THE HYDROGAMEN, OR WATERPROOF ANTI-CONSUMPTIVE.

Manufactured by HAY & CO. SOLES, 35, ANN STREET, N. Y., and at London and Manchester, England.

THE HYDROGAMEN is a valuable discovery, and protecting the form of a shoe, and therefore a preventive of many Lung diseases, without any doctorying whatever. The Hydrogamen is in the form of a sole, and worn inside the boot or shoe. Its indicated character is a powerful antidote to disease.

Ladies may wear the lightest soled boots or shoes in the most inclement weather with impunity; while consumption, or any other disease of the young of our country, may be thwarted by general adoption. They entirely supersede over-shoes, as the latter cause the feet to become cold, and in the multiplying manner, are not as dangerous wear for pedestrians in icy weather, like India rubbers. While the latter cause the feet to appear extremely large, the Hydrogamen, being worn inside the shoe, does not protrude, peculiarly placed inside, does not increase the size of the boot, or causes the foot to appear unity.

To Children it will be found agreeable, warm and healthy, to wear in the coldest or rainiest weather, as the foot cannot become wet, if the Hydrogamen is inserted.

As the Hydrogamen is becoming more known, its use is increasing, and it is now being worn by many in London, Manchester, Birmingham, Liverpool, Glasgow, Leeds, Dublin, Paris, Antwerp, Hamburg, &c. It has sold in the United States more than the number of 1,753,450 pairs of cork soles. This year the number will far surpass that.

Ask the Faculty the opinion of their value as a preventive for COUGHS, COLDS, BRONCHITIS, ASTHMA, and CONSUMPTION.

NOTICE.-The Editor of this Paper makes a very liberal allowance to Jobbers and Wholesale, so that any stockholder can make a fine profit on their sale, and they may be kept in any store, among any class of goods.

For terms, apply to HARGREAV, BRADLEY, & Co. St. Ann's Quay, New York.

The Infallible Remedy!

SIR.-I feel a pleasure and a pride in having brought to the wonderful benefit I have derived by your inestimable Ointment and Pills. For eight years the best of health. The fruit of this cure; large purple blotches came all over my body; in addition to the unpleasant feeling of itching and burning, which affected me in a most distressing manner, it was a misery to me, as well as to all around.-so severely that I felt. I used several Ointments and ointments without the least cessation to my misery. At last, I determined to try your Ointment and Pills; after taking them for a few weeks, a visible improvement took place, and I feel considerably better; in three months, by continuing with your medicines, I was completely cured, and now enjoy the best of health. The truth of this statement is well known here, and is no longer necessary for me to repeat myself.

I am, Sir, yours respectfully, GEO. SINCLAIR.

HOLLOWAY'S PILLS.

ERYSIPELAS OF EIGHT YEARS' DURATION CURED. Copy of a Letter from G. Sinclair, Esq. of Paris, Canada, dated the 18th July, 1854.

To Professor Holloway. Sir.-I feel a pleasure and a pride in having brought to the wonderful benefit I have derived by your inestimable Ointment and Pills. For eight years the best of health. The fruit of this cure; large purple blotches came all over my body; in addition to the unpleasant feeling of itching and burning, which affected me in a most distressing manner, it was a misery to me, as well as to all around.-so severely that I felt. I used several Ointments and ointments without the least cessation to my misery. ULCERS IN THE LEG, REMARKABLE CURE.

Copy of a Letter from Mr. Edward Tomkinson, of Cape Breton, Nova Scotia, dated the 4th May, 1854.

To Professor Holloway. Sir.-My sister, Miss Jane Tomkinson, suffered for a great number of years from a bad leg; in which there were several deeply seated abscesses, and I feel, defying the skill of some of the most eminent of the medical faculty, a variety of remedies were also used unsuccessfully, and it seemed to me that there was not any thing capable of mitigating the agonies she endured. At length, she had recourse to your Ointment and Pills, and after using them for five weeks, she was completely cured, after all other means had failed to afford her the slightest relief. I have no objection to these facts being published, if you feel disposed to make them known.

I remain, Sir, your most obedient servant. Wm. WATSON.

A BAD BREAST CURED WHEN AT DEATH'S DOOR! Copy of a Letter from Mr. Henry Mullen, a Three Rivers, Canada West, dated July 9th, 1854 To Professor Holloway.

Sir.-My wife, most severely after the birth of our last child with a bad breast. There were several lumps in it one as large as a hand; all the Patent Medicines, &c. &c. were used, but they did not do her any good, and she was in a most dangerous state, but it assumed an aspect more frightful than before, and horrible to behold. As a last resource I tried your Ointment and Pills, which she persevered with for seven weeks, at the expiration of that time her breast was almost well; by continuing with your remedies two months, she was completely cured, and we offer you our united thanks for the cure effected. I am, Sir, yours truly, Wm. WATSON.

The Pills should be used conjointly with the Ointment in most of the following cases:-

- Bad Legs Cancers Sore-throats Bad Breasts Cancer and Sift. Scurvies Scalds Boils and Sores Joint Swellings Bone-aches Stomachic Disorders Soft Corns Head-aches Glandular swellings Worms Croupy Coughs Cholera Colic Chee-floot Pills Wounds Chilblains Rheumatism Yaws.
