After Dangers of the "Grip."

Boston papers facetiously remark that "La Grippe" is seldom fatal unless you use all the remedies recommended for it." They are correct. The writer fully believes that the end of the poor "grip" victim, if he tried all the patent medicines that have adorned (?) the pages of our leading newspapers as "sure cures for 'La Grippe,'" would be like Mark Twain, who for his famous cold tried every remedy advised by friends, until his stomach became so weak that he began to vomit, and continued until, as he avers, "he was like to throw up his immortal soul." We notice one of the leading advertisers of the day has been conspicuous at this opportune time by the absence of any claim to cure the "grip." They certainly deserve a "chromo," and we feel like giving them a free "ad" for their compassion upon our readers. The more so for the reason that probably more people have used their remedy, that good old family medicine, Johnson's Anodyne Liniment, for this foreign influenza, than all others combined. And why not? Certainly no other will relieve catarrhal colds, coughs, bronchial troubles, or neuralgic pains, as promptly as that same old Anodyne Liniment, and the above are all symptoms or results of La Grippe. Herein lies the real after dangers from this epidemic of influenza; it leaves the mucous membrane linings of the nose, throat and bronchial tubes tender and very susceptable to the catarrh, bronchial troubles and pneumonia, which come with February and March in our northern climate. We shall still pin our faith to a remedy for this after danger which acts promptly to allay inflammation; for therein lies the chief dangers from throat and lung troubles. And surely a remedy that has the friends that Johnson's Anodyne Liniment has, after eighty years trial by a critical public, and has been used for the "grip" more extensively than all the advertised remedies, deserves, as we said, a medal, and has before it we hope a prosperous year as an octogenarian. I. S. Johnson & Co., Boston, Mass., the manufacturers, will send a valuable pamphlet free.

IMPORTANT!

Remarkable Restoration to Health of Well Known Canadians whose Cases were Given up as Incurable.

From the few of the hundreds of letters we have received from those who have been restored to health and strength by the use of that wonderful discovery, Paine's Celery Compound, we make a few extracts. We hope that the thousands of Canadian men and women who are suffering from nervous and wasting diseases, will profit by these true and plain statements of facts.

D. S. Davidson, of Montreal, suffered for years with nervous dyspepsia, pain in his back, and sleeplessness. He tried doctors without relief, was losing flesh rapidly, and had about given up heart when he commenced the use of Paine's Celery Compound. "Now," he says, "I am a new man. I sleep well and my food does not hurt me."

Mr. Jas. Johnson, 302 St. Charles Borromee Street, Montreal, was weak and nervous, had no appetite, and could not rest at night. His nerves were soothed and strengthened by Paine's Celery Compound, and he soon became well and strong.

Annie Gourley, of River Beaudette, P. Q., found the Compound a certain cure for weakness, and now feels as well as she ever did.

A customer of Harrison Bros., druggist, Hamilton, Ont., told them that he was entirely cured of nervous weakness by the use of two bottles of the Compound, after everything else has failed.

The little child of Mrs. G. E. Meredith, 76 D'Arcy St., Toronto, was cured of St. Vitus' Dance by Paine's Celery Compound.

$500 REWARD

is offered by the manufacturers of **Dr. Sage's Catarrh Remedy,** for a case of Chronic Nasal Catarrh which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of **Catarrh, "cold in the head," Coryza,** and **Catarrhal Headache.**

Sold by druggists everywhere; 50 cents.

"Untold Agony from Catarrh."

Prof. W. HAUSNER, the famous mesmerist, of *Ithaca, N. Y.*, writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. RUSHING, Esq., *2902 Pine Street, St. Louis, Mo.*, writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh.

ELI ROBBINS, *Runyan P. O., Columbia Co., Pa.*, says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now thirteen years old and [illegible]
