Welcome to the Political Studies Society News. Okay, so it is not a very original title, but we are working on it.

First, yes, there is a society, or, at least an effort to establish one. Today was election day, and since this is written a few days earlier, the results are unknown. The executive positions up for election were president, vice president, secretary/treasurer and department representative.

Second, there are no solid plans being thrown around yet. The aim of the Society is to provide an opportunity for an informal gathering of political studies majors and minors. There are hopes for some kind of fundraising through sale of t-shirts or hats. There are also plans for a student-faculty get together in October. More details will be available within the next few weeks.

Third, all majors and minors (and prospective ones) are invited to attend the first meeting of the Society this year, on Fri (27th) at 1:30pm in the Political Lounge (Room 401 Main). This will give everyone a chance to meet the executive and meet each other. Hope to see you there!
