

One Less at Home.

The charmed circle broken; a dear face Missed day by day from its accustomed place; But, cleansed and saved and perfected by grace,

One more in Heaven!

Our voice of welcome hushed, and evermore One farewell word is spoken; on the shore Where parting comes not, one soul landed more,

One more in Heaven!

A sense of loss that meets us at the gate; Within a place unfiled and desolate; And far away our coming to wait,

One more in Heaven!

Chill as the earth-born mist the thought would rise, And wrap our footsteps round and dim our eyes; But the bright sanbeam darteth from the skies

One more in heaven!

This is not home, where cradled in earthly mold, Our sight of Christ is dim, our love is ill; But there, where face to face we shall behold, Is home and heaven.

One less on earth!

Its pain, its sorrow, and its toil to share; One less the pilgrim's daily cross to bear; One more the crown of ransomed souls to wear,

At home in heaven!

Another thought to brighten cloudy days, Another theme for thankfulness and praise, Another link on high our souls to raise

To home and heaven!

That home where separation cannot be, That home where none are missed eternally Lord Jesus, grant us all a place with Thee,

At home in heaven!

New Map of Europe.

The Liverpool Courier editorially says, among many English papers noticing the same subject:—"The New York Herald the other day mapped out Europe and a great part of the world afresh. This was done upon the strength of an alleged knowledge of the lifelong and dearest secret designs of Prince Bismarck—the utter annihilation of Great Britain. The King of Holland, the last of the line of William the Silent, being about to join his fathers, that country, with Luxembourg, and part of Belgium, is to be absorbed by Germany. France may have a bit of Belgium, but as a geographical entity that country will become a German satrapy, while with Holland will go all the Dutch colonies and coaling stations. Russia is to have Bulgaria and the Eastern Balkans, Austria taking the Western Balkans with Salonica. Simultaneously India will be attacked and all our strong places on the way thereto. In short, the new map shows England, and Italy into the bargain, reduced to the position now held by Holland through a stroke swifter and easier than that which made Louis Napoleon an Emperor. We are not superstitious enough to be alarmed when an American prophet having been given a sensational text, brings to bear upon it a powerful imagination. As the old woman said when the soldier declared he would shoot her, "he is paid for it."

Notice to Contractors.

SEALED TENDERS addressed to the undersigned, and endorsed "Tenders for the Sault Ste. Marie Canal," will be received at this office until the arrival of the eastern and western mails on TUESDAY, the 23rd day of October next, for the formation and construction of a Canal on the Canadian side of the river, through the Island of St. Mary. The works will be let in two sections, one of which will embrace the formation of the canal through the Island, the construction of locks, &c. and the other, the deepening and widening of the channel-way at both ends of the canal, construction of piers, &c. A map of locality, together with plans and specifications of the works, can be seen at this office on and after TUESDAY, the 9th day of October next, where printed forms of tender can also be obtained. A like class of information, relative to the works, can be seen at the office of the Local Officer in the Town of Sault Ste. Marie, Ont.

Intending contractors are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms, and be accompanied by a letter stating that the person or persons tendering have carefully examined the locality and the nature of the material found in the trial pits. In the case of firms, there must be attached the actual signatures of the full name, the nature of the occupation and residence of each member of the same; and further, a BANK DEPOSIT RECEIPT for the sum of \$20,000 must accompany the tender for the canal and locks; and a BANK DEPOSIT RECEIPT for the sum of \$7,500 must accompany the tender for the deepening and widening of the channel-way at both ends, piers, &c. The respective deposit receipts—cheques will not be accepted—must be endorsed over to the Minister of Railways and Canals, and will be forfeited if the party tendering declines entering into contract for the works, at the rates and on the terms stated in the offer submitted. The deposit receipt thus sent in will be returned to the respective parties whose tenders are not accepted. This Department does not, however, bind itself to accept the lowest or any tender. By order, A. P. BRADLEY, Secretary. Department of Railways and Canals, Ottawa, 8th August, 1888. aug17—1w law

\$500 REWARD

is offered by the manufacturer of Dr. Sarg's Catarrh Remedy, for a case of Chronic Nasal Catarrh which they cannot cure.

SYMPTOMS OF CATARRH.—Dull heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid; at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of mucus; the matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing, and healing properties, Dr. Sarg's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal Headache. Sold by druggists everywhere; 50 cents.

"Untold Agon," from Catarrh.

Prof. W. HAUSER, the famous mesmerist, of Ithaca, N. Y., writes: "Some ten years ago I suffered under a chronic catarrh of the nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one that every day, towards night, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sarg's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. RUSHING, Esq., 502 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sarg's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh.

ELI ROBBINS, Rungren P. O., Columbia Co., Pa., says: "My daughter had catarrh when she was five years old, very badly, I saw Dr. Sarg's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
