marriage on the grounds of a young couple from the country. They went to Kentville to be married by Rev. Dr. Ackman. BEER BROS. HARRIS & STEWART, London House. Ch'town, Sept. 29, 1894—dy

PERSONAL. Mr. H. W. Anderson, of the P. E. I. R. is visiting Moncton. Mrs. R. B. Reid, of Alberton, is a guest at Government House.

Mrs. Hayden and child, of Vancouver, B. C., will spend the winter with relatives in Charlottetown.

Mrs. George Webb and family leave by the Northumberland on Sunday afternoon to join Mr. Webb in New York. The city is losing some of its best citizens.

The arrivals at the Queen Hotel yesterday included Mr. and Mrs. W. A. Cameron, Stelleron; Mrs. L. O. Arthur, Chicago; E. J. Philp, Toronto; J. Mails, Boston; Mrs. Costigan, wife of Hon. John Costigan, Minister of Inland Revenue, and Mrs. Landry, wife of Hon. Judge Landry, are to arrive in Charlottetown this evening. They will be the guests of His Honor the Lieutenant-Governor and Mrs. Howlan, at Government House.

Henry M. Stanley and his wife, a foreign correspondent writes, have fallen into the background. One never sees or meets them at any of the smart gatherings. In fact, all Englishmen seem to take rather a pleasure in calling Stanley an out-and-out fraud.

Sardou's income from royalties on his plays in France and other countries is \$150,000 a year. He keeps up three establishments, one in the country, one in Paris and one in Nice, and spends money like a prince.

Mrs. Miller, of Batte City, Mo., spent last night in the city at Mr. B. Toombs', en route from P. E. Island to Montana. Mrs. Miller, who is seventy-two years of age, has during the past few years made, unaccompanied, three trips between P. E. Island and Montana—Moncton Transcript.

GENERAL TELEGRAPHIC NEWS. DUBLIN, Sept. 27.—Wm. O'Brien, M. P., in a speech last evening, declared that unless Lord Rosebery defined the position of the Government in regard to the House of Lords, it was perfectly clear that the coming recess of the parliament would find the Irish party independent in the best sense of the word, and Lord Rosebery would soon cease to be the Premier. The Irish, he said, could not be bought with all the gold in the British Treasury.

WINNIPEG, Sept. 27.—Lord Aberdeen arrived here last night on his first official visit to the prairie province. The governor general, who was accompanied by Lady Aberdeen, arrived by a special train shortly after 8 o'clock. A great crowd thronged the station platform and streets in the vicinity of the station and cheered lustily when their excellencies alighted from their car. A torchlight procession was formed and the vice-regal visitors escorted to government house, the route along which they passed being gayly decorated and brilliantly illuminated. This morning the governor-general visited the city hall, where he was presented with a civic address and made a reply. This afternoon he held an informal reception in the council chamber. Lord and Lady Aberdeen remain here a week.

DENVER, Col., Sept. 27.—A special from Phoenix, Arizona, to the News, gives an account of a rich gold find. A Mexican placer miner, working on the Haasajumps, about thirty-five miles from Phoenix, discovered a rich field that had been turned up by the recent rains. Following it up, he found a pocket from which he took \$2,000 worth of gold. Since then he and two companions have taken out \$6,000. Further search resulted in the discovery of a rich ledge.

LONDON, Sept. 27.—A despatch from St. Petersburg says that the health of the Czar is somewhat improved. His Majesty was out shooting for a short time a few days ago.

THE TROTTER RECORD.—Here is the way the last eight seasons have been clipped off the trotting record since 1880, when Rarus made a mile in 2:11. In the same year Rarus reduced his record to 1:11, while Mand S. cut it down to 1:07, and to 1:04 in 1881. It was not until 1884 that Jay Eye-See reduced it to 1:10, which was lowered to 1:07 the same season by Mand S. and to 1:06 the following year by her. In 1891 Samol cut it down to 1:04, and in 1892 Nancy Hank's scored 1:03. Last year she reduced the record to 1:04, and now Alia makes it 1:03. It has taken fourteen years to lower the record eight seconds, and it is pretty safe to say that the present century is going to make it two minutes flat.

A NEW AND INTERESTING POEM NOW IN THE PRESS.

Will be Ready Early in October. Sent Free to All Parts of Canada.

This interesting poem, relating to the introduction of Diamond Dyes to the monarch and people of an oriental nation, is worth sending for.

The little book minutely describes the work and success achieved by one who was earnestly devoted to his mission. Few commercial travellers of the past or present ever handled a work so successfully and few, indeed, could be found strong enough to resist the bribes and temptations that were placed before the hero of the story. The little book is appropriately illustrated, and will interest old and young.

This book, and other interesting reading matter, will be mailed to any one in Canada who sends a postal card with full post office address, to Wells & Richardson Co., Montreal P. Q.

LETTERS TO THE EDITOR. A COMPLAINT.

Sir,—Thursday during the rush at the Southport Ferry the steamer Southport was engaged towing the schr. George Harold. It seems very strange that this steamer could not be spared to ply on her usual route this week, thereby disappointing many people who would have attended the Exhibition, and yet she could compete against private enterprise, while steamers like the Wm. Aitken and May Queen, built expressly for towing, remain tied to the wharf. The public would like to know the reason why the Boiler is not in commission. If she was ever required, surely it was during the past week.

I am happy as a dead duck. I got a Reefer at Prowse Bros' for \$3.00. I thought it would cost me \$5.50. How they sell so cheap is more than I can understand, but I don't care so long as I can buy cheap.

Then the assortment of Ties, Collars, Braces, Shirts, Underclothing and Gents' Furnishings—why they can fix a fellow up in great style, and the cost is almost nothing. It seems like a dream to me A Coat like mine only \$3.50 at
