MADAME ALBANI, the Montreal cantatrice, has refused an offer of \$2,500 to go there and sing at a concert. An exchange remarks: "People who are not rich, but live as if they were rich, are the least likely ever to become rich." Mr. J. H. G. BROWN, of the firm of W. A. Brown & Co., left for England yesterday, to select the firm's spring stock of dry goods. Mr. HAMILTON, of the Halifax Morning Chronicle, is to become connected with the paper which is to be started in Yarmouth. The steamer "Belcarres" sailed from Liverpool, N. S., on the 4th inst., with a cargo of deals, and over 700 barrels of soap. A PROJECT has been started in Montreal to erect a large printing house, at which all French papers of the Province will be printed. A GENTLEMAN residing in London, G. The following Maritime Province cases were inscribed for hearing at the session of the Supreme Court, at Ottawa, to be held on Tuesday, 20th inst.—Mc Hall vs. Hall, Jenkins vs. Brecken, Edwards vs. Woodworth, Carville vs. Schofield, Edwards vs. St. John, Spurr vs. Albert and Company, Lewin vs. Wilson, Quiddy vs. Van Co. vs. Davidson. MARRIAGES.—Margaret McKenzie died at Father's Grant, Pictou Co., in her 101st year. She came to Pictou from Inverness, Scotland, in 1825. Grand River, N. B., shows a nothing more remarkable than this Annie McGilvray, who died there on Oct. 3rd, at the age of 112 years. The deceased was formerly a resident of Bailey's Brook, Pictou County. CARBON SHOOTING in this city is becoming prevalent. We cannot see the object of the game is tame, and the pigeon is often used as food here. The object of the game is to shoot a pigeon on one of the roofs of the city. Yesterday a boy shot up a wounded pigeon on one of the roofs. His wing was broken and it was unable to perch. What could be more cruel? The Prince of Wales has taken a step towards "pig-on shooting," as a sport, in England. She has succeeded to a certain extent, and instead of the live, the "terra" pigeons will be hereafter used. We trust the authorities here will take steps towards preventing pigeon shooting in the city. INCIDENT.—We regret to learn that Mr. Hooper, of this city, met with a serious accident, yesterday. He was returning from Milton with a small load of wood. On passing Three Mile Run the horse and Mr. Hooper were thrown overboard. He was caught by the lower part of the shafts and dragged a considerable distance along the road. The sleigh passed over him. He was shortly recovered and conveyed to his home. He is now from the accident and exposure are very painful. He suffered much last night, under the care of Dr. Honkirk he will, we hope, be soon enabled to move among his many friends.

DIED. February 8th, Mary Constance, infant daughter of James C. and Emily Daley, aged ten months. At the residence of his son, Chelsea, Mass., on the 3rd inst., Malcolm Patterson, in the 67th year of his age. [The deceased was for many years in the employ of A. Kennedy, Esq., of this city.] At Cavendish, Road, on Dec. 15th, of congestion of the brain, David R. Smith, in the 29th year of his age. [Respecting Mr. Smith's death, the Christian Visitor says:—Our community has been greatly shocked by the sudden death of our beloved brother Smith. He was smitten with congestion of the brain, and, after a few days of intense suffering, was released by death on December 15th. Our departed brother was known to a good many of your readers both in New Brunswick and Nova Scotia, who will doubtless be pained by the intelligence of his death. For their sakes I would say that he died as for many years he had lived—strong in faith resting on the promises of God, and rejoicing in the hope of glory. About 12 years ago, while yet a mere youth, brother Smith was converted and baptized, and united with the church at Cavendish. At the very first he took up his cross and entered with persistent zeal upon the Master's work. A punctual attendant of all the meetings of the church, ever ready to do his part and always to be depended upon. The unanimous testimony of his brethren for twelve years past, and of his pastor for the last six years, is, that his life was one of these rare exhibitions of every-day religion and devoted piety, without a blemish to dishonor the cause which he loved. For several years he was deeply impressed with the conviction that he was called of God to preach the gospel. And his brethren, assured by his earnest and well delivered addresses, and prayers gave him their written endorsement, or license about two years ago. He had spent the last two years studying at Wolfville, and during the past summer was engaged for four months in preaching at Alma, N. B. He closed his labors at Alma with the intention of returning to his studies. Came home to rest a few weeks, when the voice of the Master was heard bidding him to lay down the sword and wear the crown.]
