

SUDDENLY NO SALARY!

The IMPERIAL SALARY CONTINUANCE PLAN

IMAGINE your household with—suddenly—no income, no salary! Is that what would happen in case of your death?

That first dreadful year after the death of the bread-winner is one of the most difficult a family ever has to face. The customary pay check gone—the future uncertain—face to face with the necessity of making an immediate re-adjustment in all living expenses.

Wouldn't you be glad to know that if anything happened to you, your salary would go on just the same as ever for a full year—so that your dependents could adjust themselves gradually to another scale of living?

The Imperial Life Salary Continuance Policy, providing for the payment to your family of \$100 a month for 12 months after your death calls for a saving on your part of only about 10c a day. It is an admirable supplement to any other insurance you may carry.

SOUVENIR OF YPRES IS RESTORED

(By Capt. W.W. Murray, M.C.)
(Canadian Press Staff Writer)
YPRES, Belgium, July 24—Rummaging among the debris of the crumbling buildings of the war area, Canadians years ago temporarily enriched themselves with "souvenirs." Small trinkets and "objects d'art" found their way into haversacks, to be packed along for a while until they were ditched as superfluous weight. Some, however, found their way to Canada, and of these a number have, during the intervening years, been restored to their former owners.

Registration To Begin Aug. 1st

(C. P. by Guardian's Special Wire)
EDMONTON, July 24—Registration of Alberta citizens, preparatory to payment of basic dividends, is expected to begin Aug. 1. Premier Aberhart announced today after a caucus of Social Credit members of the provincial legislature.

The Premier said registration would start as soon as the necessary forms, now being drafted, could be sent out. Each member will look after the registration in his own constituency, Mr. Aberhart said.

General discussion on registration continued today. The caucus opened yesterday, nearly 50 members attending.

Each bona fide citizen of 21 years of age or over must personally register, Mr. Aberhart said the caucus had decided. Parents will register for members of families under 21. Those eligible for dividends, must be British subjects and resident in Alberta for at least one year.

The Premier has said dividends will be paid within 18 months of the time his government took office, Sept. 3, 1935.

S. A. G. Barnes, Social Credit member of the Alberta legislature for Edmonton, sought unsuccessfully to obtain admittance to the caucus with a delegation of unemployed men.

Mr. Barnes, suspended from the party, criticized Premier Aberhart early this week in a letter and has not attended the caucus.

The delegation sought to tell the members of their demands for increased relief allowances. Mr. Barnes was told the caucus agenda could not be altered to enable the unemployed to address the meeting.

EDMONTON, July 22—(C. P.)—The first issue of prosperity certificates, by which the Alberta Government hopes to keep credit flowing freely throughout the province, will be in certificates of \$1 denomination only. Premier Aberhart said today. The first issue is expected Aug. 1.

The certificates will be redeemed by the government in two years. One-per-cent stamps will be affixed each week by users. The first issue, it has been announced, will be of \$250,000 value. This will pay workers at present working on road projects in several sections of Alberta.

IN MEMORIAM

MRS. ALEXANDER BELL

There passed away at Murray Harbour on the morning of May 6th, 1933. Mrs. Alexander Bell, nee Mary Ellen Hyde. The late Mrs. Bell, who was 72 years of age, had not been in good health for the past two years, but was able to be about until the end. She got up and dressed as usual on the day of her death, and had passed away before eight o'clock.

She leaves seven sons and two daughters, Handford and Robert at Murray Harbour, Orin of Guernsey Cove, Heber of Charlottetown, Joseph of Georgetown, Daniel and Clifford in the United States, and Ruth, Mrs. Earl MacLaren, and Lucy, Mrs. Herbert Smith, both in the U. S. A. One son, Rankin, and one daughter, Minnie, Mrs. Percy LeLachur, both died in 1933. Mrs. Bell's husband died in 1928.

She is also survived by three sisters, Mrs. Reuban Machon of Guernsey Cove, Mrs. Frances Fisher and Mrs. Hatch, both in the United States, and by three brothers, Thomas and Horace Hyde of Murray Harbour and Milton Hyde in the U. S. A. She left 23 grandchildren and one great grandchild.

The funeral was held from her home on the afternoon of May 8th and the services were conducted by her pastor, Rev. T. R. Goudge. Six of her sons, Handford, Robert Orin Heber, Joseph and Daniel, acted as pall bearers. Burial took place in the Murray Harbour cemetery.

A very large number of people attended the funeral, as the deceased always had her home at Murray Harbour and was held in very high esteem by all who knew her.

MRS. ALICE MURRAY

The sudden death, on June 26th, of Mrs. Alice Murray, North Wiltshire was an awful shock and cause of intense sorrow to her host of relatives and friends. The deceased, only 56 years of age, in the prime of life, it might be said, did not enjoy good health for some time, being troubled with headaches, nosebleeds, and high blood pressure and felt herself that she might have a sudden death. She worked hard at housecleaning till supper-time on that fatal day, and suddenly about 5 o'clock she was stricken with apoplexy, and lived less than an hour after the attack.

The deceased, who was a daughter of the late James Wynne, New Haven, married some thirty years ago, the late John Murray, a popular young man of the Wiltshire. This indeed was a happy marriage, and till his sudden death from pneumonia, a few years ago, happiness reigned in that family. The deceased, in the midst of her happiness, was often the recipient of crosses and trials, but she accepted them with a cheerful resignation, knowing that "whom the Lord loveth, He chasteneth." Before she was bereaved of her husband, she had nursed, and followed to the grave two of her sons, one a young man over 20 years of age, another in his teens.

Then her beloved husband, during the cold stormy month of January, was snatched from the home he loved so well, and where he was loved so well, and she was left with a family of young children to face the turbulent storms of life.

And when that grief-stricken family, are suddenly bereft of that dear, kind, Christian mother, that mother whose greatest care was the virtue of her children, that they should be a credit to the church, and to the community in which they live. Knowing her so well, the writer shall refrain from any undue praise of the deceased lady, for it might rather distract from an appraisal of her life. Though sudden her death, it is the universal thought of those who knew her, that she died prepared to go to die. May God console and comfort her bereaved sons and daughters, and have mercy on her soul.

She leaves to mourn four sons and two daughters, Clarence, Eugene, Russell and Joseph; and Mary, Agnes and Jennie. And the following brother and sisters: John in California; William in B. C.; Vincent in Dorchester, Mass.; Gregory in Maine; and Clement in New Haven. Sisters: Mrs. Ed. Cummings, Detroit; Mrs. Cornelius Cahill, Troy; Miss Catherine Wynne, Philadelphia; Mrs. Lloyd Johnson, New Jersey; Sr. M. Vincent dePaul, New York; Mrs. Raymond Carby, New Jersey; and Miss Agnes Wayne, Haverhill.

The number of Mass Cards and Spiritual bouquets, and messages of sympathy received, is too great to send in for publication, but the stricken family are sincerely moved and grateful to those who so kindly thought of them in their sudden bereavement and sorrow.

The funeral took place on Sunday afternoon, June 28th, and was perhaps the largest ever seen in the parish in spite of a downpour of rain. Rev. M. J. Smith, Kinkore was present and officiated in the church and at the organ, while the pastor Fr. Herrell led the choir. The pall-bearers were: Arthur Monaghan, Fred Hagan, Michael Clarkin, Anthony Clarkin, Louis Campbell and Patrick Callaghan.

GENERAL CONDITIONS
(ALL RACES MILE HEATS)
The Charlottetown Race Track is now one of the fastest, best laid out and cared for tracks, and surely the most beautifully situated of any in the Maritime Provinces. A great deal of effort will be made to keep it in apple pie order, all through the period before the races and during the races so that no horse will become unsound or suffer injury and to enable them to make fast time.
Horsemen (providing they are racing exclusively at our meeting) by writing at our expense notifying us of their arrival will be met at the train and their baggage transferred to the ground without cost to them, also taken away without cost to them. Every effort will be made to make the horsemen's stay pleasant and send them away feeling that they have been well treated.
All races to be raced on three heat plan: 10% of each purse will be awarded to the winner. The remainder will be divided into three equal parts, one part to be raced for each heat. In the event of there being three heat winners they shall have a fourth heat to determine the winner.
All purses divided 50, 25, 15 and 10. Entry fee 5%. Five per cent of the money raced for each heat will be deducted from the first and second horses 3% will be deducted from the third horse and 2% from the fourth horse.
Six horses to enter and four to start.
Right reserved to change program, reject any entry, or if entry appears to lay over field to the extent that there is not, in the opinion of the management sufficient competition, then the said entry may be transferred to a Foster Class or entry fee refunded, bar any driver and to declare race off on account of bad weather, or falling to obtain satisfactory number of entries or starters to transfer horses to another class to which they are eligible, reopen or substitute another without advertising, or alter or extend racing dates.

THE FOLLY OF GUESSING
The "eye-guesser" is everywhere. Men and women guess. Children do not bother to do even that. Many guess their eyes need attention, many more that they DON'T. The former guess is more like a FACTS are easily obtained, and should be secured by everyone who is not sure of his vision.
