RETURNS TO UNIVERSITY - Mr. Tanton Landry, son of Mr. and Mrs. Joseph Landry, Ottawa Street, has returned to resume his studies at Sacred Heart University, Bathurst, after spending the Christmas and New Year's holidays with his parents.

GRAND JURY Continued from Page 5

per upbringing of a child of such tender years. The circumstances that made it necessary for this child to be placed in this institution at the time certainly do not exist today.

In the laundry we found an old-fashioned electric socket which is a serious hazard and should be repaired in half an hour. The laundry facilities in this institution we find are totally inadequate, and a suggested remedy will be dealt with later in this report.

We commend the Department of Health and Welfare for the addition of a fire extinguisher system in this institution, as it certainly makes for much safer quarters and lessens the fire hazard to a very great degree. We also commend the Department for the redecoration of the lower floors and the present continuation of same to the upper floors.

We would suggest, however, that in addition to the painting, they procure new linoleum for the floors, as the present floor coverings are badly worn and therefore very difficult to keep clean.

Falconwood Hospital "Our next visit was to Falconwood Hospital, where we were met by the superintendent, Dr. Murchison, and the matron Mrs. Kitchen. This institution has shown many improvements during the past few years, but many more are badly and sorely needed.

The over-crowding, especially in the men's building is something that, if the general public could only see, we feel sure they would insist on an immediate building programme to eliminate same.

We appreciate the fact that any Government will only act as they feel public opinion dictates, and we as your Grand Jurors, in presenting the public in this case, would strongly urge that the Government take immediate steps in the spring to extend facilities of this institution; and we feel sure, regardless of the cost, the good people of this Province will support their action in this respect.

"Some new equipment is needed in the laundry, and should be added with the idea also in mind of having the laundry from the infirmary on Kensington Road, done in this institution either in whole or in part. The installation of a water softener in this laundry would pay for itself in less than four years, and after that show a large reduction in the cost of operation.

County Jail "Our next visit was to the County Jail where Mr. Lloyd Simpson the jailer, was our guide. This building we feel, as Grand Jurors in the past have felt, is entirely unsuitable for the purpose it is supposed to serve. We would suggest that when an opportunity presents itself to the Department of Government con-

cerned, a prison farm be purchased on the outskirts of the City, and a building erected more suitable for present day methods used for the rehabilitation of the different offenders of justice.

"This building has very recently been painted and shows a nice appearance. We understand this painting, and also the sanding of the floors, was done by one of the inmates, and we wish to draw the attention of the Attorney-General to this fact, and hope that some considerable time off be allowed this individual for a very fine job.

"Our next visit was to Beach Grove Inn, where we were met and shown through this institution by Mr. Harry Bonnell and Miss Hume. In Beach Grove Inn we feel the people of this Province have an institution that they have every reason to be proud of. It is really a Home for 166 old people of this Province, who through circumstances beyond their control, have no other abode. The building is modern in every respect, exceptionally well laid out, and efficiently operated. Those responsible for the bringing of this institution into being deserve the thanks of every citizen in this Province.

"As a general recommendation, we, the members of the Grand Jury, view with alarm the ever increasing number of accidents occurring at railway crossings in this Province, and suggest that the Department of Government concerned with highway traffic give serious consideration to an amendment to the Highway Traffic Act whereby it would be made compulsory for all motor vehicles to stop at all railway crossings."

PACIFIC ISLE The Island of Ball in the Malay Archipelago has an area of 2,100 square miles with population of more than 1,000,000.

Extensive search is under way in the Florida Keys for Mrs. George Lemay, 21, above, Montreal beauty, who vanished mysteriously while fishing with her husband, George Lemay, near Miami. Raymond Daoust, prominent Montreal attorney and brother of the missing woman, flew to Miami to find a solution to baffling case. Lemay sold police his wife, clad in shorts and a halter, walked to their car to get a pair of dungarees and he never saw her again. The couple had been vacationing at Miami. Mrs. Lemay, the former Huguette Daoust of Montreal, was a semi-finalist in a "Miss Cinema" beauty contest.

O'Leary Maroons Win Exhibition From S'side 18-10

Last night the O'Leary Maroons played host to a Summerside team managed by Eric Johnson and downed the visiting team by a score of 18-10 in an exhibition hockey game. It was a fast, slick, bang game from the opening whistle but the younger O'Leary boys skated the Summerside team off their feet, scoring two goals in the first period, 12 in the second to the visitors 3 in the first and 7 in the second period.

It was O'Leary only in the third period, chalking up four more to end the game 18-10. The Summerside team will be in Alberton on Friday night to tangle with the Alberton Regals.

cerned, a prison farm be purchased on the outskirts of the City, and a building erected more suitable for present day methods used for the rehabilitation of the different offenders of justice.

"This building has very recently been painted and shows a nice appearance. We understand this painting, and also the sanding of the floors, was done by one of the inmates, and we wish to draw the attention of the Attorney-General to this fact, and hope that some considerable time off be allowed this individual for a very fine job.

Freetown Royals In Top Spot After 12-1 Victory Over S'side High

The Freetown Royals took sole possession of the top rung of the South Shore Hockey League standing last night at the Bedeque Rink when they trounced the Summerside High School by the lopsided score of 12-1. The Freetown boys were more aggressive in the attacking zone than their lighter rivals whose sloppy clearing of loose pucks in front of their cage contributed not a little to the high score against them.

Young Gillis had one of his off nights, although it must be said that the Freetown snipers' shots had a lot of zip and at least half the tallies seemed to pick the off corner. Wally Richards turned in a solid piece of stopping in the Freetown nets, and was perhaps never much better in a fairly lengthy career between the posts.

Edgar Taylor, Robert MacMurdo, top scorer in last year's league, and the Payne brothers did most of the scoring for the winners. Taylor had three goals and three assists, and his solo effort in the middle frame, when he cleverly eluded a defenceman and pulled the goalie out to slap the disk in the open net, was the prettiest play of the night.

MacMurdo chalked up four counters and had a single assist, Verne A. Payne had two goals, and two assists and Elwood Paynter contributed two goals. Prowse Gardiner got the other tally.

For Summerside Darby got the lone counter taking a long forward pass from Vance Harris in the first period to beat Richards with a pretty shot.

Line-ups: Freetown Royals - Goal, W. Richards; defence, A. Waugh, W. Campbell, B. Read, E. Roberts; forwards, C. Mill, R. MacMurdo, E. Taylor, V. Paynter, E. Paynter, D. Roberts, P. Gardiner. Summerside High School - Goal, W. Gillis; defence, L. Schurman, D. Noonan, Campbell; forwards, V. Harris, N. Walker, P. Green, C. MacDonald, J. Whalen, H. Johnston, D. Darby. Referees - Gord Kelly and Doug Crossman.

SUMMARY First Period 1-Freetown, E. Taylor (MacMurdo) 3:37 2-Freetown, E. Taylor (Mill) 4:03 3-Freetown, MacMurdo (Taylor) 7:57 4-Freetown, E. Paynter (Harris) 8:17 5-Summerside High, Darby (Harris) 11:30 6-Freetown, E. Paynter (V. Paynter) 14:26 7-Freetown, MacMurdo (Taylor) 18:20 8-Freetown, MacMurdo (Taylor) 19:34

Penalties - Waugh, E. Paynter, C. Campbell, MacMurdo, Harris, Johnson (for goalie Gillis). Second Period 9-Freetown, Taylor (Paynter) 14:56 10-Freetown, V. Paynter (Mill) 7:01 11-Freetown, MacMurdo (Mill) 8:23 12-Freetown, V. Paynter (Roberts, V. Paynter) 14:23 13-Freetown, Gardiner (Roberts, V. Paynter) 15:42

Ship In Distress Off Vancouver

SAN FRANCISCO Jan. 9 (AP)—The Cygnut III radioed tonight that the 45-man crew of the stricken American freighter Pennsylvania abandoned ship at 4:30 p.m. in the storm-tossed North Pacific.

VANCOUVER, Jan. 9 (CP)—The 7,600-ton American freighter Pennsylvania tonight struggled to survive a wild Pacific storm as rescue vessels plowed toward her. Hurricane winds and smashing seas, combining to punch the hardest blow at the British Columbia coast in four years, tore a 14-foot-long gap in the port side of the freighter early today.

The 46-man crew of the Japan-bound vessel manned the pumps throughout the day and the radio operator sent out a staccato SOS. "Down by head, require aid," the radio message read. "Very high seas. Deck load adrift, taking tarpaulins off forward hatch-cannot get on deck to secure. Winds, tapering off from around 90 miles an hour, still were blowing at a steady 47 m.p.h.

The Pennsylvania, her steering gear out of operation and her cargo shifting, was drifting helplessly about 465 miles northwest of Cape Scott, the northern tip of Vancouver Island.

Alberton and Vicinity

Friends of Mr Thomas Keefe, Mill River, will be sorry to know that he is ill at his home.

A team from the Alberton Curling Club motored to Summerside on Tuesday to take part in the bonspiel at the Summerside Curling Club. The team was skipped by Herbert Matthews. Other members are J. H. Myrick, J. C. Profit and Arthur Wilkie.

Alberton Regals Hockey Club Elects Officers

At a special meeting of the Alberton Regals Hockey Club held last night at Barbour's Service Station, the following officers were elected: President, E. W. Hardy, re-elected. Vice-president, Percy Hardy, re-elected. Treasurer, R. E. McDonald, re-elected. Secretary and manager of the team, J. R. Rochford. Coach, Harvey Hutt, with J. R. Rochford as assistant coach.

It was announced that a game is planned for Friday night with a Summerside team. After further discussion regarding entering a team in intermediate playoffs between Alberton, O'Leary and Tignish the meeting closed.

Clearstone HEARING AID

Here is the ultimate in hearing aid design and engineering. The Clearstone "700" is the closest approach yet to hearing aid perfection. It is the smallest hearing aid ever produced to capture the power of a 22 1/2 volt battery. You'll be amazed to see how very small it is—smaller than ever before thought possible. You will appreciate the clearness and extra power designed to aid the most difficult cases. Now you can hear sounds more clearly... without distortion... without strain. Now you can wear your hearing aid hour after hour easily, comfortably... without fatigue. Match the Clearstone "700" with any hearing aid available today. Put them all to the same tests. You'll agree that the Clearstone "700" outperforms them all.

We carry most all sizes of Batteries and repair most aids. Please send make of Aid and number of Battery when ordering.
