P.W.C. Football Scene

The physical education program is in full swing on the Prince of Wales campus. We traded last weekend for the local college to chat with Earl 'Nick' Nicholson who is the director of the physical fitness program at P.W.C. Nick informed us that this year he will be assisted by Pam Kierstead, a graduate of U.N.B., Archie MacFadden, Bill Mulligan and Jack Sark. Mulligan has been assigned as the Wellington's hockey team when ice-making time calls around. Bill is a third year student at the college. Mulligan was at the helm of last year's hockey and took the team down to the level of a High School Intercollegiate Senior 'A' final where they were nipped 2-1 in the final game on Sept. 13 at the Island Intercollegiate Senior 'A' league.

Mis Kierstead will be handling the girls' basketball team in this year's campaign and Archie MacFadden will be at the helm of the school's football in the Island Intercollegiate Senior 'A' league.

This is football season though and the opening of the Island Intercollegiate league is rapidly approaching. Football fever is running high on the Charlottetown campus. Nick will be head coach of the football crew and he will be assisted by Jack Sark, who performed with St. Mary's Hawks in previous years.

Nicholson is handling the backfielders while Sark will pass on his knowledge to the line-men.

The Wellington were bit hard on their graduation on their football team and things looked pretty gloomy for local collegians in the opening practice days. There were approximately twelve players turned out. Nicholson was beaming yesterday as he told us he had thirty five players out for yesterday's practice session and his only problem was finding enough equipment to go around.

'Ginger' Bredon, Loyal Huggan and Doug Ross, who were all regulars on last year's team, are now at the University of New Brunswick in Fredericton this term. Gordon Stetson, who played a good brand of ball for the P.W.C. squad, has gone to the school career in the Royal Canadian Mounted Police.

It is interesting to note that they were confident that they have the nucleus of a top notch team and are looking forward to coping the provincial championship. The other teams in the top tier: Dunstons, High School, and the other teams, Summerside High School and Montague.

Roger Goss will be the veteran campaigner among the Wellington's club. Two year veterans on the club will include Wayne Schleyer, 'Tuppy' Rogers, and Porky Rogers.

Among the rookies on the club the coach pointed out a 230 pound laid named Oubertson, Toronto, who plays tackle and Nick said he thinks this kid will be a big asset to the club but it was pointed out to us that what they lack in beef they make up for with speed.

There have been no pre-season injuries on the club and Nick and Jack haven't been sparing the charges on the boys. Nicholson said he will be in business at the start of the first of the week as most of the workouts thus far have been devoted to exercises in order to prevent injuries when the going gets rough.

The P.W.C. coach said: "I feel the Summerside High School club will be our toughest opposition in this year's campaign. The defending champion St. Dunstons' squad have been weakened tremendously by graduation and also had to cope with a rostering a team equal to the calibre of last year's championship crew."

We feel that with the enthusiasm running so high among the players and with the talent that is available these P.W.C. lads are going to be mighty hard to discourage in their quest for top honors in the Island Intercollegiate circuit.

Tid Bits From Here And There

A vote of thanks is due to the author of the Realm of Ice column, yesterday. John is related to this columnist, as mentioned, so guess we can excuse him for making us blush in his kind comments. He said that he will be doing the job the way he seems to feel we can. Thanks John!

The P.E.I. middle school champions, Montague, N.B., were they will play a series of games with the Nova Scotia and New Brunswick independent schools. The All-Stars will return to the island on Saturday and the team will return to the island on Monday.

The trip is under the supervision of A. E. Sullivan, manager, and Don Leclair, coach. Mr. Sullivan stated that he felt the trip would prove interesting as he is interested in the Montague squad will be playing in the Island Intercollegiate 'D' baseball championship. The Montague team appeared to show a batting edge in the provincial playoffs which was due to the use of a pitching machine and ret during the season. Some financial assistance was rendered by the town of Georgetown. The team will journey to English Sunday for a doubleheader in a best of five series for the Island Intermediate 'D' baseball championship. The third and fourth games of the series will be played in Georgetown. The fifth game is necessary if it will be started.

The Island Intermediate 'D' softball championship will be at stake this afternoon when the Bonshaw 'Beavers' will tangle with the West Prince of Edward 'Bears'. The All-Stars are leading the best of three series for the island honors by a 4-0 margin. They defeated the Beavers 6-5 in the first game of the series.

The opening of the Maritime baseball tournament will take place this morning at 9:30 a.m. at the Charlottetown stadium. The two Nova Scotian teams will clash in a sudden death contest to decide the Nova Scotia representative.

Heiser Brothers Capture Championship

LUNenburg, N.S. (CP) — Five series at 2-2 by virtue of a 11-9 victory over the Power Kings Wednesday night.

The winners covered the margin in the final game of the series, capturing the championship. The Heiser brothers, who have dominated the senior event over the last several years, had an 18 second margin over the Power Kings in the final game.

Argonauts no Argonauts

By THE CANADIAN PRESS

Montreal Alouettes and Toronto Argonauts are underdogs for their weekend clashes in the Grey Cup football playoffs. The Argonauts are beginning to knit into a solid, tough unit.

OTAWA HAS EDGE

Going into the weekend, Ottawa holds a three-point edge over Montreal and Hamilton, tied for second place with six points. Both squads will be telecast in the East only, with home cities B.C. and C.T.V. handling the other two games.

Upsets have generally been the order of the day since the inception of this year's Grey Cup. Both sides are expected to be propelled then to victories in their first three games of the season.

Argonauts, at home to the Alouettes, Nat (Crash) Craddock, recalled from Portland Sea Hawks of the Atlantic Coast Football League will be inserted into the lineup to replace fullback Dave Hoppman, out by the flu.

Rough Riders have officially proclaimed Craddock's appearance, claiming he is in top condition to play for the Al's without protest.

Jack Gots, newly-acquired from the Saskatchewan Roughriders, will be in the wings as trade bait.

Montreal coach Jim Trimble said he will start young rookie quarterback Jim McLean, but Vernon Cole would probably handle most of the game.

NEW YORK (AP) — Tony Kubek belted a three-run triple and Whitey Ford scattered seven hits as the New York Yankees whipped Kansas City 6-0 and maintained their 41-1 American League lead.

Ford, recording his eighth shutout, won his 15th game against six defeats, striking out his first complete game since July 15.

Kubek's triple came in a four-run second inning that put the game away for the Yankees. Elton Howard started the inning on a double play grounded out by Tony Oliva.

While with Canadiens, Moore scored 292 goals and 386 assists in 706 regular season and playoff games.

Moore led in goals in Long Beach (Calif.), Imlich said.

"I'd like to have him ready to play the all-star game. But his record belongs in it. We won't push him. There's no point. He's a bonus, and he could be a big one."

WANTS TO FIND OUT

Famed Montreal Winger Willineup With Leafs

PETERBOROUGH, Ont. (CP) — Dickie Moore, former left-winger who is now in business at the National Hockey League
