Found Drowned. A young Acadian, of Bloomfield, was found drowned in the Mill River on Monday. He was missing for a week. A leaky dory in which he attempted to cross the river by night was the cause of the fatality.

Work on Souris Breakwater. This work is progressing. Yesterday a block was placed successfully in the broken part and ballasted. It is, we understand, the intention of the contractors to repair the break as soon as possible, leaving the placing of the blocks of the slope till later on.

Smashing up the Traps. Last Wednesday, the cruiser Kingfisher made things lively off Chepstow in smashing up lobster traps and seizing articles in connection with the catching business. Capt. Kent took up about 200 traps found set on the fishing grounds below Chepstow. He also seized, at Pope's Factory, three nets and 10 cases of canned lobsters along with some other gear belonging to the concern.
