Important to the Citizens of Prince Edward Island.

The Continental LIFE INSURANCE CO. OF NEW YORK.

Has decided on establishing branches in this place, thus completing its line of branches from California to P. E. Island.

As the reputation of the CONTINENTAL is now WORLD WIDE, to add any argument in support of its ability, and of its claims to public confidence, would be a work of supererogation. The simple fact that it, last year, issued

12,537 POLICIES, the largest number issued by any company in the world is the best guaranty that can be offered of its ability and popularity, and of the public confidence.

The following are a few of the advantages offered by the Continental: PERFECT SECURITY.—The assets of the Company are \$5,475,850!

ONE-THIRD THE PREMIUM may remain unpaid, as a loan on the Policy, (without Note), until cancelled by the dividend or otherwise.

THE COMPANY BEING PURELY MUTUAL all the profits of the business are annually divided among the Policy-holders.

THIRTY DAYS' GRACE allowed on the payments of premiums, and the Policy holds good during that time.

SHOULD ANY PERSON DESIRE to discontinue his Policy, after two years, the Company will take it off his hands, and give a paid-up Policy for the entire amount paid.

ALL POLICIES NON-FORFEITING. No Charge for Policy, Medical Examination, or Stamps.

ALL CLAIMS IN PRINCE EDWARD ISLAND paid in the Island without the claimant having to go to New York. EVERY POLICY-HOLDER is entitled to vote at the Annual Election of Officers, and all are eligible to office.

As the great importance of Life Insurance TO ALL, whether rich or poor, is now universally admitted, any arguments to point out its advantages would be superfluous. The patronage of the Public of P. E. Island is therefore respectfully solicited.

JUSTUS LAWRENCE, President. J. F. ROBERTS, Secretary. WAGNER.—Competent and reliable gentlemen as Agents, at Summerside and Georgetown.—Also a few intelligent and energetic men as Solicitors in this place with whom liberal arrangements will be made.

JAMES McDONNELL, Manager for P. E. Island. The Manager can, for the present, be found at the office of the Messrs Carvell. Ch'town, P. E. I., July 31, 1871.—6i

GRINDSTONES! 100 BEST QUALITY GRINDSTONES, CHEAP.

A. A. BALDWIN & CO. July 31.

To the Farmers of P. E. Island. THE Subscribers would respectfully inform the FARMERS that they have now received a good stock of the far-famed BUCKEYE Mowing & Reaping Machines,

with a material and very important improvement in the style and finish of the Machines, and particularly in their Patent Tiling Table, which enables the driver to raise or fall the Platform, to pass obstructions, or depress it, so as to cut the damaged or broken-down grain and chaff, which no other Machine has been able to do, and is really a great improvement. We have also added valuable guards to the Reaper Table, with steel plates, and placed the guards below the table instead of on the top, thereby enabling the Machine to cut down to the ground when necessary. We also expect to receive this week a large lot of the new improved

Wheel Horse Rakes. We also have the old style Set Table Platform, the same as last year, at lower prices; and we feel confident we can now offer to the Farmers the most perfect REAPER ever offered to the public. Please call and examine them for yourselves before purchasing elsewhere, as we feel sure that the Farmers will appreciate the improvements and will easily decide on their great superiority over any other Machine now offering in the market. The Machines are all warranted to do their work well, and to be perfect in every respect. We have also a few TEDDING MACHINES and CULTIVATORS, which we shall offer at very low prices. These Machines can be seen and examined at our different Agencies in this Province, who are empowered to sell and deliver the same. We shall also have a few Machines to sell as Mowers only.

The following is a list of the names of our Agents:

HON. GEORGE W. HOWLAND, Alberton. RICHARD HUNT, Summerside. DOUGLAS & ROGERS, Charlottetown. W. B. ALLIN, Charlottetown. RICHARD J. & DENIS CLARK, Orwell. McDONALD BROTHERS, Montague. AND M. ANNAN, Bridges. MESSRS. McDONNAD, Georgetown. C. C. CARLETON, Souris.
