

Attention Artsies

A seminar will be held in Duffy Ampitheatre. The topic of discussion is the Population Expansion in PEI. Prof. Alactic was hoping to show but when the time came he was rather busy. Instead due to lateness Mrs A. B. Ortion will speak instead.

QUOTE OF THE WEEK

Rubberizing copulation, puts a cap on population.

BUSINESS SOCIETY

We the Ladies Brigade Against Corruption of Young Minds feel that this type of event could have a harmful effect on young innocent minds. Imagine all that partying, mingling, dancing, and drinking going on. Such carryings on! On your

behalf I intend to give up my crusade against the abuse of dew worms that night instead and set up a tea and crumpets table out behind the Barn for your own good.
