

Islanders Win Major League Opener 2-1

Come From Behind In Third Period To Shade Sydney Millionaires

The Charlottetown Islanders sparked by the brilliant goaltending of Roger Bessette, came from behind last night to shade the Sydney Millionaires 2-1 before a crowd of more than 1,600 fans in the opening game of the Maritime Major Hockey League at the Forum.

Winger Paul Saindon, who saw two weeks' service with the Islanders here two years ago, fired the winning goal on a breakaway after picking up coach Wes "Bucko" Trainor's pass off the boards at centre ice. The goal was scored at the 16:47 mark of the third period.

Saindon's goal broke up a closely contested game. The players on both squads, playing for their positions, displayed plenty of hustle in the spirited contest. The warm night, however, made the ice sticky and the puck difficult to handle.

Bessette in the Islanders cage turned in an outstanding chore in the nets. In the third period alone he turned aside nine goal-bound shots during the first nine minutes as he almost single-handedly held the Moneybags from adding to their scoring totals.

A Sydney product, Stan MacDougall, fired the Moneybags' only goal to spoil Bessette's bid for a shutout. He took a pass from Kubique and Charlie Marshall to whack home a 15 footer seconds after the opening of the second period.

Big Larry Blackburn put the Islanders back on even footing with the visitors a little over five minutes later as he drilled home a screeching blue-line slap shot following a face-off in the Sydney end. Whitlock drew an assist on the play.

Sydney forced the play during the first half of the third session. Led by the line of LaCroix, Beupre and Gust, they swarmed around the Islanders cage only to be turned back at the door step by Bessette.

Scores Winning Goal

The Islanders had just finished killing off Gus Gustavson's minor penalty when Saindon struck for his game winning goal. With Sydney forcing in the Islanders zone, Trainor trapped the puck in the left hand corner and fired the disc up over the blue-line.

Saindon streaked out of the Islanders zone and beat the Moneybags to the puck. He whipped in on Boisvert and drew the Sydney netminder before showing the disc into the twines.

The Millionaires shot the works to get back in the game but the Islanders clung to their checks and throttled the visitors scoring attempts. With 20 seconds left Terry Reardon drew his goalie in.

Finds Canada Can Afford Big-Time Pro Football

CHICAGO, (CP) — Canada is proving it can afford big-time professional football on a scale comparable to that of the United States, Chicago Tribune sports writer Edward Prell says in a four-article survey of the Canadian game.

"The sport now is on such a sturdy foundation that the clubs are in general agreement they want to continue to meet with the National Football League, which would eliminate wild bidding for American stars," Prell writes.

"The Canadians — have learned that bulging gate receipts induced by the imports make it financially feasible to bid for them. Two years ago they weren't so sure."

Prell visited Montreal and Winnipeg, saw a couple of games and talked with numerous coaches and players of Big Four and Western Conference teams. He writes that when an American first sees a Canadian fight he gets "the impression he is looking at the action through a magnifying glass." In comparison, football in the U. S. is played "on a pygmy area."

Big Gridiron

He explains that Canadian gridirons, including end zones, are 65 by 160 yards, or 10,400 square yards, as compared with 120 by 33 1/2 yards, or 6,400 square yards, in the U. S.

Prell's articles generally are complimentary to the Canadian game and note that most U. S. experts who join Canadian teams get to like the brand of football played.

Prell says Canadian-players are not underpaid and that many of

them rival or surpass the American imports in both skill and salary. He quotes coach George Trafford of the Winnipeg Blue Bombers as saying:

"Don't get the idea these Canadian boys are pushovers. This Kwong, Normie Kwong of Edmonton is out of this world. Edmonton has a great kicker, Rod Pantages, and he's one of the highest salaries players in the conference. They've got a lot of tough linemen up here, too."

Olson Favored To Win Over Randy Turpin

By JACK HAND
NEW YORK, (AP)—What's with Randy Turpin? That's the puzzle for the fight mob trying to stab a winner as odds favoring Bobo Olson hold steady at 11 to 5 in Wednesday's middleweight title bout at Madison Square Garden.

Olson is known quantity. The Hawaiian is a busy, cute fighter without two much wallop. Turpin used to be a rugged, awkward fighter who manhandled Sugar Ray Robinson like he never was handled before. But what is he today?

American managers and trainers, baffled by Turpin's strange training routine, are picking Olson almost to a man.

"Better Fighter," said Whitey Binstein, veteran trainer. "I saw him Olson when he was just a punk kid, boxing Tommy Yarosz. He can do anything the other guy does and keep going all night."

"What do we know about Turpin?" said Harry Stuckevers, manager of Paddy Young who lost to Olson in the American title bout last June. "I've got to lean to Olson. Paddy feels the same way."

Before he left for Paris, J. J. Well, Rocky Marciano's manager, advised: "Pick Olson and don't make a mistake." Irving Cohen, manager of Rocky Graziano, a former middle king, also picks Bobo.

Freddie Brown, veteran corner man, casts a solid dissenting vote. "I like Turpin to knock him out," said Brown. "When he hits him, he'll know he got hit. Young staggered Olson a few times and did nothing about it. Olson is too slow for this fellow. He's a real strong guy."

Hockey Player Loses Left Leg

PAISLEY, Scotland, (CP)— Angus (Gus) Galbraith of South Porcupine, Ont., had his left leg amputated above the knee Monday. He fractured the bone playing for Paisley Pirates of the Scottish Hockey League.

His 18-year-old wife and his mother, Mrs. T. Galbraith who arrived Saturday, were at his side. The 21-year-old ex-junior, in his first season of overseas hockey, was reported "fairly comfortable." Galbraith was married just before leaving South Porcupine, where he played junior hockey last year.

LITTLE SPORT

For Islanders coach Wes "Bucko" Trainor yesterday was quite a day. In the morning he was passing around cigars to celebrate the arrival of a baby daughter in the family and last night he passed around the puck to set up the winning goal for the Islanders' first victory of the season. They say that winning the first game is always a big lift to a coach and they should be doubly so in the case of Trainor who led Paul Saindon to the puck for the deciding goal in the squeaker against the visiting Sydney Millionaires. On both hockey and family counts we extend Bucko congratulations today.

Judging by last night's game Trainor won't have many goaltending problems this season. Roger Bessette looked very capable between the pipes and was the big man in the Islanders victory. He kicked out a lot of hot rubber especially in their third period. Bessette is no stranger in goaltending circles. He has had ten years professional experience in the American Hockey League and also some time in the Quebec League. Last year he played with Sherbrooke and Shawinigan Falls.

For an opener last night's contest contained plenty of action although much of it was unbridled. The boys lacked for nothing in the way of hustle and drive and traded punches for bump with another at every opportunity. The players found the game a tough one due to the fact that the ice was heavy and that they haven't been on skates too long. A number of the Islanders have only been on skates for a few days while Sydney did not commence practicing until Wednesday.

For the second year in a row the Halifax Atlantics will be the team to beat in the League. The Atlantics should be just about as strong as they were last year while at the moment Sydney, Glace Bay and Charlottetown are weaker than they were one year ago. However it's still a bit early to tell how things will shape up. The Islanders, Glace Bay and Sydney will definitely strengthen while there is a possibility that Halifax will be weakened. For one thing the Atlantics ace centre man Billy Watson has refused to sign a Halifax contract reportedly because he wants more money than the Atlantics wish to pay.

Sydney coach Terry Reardon expects to have a couple of new men in his camp within the next day or two. One of these men will be a defenceman. Reardon didn't wish to release any names as he is not sure when the players will check into Sydney and he doesn't want to take any unnecessary chances of losing them. Some arrangement should be made with the manager and Whip Whelan, who were missing from last night's game, were unable to make the trip on account of work. They will be free for the remaining contests.

Although the Carver, Dorrington-Hennessey line didn't figure in the scoring last night they played a big part in the Islanders' victory. The boys played hard two-way hockey and had several good scoring opportunities only to lose out at the goal mouth. Carver showed very good form with plenty of speed and should be quite an asset to the Club once the line begins to click.

The Islanders play tonight in Sydney and will be minus Bob Gray and "Buck" Whitlock. Larry Blackburn may also be missing for Larry was injured in the third period of last night's game but it wasn't known if the injury would be severe enough to keep him on the sidelines. The Islanders new line of Merv Towers, Bill MacPherson and Elwood Ritchie just arrived here last night about two hours before game time. Bob Glushko also came down but wasn't used in the game.

Three local baseball players left yesterday morning for the open spaces of Alberta to find employment in the oil fields of the Golden West. The three are Des Trainor, Elmer MacNeill and Jackie Burke who played with Maritime Central Airways during the past season. All were outstanding on the diamond and played great baseball during the year as M. C. A. went by the Maritimes Intermediate finals against New Waterford.

Ladies Branch Of Ch'town Golf Club Annual Meeting

Mrs. J. W. MacKenzie was elected president of the Ladies' Branch of the Charlottetown Golf Club at the well-attended annual meeting which was held at the Queen Hotel on Thursday evening. Other officers of the incoming executive include: Honorary president, Mrs. T. W. L. Prowse (re-elected); vice-president, Mrs. G. H. Buntain (re-elected); secretary, Mrs. D. G. MacMillan, treasurer, Mrs. Mabel Adams (re-elected).

The following club committees were appointed: House committee: Mrs. M. A. Howatt, Mrs. W. R. MacNeill, Mrs. W. R. Jenkins, Mrs. C. S. C. Trainor. Match committee: Mrs. F. M. Cannon, Mrs. G. G. Wood, Mrs. A. Parker, Mrs. W. A. Beer. Five o'clock match committee: Miss M. MacLellan, Miss Marion Matheson. Handicap committee: Miss Norah Longworth, Mrs. J. S. MacDonald. In the absence of the president, Mrs. A. J. Haslam, Mrs. G. H. Buntain presided and read the president's report which reflected a very successful year. Other reports which were read and adopted included: Treasurer's report, Miss Mabel Adams; house committee, Mrs. J. W. MacKenzie; match committee, Mrs. R. F. Norman; five o'clock match committee, Miss Marjorie Stewart; handicap committee, Miss Norah Longworth; dance committee, Mrs. J. C. Gallant.

Several items of business were discussed, and the meeting voted in favor of having a caterer for the Saturday afternoon teas during the month of June.

President's Report
Following is the President's Report:

"It is again my privilege to present to you a review of the activities of the Ladies Branch of the Charlottetown Golf Club for the 1953 season. I regret very much being inactive for the greater part of the summer, and should like to express my deep appreciation to the vice-president, Mrs. Buntain, and the members of the standing committees for carrying on so efficiently during my absence.

"Although the weather was not always very favourable, we can look back on a very successful golfing year. There has been a noticeable increase in the number of lady playing members, and it is most gratifying to note there has been considerable improvement in the calibre of play. The report of your handicap committee will show more players reduced their handicaps than during the past several seasons.

"The building of the new pro shop and the canteen in the Club House which has long been anticipated was realized this year. This has brought added convenience and presented new problems. The Club House is now being utilized more than ever before and we should look forward to the day when it will be possible to redecorate. Some arrangement should be made with the manager and Whip Whelan to the up-keep and repair of the furniture. It is hoped that some arrangement can be made next year for the storing of oddy carts for players not wishing to leave same in the Pro Shop. For many years the Saturday teas have been a controversial and an ever-increasing problem. A caterer has been suggested by many of the members especially for holidays and weekends. As the only source of reprieve open to the Ladies Branch, it would be most unwise to abandon the Saturday teas without some other solid financial arrangement being made.

"We congratulate Mrs. W. E. Cotton who has won the Club Championship for the fifth consecutive year. Mrs. Cotton has played consistently good golf as has the runner-up Mrs. George Wood. Mrs. Cotton also retained the Dr. Simpson Trophy by again winning the Provincial title in "home and home" matches with the Summerside Golf Club.

"The Maritime Ladies Meet was held at Edmundston, N. B. in July with only one of our members attending. At the annual meeting, Mrs. G. H. Buntain was appointed to the committee to arrange for the Canadian Ladies open meet which is to be held at Dartmouth, N. S. next year. It is hoped that many of our players will avail themselves of the opportunity to attend the open when the top lady golfers of Canada and the United States will compete.

"Mrs. Buntain and I represented the Ladies Branch at the men's executive meetings. We have always as many lady members as men in the club, yet the ladies have no voice in club policy. We feel that our position in this regard should be clarified at the general meeting.

"I should like to express my grateful thanks to the members of the executive, the standing committees, Mr. Dowling, and Mr. and Mrs. MacDonald for their co-operation in all of the pleasant work of office such as making up the program for the year. To the incoming president I offer my congratulations and pledge my continued support for the ensuing year."

Patterson Wins 8-Round Decision

BROOKLYN, (AP) — Undeclared Floyd Patterson of Brooklyn won an unanimous eight-round decision over Wes Bascom, East St. Louis, Ill., Monday night.

Patterson weighed 166½ and Bascom 175½.

Patterson, 19-year-old light heavyweight, won his eighth in a row since turning pro after he won the 1952 Olympic middleweight championship.

Artie Telemaque, 149½, New York, defeated Gerald Fraser, 154½, Halifax in a four-rounder.

Saindon Scores Winning Goal

Paul Saindon (above) scored the winning goal for the Islanders last night as the local team defeated the Sydney Millionaires 2-1 at the Forum.

Saindon, who last year scored 40 goals for St. Hyacinthe in the Quebec Provincial League, scored on a breakaway late in the third period after picking up Bucko Trainor's pass at centre ice.

Sports Forum

Sir,—At a time like this this letter may come to prove that some people are never satisfied with the efforts of the community and its leaders. Be that as it may this letter is directed to the town of Summerside and especially to the five gentlemen who have undertaken the building of a new rink.

The need for a gymnasium in Summerside has long been felt. Mr. Sport Echoes came up with a wonderful suggestion in his column about six months ago. He suggested that if and when a rink was built that a gymnasium be included in it.

It would seem that this would be going to a great deal more expense but actually it would be quite practical as the gymnasium would not require more than 40 feet to be added to the rink, as part of the gymnasium would be beneath the stands at one end. This gymnasium could also be quite profitable because with the construction of a stage, etc. it could be used for many means of entertainment—plays, dancing, concerts, etc.

A gymnasium of this sort would be very welcome at this time as basketball seems to have caught the eye of many of the younger people of Summerside. Badminton has also been quite popular in the past couple of years and who knows boxing might even stage a comeback in Summerside.

I hope that this letter does not come as too much of a joke to the gentlemen concerned and that they will be quite profitable to their arena both in winter and summer.

I am, Sir etc.

Halifax Atlantics In 6-1 Win Over Glace Bay In League Opener

HALIFAX, (CP)—Doug McPhee of Saint John, N.B., led Halifax Atlantics to a 6-1 win over Glace Bay Miners in the opening game of the Maritime Major Hockey League here Monday night by scoring three goals.

A first-game crowd of 3,666 saw the Atlantics outscore Glace Bay 4-1 in the second frame after a scoreless first period. They added two more in the final period.

Big Hugh Campbell, with Halifax last season, scored the lone goal for the Miners on a play with Ryan and Miller in the second period.

Bill Ford, Bob Bowness and Ross Watson tallied Halifax's other goals.

The game was fairly fast. Both teams body-checked heavily and referee Cy Taylor handed out 15 penalties, including eight in a rousing first period that saw McPhee and Ron McKenzie draw majors for fighting.

Eddie d'Aoust was brilliant in the Glace Bay net, turning aside 37 shots. Halifax's Roy McMeekin made 21 stops.

Halifax club officials announced before the game that they have asked the Maritime Amateur Hockey Association and the Canadian Amateur Hockey Association to suspend Billy Watson, Atlantics' team captain, for failing to come to terms.

Line-Up
Glace Bay-Goal: d'Aoust, defence: Amadio, Orvis, White; forwards: Miller, Scatalone, Rochford, Connolly, R. Campbell, H. Campbell, Ryan, Pison, McKenzie.

U. S. National Football League Attendance Up

NEW YORK, (AP) — Bert Bell, commissioner of the National Football League, made his annual report to New York football writers Monday.

He said:
1. Attendance in the first 24 games is 72,000 above that of last year.

2. Salaries are 400 per cent above what they were 10 years ago and can be met only because of added television receipts.

3. Pro football is a "lousy business" with only four of the 12 clubs in the black. "You go to a bank and try to borrow money on it and they'll shut the door in your face."

Bell said attendance is up because of the closeness of the race. He refused to name the four teams which are operating in the black but said "you can guess which ones they are."

A guess would be Detroit Lions, New York Giants, Washington Redskins and Los Angeles Rams.
