

**CAMERA CLUB CHOICE**

The Charlottetown Camera Club met last Monday evening at the Y.M.C.A. with members of the Montague Camera Club as their welcome guests. Mr. Vic Pepler of Montague judged the Class A competition "Animals or Pets". Winning all the honors were Claude Mackay's very excellent cat portraits which many visitors admired at the recent salon of photography.

Another trouble shooting panel—Roland Taylor, Vic Pepler and Bob Donnelly with George Lewis as moderator—offered solutions to a number of problems submitted by the group.

"35 Mm. Cameras" was the subject of a talk by Vic Pepler. This dealt with their advantages and limitations, accessories, and also the technique of processing 35mm. films.

A photographic contest of the multiple choice type was conducted by George Lewis. This ended in a 3-way tie which a tie-breaking contest also failed to decide. Lots were finally drawn, Vic Pepler and Mrs. Don MacQuarrie being the lucky couple. A scrambled letter photographic contest put on by Roland Taylor proved to be a real teaser. This was also won by Mrs. MacQuarrie and Vic Pepler.

A delicious lunch was served by a committee under the direction of Marion Dockendorff.

**TRIBUTES**  
(Dedicated to)

Roderick MacDonald, M.D. We now salute a famous man born in the days of yore

That harks its way to May 16, in eighteen fifty four. When he first saw the light of life across his cradle smile—in old Mr. Stewart's pleasant vale, on our Prince Edward Isle.

He is of Scottish kith and kin and with a famous name—that reaches out to every land in honor and in fame;

From coast to coast and Gulf to pole and out to Europe's shore—This man of science and of God, is one whom we adore.

He is a native of our soil and friend of every home—From Charlottetown to Souris East and out to Bayfield's foam;

Bay Fortune and Peake's Station—Dundas and old Morel—Scottford and our St. Peter's the place in which he dwells.

So here's a toast to Rod MacDonald at age of ninety eight. A doctor of superb physique and reputation great;

Who loves the people of our Isle—and they in turn love him—Because of babes brought to this world of every kith and kin.

And other kindness of his life that he on all bestowed—When we were sick and worldly weak and debts to him were owed;

He braved the storms to answer calls and gave his fullest aid—To those in need of his assist—regardless of being paid.

Such men are few and far between and rarely to be found—With caliber and competence and kindness that abound;

In memories of the far and near that give him so much fame—That he is in the Hall of Greats in effort, deed and name.

So let us sing with one accord the song for this event—To one who lives and works with us in energy well spent;

Across the century span of years as memories we review—And sing the song of every heart in happiness to you.

Peter A. Reilly, Boston, Mass.

Mrs. Lillian Livingstone, Grade VII and VIII teacher at Parkdale visited her home in Hopeville over the week-end.

The "Charles E. Dunning" started on her schedule run between Wood Islands and Caribou on May 5th, but due to blasting at the pier at Wood Islands she was recalled for a few days. Dur-

ing this period she will go on the slip for repairs. The Prince Nova is running on her summer schedule making three trips daily to make up for the absence of the Mrs. Lloyd Wheeler and daughter Betty have again moved to Caribou for the summer months, while her husband is employed on the Charles E. Dunning.

Sincere sympathy goes out to the family of the late Mr. Andrew Bell of Abney whose death came so suddenly on Sunday.

The many friends of Robert White are so glad to know that he is at his home in Wood Islands East from the Provincial Sanatorium, completely recovered.

The roads here are very rough. The road maintainer is badly needed. As there is so much traf-

fic now to and from the Wood Island Ferry and the fishermen going back and forth. Loads of potatoes have been seen going to the Ferry and large loads of coal returning. It is hoped that the road scraper will soon get to this main thoroughfare again.

Best wishes are extended to Mr. Norman E. Stewart, son of Mr. and Mrs. Norman Stewart, High Bank, who has been transferred to a branch of the Bank of Nova Scotia in Calgary after being employed in the Bank in Charlottetown for 3 1/2 years. Norman spent a short vacation with his parents in High Bank and left for Calgary a week ago on Monday. Best wishes and success follow you Norman in your new field of service.
