

The Week at S.D.U.

As soon as the celebrations of the home-coming of our Dominion debating champions were over last week, we had to begin at once to prepare for the mid-term exams. This year these exams were held later than usual since the Easter holidays are later.

The week before last saw the publication of the second issue of Red and White for the year. As it has been in the past, it is a popular magazine for the students, alumni and everyone who is interested in the activities, accomplishments and thinking at St. Dunstan's.

In the field of sports, the playoffs for the intramural championship in hockey has been the most exciting activity in the past week. In the semi-finals, Freshmen and Sophomores won a two-goal series from the Juniors, 8-6. Grade XII eliminated the Seniors in a similar series, 4-2. This brought the Grade XII team and the Freshmen-Sophomores team together in the finals and it has proven to be

one of the closest playoffs in recent years. The winner was to be decided in the best-out-of-three fashion. In the first game, Grade XII seemed to be the superior team when they gained a 5-2 victory over their opponents. But the Freshmen and Sophomores were still not beaten and in the next game they played to a tie which a ten-minute overtime period was unable to break. The combination team were spurred on with a new hope and in this encounter won 1-0. The ice was soft and almost covered with water, but the hockey was of good calibre. The net minding of Eugene MacDonald and Earl MacDonald, the two goalies, was particularly notable in this last game, as it was in the previous ones. Still, neither team has won two games or the equivalent in points and they are tied. That is the situation at present but we will have a winner to announce next week.

On Tuesday evening, the students were privileged to see the performance of the play "The Hound of Heaven" in the auditorium here. The play is a biographical drama, the life of the poet, Francis Thompson. After we had seen it, we could easily realize how much those who saw the play in Charlottetown over a week ago must have enjoyed it. It was a difficult play to stage, but this was done admirably with the facilities that were available.

For some time now there has been a lull in basketball activity. Play was resumed Thursday afternoon when the Saints pounded the P.W.C. gym floor for a 91-34 victory over the home team. With three games to play in the schedule, two with the Airforce and one with the Y.M.C.A., the Saints are leading the Island League. Our Dominion champs, Wally Reid and Allan MacDonald last week were invited to the meetings of the Rotary Club and the GYRO Club. There they delivered the same speeches which awarded them the Dominion debating championship. The members of both Clubs enjoyed the speeches

as much as the audiences and judges in Ottawa. Our annual Retreat begins next Thursday evening and extends to Sunday evening. The Retreat this year will be conducted by Father Stewart of the Society of Jesus, who is at present preaching Lenten sermons at the Basilica. During these three days the students will withdraw from their every-day activities and concentrate on the more valuable and more important aspects of life. Writing the "Week" will be included in the every-day activities just mentioned and so there will be no column next week.

Until the week after next, may we leave you with this thought: He who overcomes by force, hath overcome but half his foe.—(Milton).

From S.D.U. to all of you, health and happiness.

Tignish and Vicinity

With the frequent shifting of the winds the ice around the shores moves in and out almost daily. Fishermen are keeping a sharp lookout for the arrival of seals but to date none have been reported in this territory.

Captain Emanuel S. Gallant of Leoville, who has been ill for some time past, is reported as being still under constant care of the Doctor. The Captain, who for many years was in command of Government dredges in parts of Canada and the United States is being cared for by his daughter-in-law, Mrs. Hubert Gallant, with whom he resides. His friends hope to see him around in the near future.

The snow storms of Friday and Saturday have again filled up the cuttings and though a plow came to the village on Saturday afternoon, nothing was done about opening the highway to Alberton by way of Greenmount and Montrose so what traffic there is from here to Alberton is obliged to go around by Elmsdale, Farmers of Kildare, Greenmount and Kildare Cape who have potatoes ready for market are worrying because of the probable decline in prices which will leave them holding the bag with the potatoes in it, not a pleasant feeling.

Mr. Hubert Gaudet, M.L.A. returned to his home over the weekend from his legislative duties in the Capital. Mr. Gaudet was elected in the last Provincial election as a Progressive Conservative over the sitting member, Mr. Hector Richard, but a substantial majority and no doubt he will be heard from on the floor of the Legislature regarding the wants of this First District of Prince County.

Among the grand old residents of Tignish are Mrs. Josie Boudro, Mrs. Alfred P. Gaudet, Mrs. Sylvain Gaudet, Mrs. Joseph Perry, Mr. and Mrs. Fred Conroy, Mr. Peter M. Chaisson and Mrs. Peter Kinch. These pleasant folks are all in or near the nineties and all are in good health. A chat with any one of them finds them bright and able to recall interesting stories of events which occurred many years ago such as the big Tignish fire of August 31st, 1896, when seventy buildings were destroyed, the loss of schooners Charlie, Lettie, MacKeen, Gray, Gracie M. Parker as well as others which were traders from this port, the many wrecks on North Cape reef, the Sea Cows of olden times, the debating contests in school houses, the winter of the big seal hunt, the hauling of buildings with dozens of teams of horses and other tales of fire-side interest including making of maple sugar in the bush at this time of year. These tales are a memory link between the past and the present and there is humor as well as pathos in them.

During part of the winter we enjoyed the writings of Mr. Pendergast in his "Ring Reminiscences". Big Jim, also familiarly known as Gentleman Jim by his many friends both here and abroad, taught school in and around Minginash in his younger days. He was a splendid athlete and took part in many meets generally winning the top prizes, but his great ability with the padded mitts in Boston and Chelsea rings are recounted by some of our older citizens as being more easily remembered. Gentleman Jim boxed against many outstanding ringsters including the Sullivan Twins, Jack and Mike, Sandy Ferguson, James O'Donnell, George Godfrey, Kid McCoy, Sam Langford and others who were top notchers and he always gave a fine exhibition. For a big man he was fast on his feet while the power behind his punch was something to keep away from.—G. U.

TIGNISH SHORE AND SCHOOL HOME AND SCHOOL

A special Home and School meeting was held on Wednesday of Education Week and was one of the largest meetings ever held at the Shore. Mr. Ben J. Pitre occupied the chair.

The minutes of the previous meeting were read by the secretary, Mrs. Edmond Gaudet, and Mr. J. Arsenault, in presenting his financial report, paid tribute to the pupils for their fine work in helping to pay for the new desks.

As it was Education Week a splendid demonstration was given by the boys of the senior grades, "How a public meeting should be conducted."

Gerard Pitre acted as chairman with Adrien Arsenault at vice-president, Hector Pitre secretary, Hector Arsenault treasurer, and Freddie Arsenault and Carl Gallant as councillors. Adrien Arsenault spoke in French and Carl Gallant in English.

The boys were congratulated for their splendid demonstration by the president and also by Mr. Arthur J. Pitre who also thanked the teacher for his untiring efforts in behalf of the children and adults of Tignish Shore.

Due to road conditions an outside guest speaker could not be obtained and the president invited the teacher to speak on education. Mr. Arsenault delivered an interesting and instructive address on Education Week, which was appreciated by the large number of parents and young people who were present.

The president thanked the teacher for his fine address which he said would not be forgotten for some time.

MacInnis-Rooney Wedding

A wedding of interest to Island friends took place in St. Joseph's Church, Ottawa, on Saturday February 2, when Miss Marie Estelle Rooney, daughter of Mr. Frank Eugene Rooney, Orville Cove, and the late Mr. Rooney became the wife of Mr. Alexander Angus MacInnis, son of Mr. and Mrs. J. P. MacInnis, Summerside.

The ceremony was performed by Rev. Paul Monaghan, O. M. I., rector of St. Joseph's, while the Nuptial Mass was celebrated by Rev. H. F. Dunlop, O. M. I., a personal friend, who also imparted the nuptial blessing. Master James Tierney, cousin of the bride served the mass.

The bride looked lovely in a navy blue suit with coral accessories and wore a corsage of white roses. Mrs. Maurice Tierney was the bride's only attendant and was attired in a navy blue suit with white accessories and wore a corsage of yellow roses. Mr. Maurice Tierney was the groomsmen.

Following the Nuptial Mass, the bridal party breakfasted at Ottawa's "Laocanda," the toast to the bride was proposed by Father Dunlop and responded to by the bridegroom. A reception was held in the afternoon at the home of Mr. and Mrs. Maurice Tierney. Mrs. Tierney presided over the tea cups and was assisted in serving by her daughter, Ann.

The table was centered by the bride's cake which was cut by the bride and bridegroom. Complimentary speeches were made by Messrs. Joseph MacIsaac, Charles Kelly and Cecil Bernard, close friends.

Mr. and Mrs. MacInnis left in the early evening for Ogdensburg, New York, for their honeymoon. Both the bride and bridegroom are former students of St. Dunstan's University, the bridegroom being a member of the graduating class of 1950. The bride is also a graduate of Prince of Wales College. They have taken up residence in Ottawa, at 112 Frank Street.—S.

Successful Play At Kinkora

On Monday, March 17th, large audiences in the afternoon and evening witnessed the presentation of the four-act comedy-drama "A Fisherman's Luck" in Kinkora Hall, by the Kinkora Dramatic Club. The play was directed by Mrs. Henry Trainor, and was a huge success.

"A Fisherman's Luck" is an interesting story of Tom Manly's life and home on the coast of Maine, and is well spiced with comedy and all that makes enjoyable entertainment. The cast was as follows: Tom Manly—Willfred Trainor, William Farren—Earl Carr, James Hammond—Desmond Roberts.

David Morris—Clair Duffy, Silas Kidder—Emmett Trainor, Rev. George Medhurst—Gerald McKenna.

Rose Prescott—Una Trainor, Mrs. Manly—Adelaide Duffy, Ruth Manly—Marion Cairns, Little Nellie—Lois McMahon.

Although some of the cast were making their first appearance on the stage, all performed their roles with a skill and realism that gave evidence of a very thorough training and painstaking preparation, and all received high commendation on their very successful portrayal of their respective parts.

The stage manager was James McKenna, assisted by Mrs. George McMahon, and the costumes and make-up were in charge of Mrs. Maurice Berrigan.

Specialties between the acts were: Solos by Mr. Sabinus McKenna, Miss Rosemary McQuaid, Mr. Sabinus Johnston, and Dr. Zillinski; step-dancing by Mr. Henry Blanchard, and reading by Miss Katherine McMahon. In the afternoon solos by Miss Rosemary McQuaid, Mr. Sabinus Johnston, reading by Miss Katherine McMahon, and step-dancing by Miss Reta Blanchard.

Special music for the play and specialties were supplied by Mrs. W. E. McGuigan and Mr. Sabinus Johnston. These specialties were musical and dancing treats of high quality, and contributed a large share in making complete the entertaining program.

Enjoyable Evening For Korean War Vet.

A very enjoyable evening was spent at the home of Mrs. Russell MacLean, West Point on March 17, when friends and relatives of Sergeant Kenneth MacLean and his wife Joan, gathered from far and near for a surprise party and shower for the young couple on the eve of their departure for the United States.

The evening was pleasantly spent and Kenneth gave interesting descriptions of life in Korea, China, and Japan. They received a number of useful gifts besides a sum of money.

The gifts were opened by Mrs. Gerald Shaw with Mrs. Edison

Smith reading the verses and Marie MacDonald passed the presents to the young couple. The guest of honor thanked his friends on behalf of himself and his wife and took pictures of the group who were gathered at his home. Delicious refreshments were served by the hostess, assisted by Mrs. Edison Smith, Mrs. T. MacDonald, Mrs. T. Dumville, Mrs. F. Stewart, Mrs. Orville Betts and the Misses Marie and Audrey MacDonald.

Sgt. and Mrs. MacLean plan to spend a couple of days in Charlottetown with his father, Mr. Russell MacLean, who is a patient in the Veterans' Hospital, also his sister, Letta, who is a student nurse in Charlottetown, before reporting back to duty on March 19th.
