Allie Carver Scores Ten To Power Flyers Victory

Parkdale Flyers' playing coach Allie Carver went on the scoring spree the likes of which hadn't been seen in Charlottetown for a long time last night at the Sports Arena to ram no less than 10 goals behind a much bewildered and overworked Summerside Aces goaltender to lead the Flyers to a 14—10 victory over the Aces and to put Parkdale into a second place tie with the B. Y. C. in the Island Senior "B" League.

Carver scored all the Flyers markers in the first period which ended with the Aces leading 4—3, hit for two more in the comparitively low scoring second and piled in five more in the third frame which saw a total of 12 goals scored.

Junior MacLeod, Buddy Clark, Bob Hurry and Skip Carver notched the other Parkdale goals.

Mooney Gallant got three for the Aces while Gaudet struck for a pair. MacArthur, Walker, Grady, Harris and Pope all picked up singletons for the Aces.

HAD EVERYTHING

The game had just about everything including a penalty shot, a pair of match-misconduct penalties, two majors some pretty fine hockey at times and at all times the most wide-open brand of hockey seen here in many moons.

Mooney Gallant scored one of his two third period goals on the penalty shot awarded the Aces when Johnny Squarebriggs grabbed a loose puck while it was inside the Parkdale goal crease.

Kip Ready and Vance Harris tangled on the boards early in the second period and were sent off with major penalties for fighting. When they retired to the sin bin they went at it again and this time were rewarded with match misconducts.

Ron MacArthur who also got in on the fun around the penalty box was given a ten-minute misconduct for his part in the fray.

By the time the third period rolled around the two teams had settled down to the business of scoring goals and only one penalty was handed out by referees Gord Kelly and Brian MacCallum: that to Benny Grady of the Aces for holding Allie Carver at 18.06.

Early indications of Carver's manhandling of the Aces were given in the very first frame when he scored three goals before the sixteen minute mark and had been reached to give the Flyers a 3-2 lead. After Pope and Harris had picked up earlier goals for the Aces.

However the Aces finished the first on top 4-3 by virture of two fast markers in the last minute of play by Benny Grady and Mooney Gallant.

ENDS IN TIE

The Flyers came back in the second to outscore Summerside 3-2 to leave the teams all tied up at 6 goals a piece going into the third.

As was the case throughout every period it was Carver leading the attack with two more goals Junior MacLeod broke Carver's monopoly in the goal scoring department with a neat rink length dash at 6.53 after Carver had tied the score with his fourth marker of the night. Neil Walker made the scoreboard read 5-5 at 7.55 and Carver put the Flyers into another lead at 9.21 only to have Gaudet net his first of two 3-minutes later and end the scoring for the period.

The Flyers outscored the Aces 8-4 in the final to rack up their victory.

Ron MacArthur gave the Aces a temporary 7-6 lead at 1.41 but before the 13 minutes mark was reached Allie Carver had struck for three more and Hurry and Clark added singles to give Parkdale a comfortable 4-goal lead. However the Aces wern't dead yet and Gaudet and Mooney Gallant, on a penalty shot brought the Flyers' margin down to 2 goals. Carver made it 3 seconds later and Gallant was back to end the Summerside scoring at 15.36.

It appeared at that stage of the game that both squads had used up their quota of goals for the night but in the last minute of play Allie Carver slapped in his tenth of the night and 3 seconds later helped out brother Skip to notch his first.

Hockey Players Lack Knowledge Of Rules

A couple of recent events in the Island Hockey League have left us pondering an impression we got from Carl Voss on his visit here to conduct the annual hockey school. While he didn't say so in so many words Mr. Voss left us with the thought that he didn't think too much of the average National League hockey player's knowledge of the rules that govern the game. In fact we got the impression that he thought the average player's knowledge very nearly approached the zero mark.

In the past couple of games played in the Island League there have been a couple of occasions in which the players were left wondering why the referees made certain decisions and argued the points despite the fact that they obviously didn't know what they were talking about. The one that comes readily to mind occurred when Allie Carver was given a penalty shot in the last Primrose-Flyers game. Montague goaltender Gene Ward fooled Carver on his attempt and the Flyers immediately began to demand a 2-minute penalty for the offending player George MacDonald.

Now there is a rule that states that if the Penalty shot is not scored then a minor penalty shall be imposed but in this case the Penalty shot had been awarded because MacDonald had fallen on a puck while it was inside the Montague goal crease and this case is covered by an entirely different rule which calls for the Penalty shot only and clearly states that: "No other penalty shall be imposed."

We believe too that the forfeited game and the subsequent suspension imposed on Parkdale's playing Manager Barry Moore would not have occurred had the Flyer's mentor been aware of the seriousness of the offense. The C.A.H.A. takes a very dim view of things like taking a team off the ice and indeed regards it as one of the most serious offenses in the book. Whether Barry will be given the full year's suspension or not will be decided at a meeting of the league executive this week.

Things like delayed penalties and delayed whistles sometimes seem to completely mystify players and fans alike. In that previously mentioned Parkdale-Montague game Flyers' defenseman Ralph Josey was hit flush on the face with a puck. He fell to the ice and play continued on amid the howls of uninformed fans. But referee Don Whelan couldn't have blown the whistle if he wanted to. Montague was still in possession of the puck and the play could not be stopped until Parkdale regained possession.

This lack of knowledge points out the obvious value of the hockey school held annually in Charlottetown by the Physical Fitness Division. It would be well, if we should be so fortunate as to have another next year, for as many players and fans as possible to attend. The knowledge gained there would save a lot of unnecessary harassing of weary referees and enable a lot of fans to view a game with more intelligence. The hockey leagues on the mainland are apparently well aware of the large quantity of fine hockey players that are presently playing in the Island league. Both the Summerside Aces and the Montague Primroses have been dealt damaging blows by the loss of valuable men and we know that others have been approached but have turned down offers to play amateur hockey for pay.

Of course supplying hockey talent fro fans for other centres in the Maritimes and elsewhere to enjoy is nothing new for the Island. We have been doing that for years and very likely will be doing it for many more years to come. Back in the years when we kept our hockey players at home to perform for appreciative local audiences we were icing teams that were in fact serious contenders for such presently out of reach items as the Memorial Cup. As far as Charlottetown is concerned we are afraid that "those days are gone forever."

Both Montague's and Summerside's losses were serious ones when Paul Schurman left for Sussex he was at the time the highest point-getter in the league and when Apps Arsenault got the offer from North Sydney he was leading the league in goals with 7. Phil McGee too was playing great hockey for Montague and he and Apps together had supplied one half on the Primroses 24goal total. The "Fibber" didn't leave to play hockey although it is possible he might catch a berth with Bridgewater. Phil left because he was offered a job with Heber Sweeney of Bridgewater.

CHIT-CHAT ..... Murph Chamberlain's Chatham Maroons are at the moment occupying last place in the OHA Senior A circuit. They are 6 points behind the second last teams and 16 out of first..... Canadiens are at Toronto tonight for the only N.H.L. game on tap.... Tomorrow night the Leafs return the visit when they play at Montreal.....Also tomorrow night Boston is at Detroit and Chicago at New York.....In the ACSHL tonight it is Fredericton at Moncton and Amherst at St. John.....The Montague Primroses will meet the B.Y.C. for the first time in league play tomorrow night at the Sports Arena.

To Compete In Sao Paulo Race

LONDON (AP) — Ken Norris, British six miles champion, left Lodon airport Tuesday for Brazil where he will compete in the San Sylvester "round the Houses" race in Sao Paulo on New Year's Eve.

Norris, who will be Britain's only Competitor, said: "I think my best chance is for a place. In this race, with nearly 500 runners, you can win or lose in the first minute. You must quickly break clear from the mass to stand any chance at all."

The race is over 7,300 meters (about 4¾ miles) and the record was set by Czechoslovakia's Emil Zatopek two years ago. He won in 2:30.4.

Norris will compete in a 5,000 meters track race in Sao Paulo Jan. 3 and is due back in England Jan. 5.

Stan Leonard Appointed Pro

MONTREAL (CP) — Appointment of Stan Leonard of Vancouver as senior playing professional at the nearby Lachute Golf and Country Club was announced Tuesday by Gilbert E. Ayres, club president.

Leonard succeeds Jack Archer, who has resigned and will engage in other business.

Leonard will continue on the pro circuit of the U. S. Professional Golfers' Association, which he joined early this year after giving up his position as pro at the Marine Drive Club in Vancouver. He is expected to play in the British Open and the French Open in 1956.

Leonard is the second outstanding Canadian professional to join clubs in the Montreal area. Shortly before Christmas the appointment of Pat Fletcher to the Royal Montreal Club was announced. Fletcher, winner of the 1954 Canadian Open, has been pro at the Saskatoon Golf and Country Club.

Leonard has never gianed the Canadian Open title but several times has been low-scoring Canadian pro and has also held the Canadian Professional Golfers Association championship several times.

Aces Thump Trotters 44-37 In Hoop Tilt

In an exhibition hoop tilt at St. Dunstan's Auditorium, last night the Aces dumped the Trotters 44-37.

Earl MacKinnon and Lorne McGuigan paced the winners' attack with 22 and 18 points respectively. Mark Ladner's 10 points were high for the Trotters and he was closely followed by Red MacFadyen with nine.

Lineups:—

Trotters: Ladner 10, MacFadyen 9, Howatt 2, I. MacKinnon 1, Gillis 7, Ready 8.

Aces: MacLaren 0, L. McGuigan 18, E. MacKinnon 22, Atkinson 0, MacDougall 0, Driscoll 0, MacLean 2, Revel 2.

Lots Of Hockey Activity Scheduled For Montague

Now that the skating rink at Montague is ready for the season, hockey talk is in the air, and various localities are organizing teams to be entered in leagues for winter hockey.

During the past few days there has been considerable discussion on the formation of juvenile teams, boys 16 to 18 years of age, for Kings County. Mr. Wilfred Watterworth, rink manager, is keenly interested in forming such teams, and in particular one to take in boys from Montague, Cardigan, Georgetown, Murray River, Murray Harbour and the surrounding areas.

Mr. Watterworth feels that one or two teams could be organized from this vicinity. He has called a first ice practice for tonight at 8 o'clock, and has extended invitations to the above communities to have any boys present who are interested in joining such a team.

Later on these juvenile teams will enter into competition with other teams from Kings County and also from Charlottetown. Mr. Watterworth hopes that there will be a large turnout tonight for the initial practice and that boys from all southern kings communities will be on hand to enter one of these teams.

Tail-End Hawks Humble Fredericton Caps 6-4

FREDERICTON (CP)—Ray Lacroix and Dave Wall were the scoring stars Tuesday night as the trailing Moncton Hawks whipped Fredericton Capitals 6-4 in an Atlantic Coast Senior Hockey League contest.

Each shot two goals. Lacroix also assisted Wall, Lorne Hennessey and Bill Sinnett. Wall was in on scoring by Lacroix and Hennessey while the latter gained one assist and Orin Carver had two.

Fredericton tallies were scored by Frank Dorrington, Bill McDonagh, Doug McPhee and Buck Whitlock. Both McPhee and Ralph Miles notched two assists each after McDonagh helped Dorrington.

Hawks, edging a step closer to Caps, are five points in the cellar. They shot three goals before a reply in the first period. The second ended 5-3 and each team counted once in the third.

Lineups:—

Moncton: Goal, Pidsodny; defence, Weaver, Whyte; forwards, Leduc, Sinnett, Houle, Carver, Lacroix, Wall, Hirschfeld, Hennessey.

Fredericton: Goal, Craig; defence, Blackburn, Lepine, Campbell; forwards, McDonagh, Leger, Dorrington, Whitlock, Miles, McPhee, Macdonald.

White's 3 Goals Leads Ramblers To 6-3 Victory

AMHERST, (CP)—A three-goal performance by Shermie White led Amherst Ramblers back within one point of league-leading Saint John Beavers as the Port City club went down 6-3 Tuesday night in an Atlantic Coast Senior Hockey League play.

Ramblers outplaying the visitors from the opening whistle, out-scored them 2-1 in all three periods. White's three goals gave him the scoring honors.

The game was a free-wheeling affair with neither club showing any effects of the Christmas layoff. A total of 12 penalties were called, including misconducts to Brklacich and Kuzma, who used disrespectful language to referee Cy Taylor.

Lineups:

Saint John: Goal, Shirley; defence, Brklacich, Barrett, Hinchberger; forwards, Kuzma, Puddicombe, Hamilton, Jones, Rubic, Smith, Boileau.

Amherst: Goal, Leclerc; defence, L. Kiley, Powers, Botly, Reid; forwards, S. White Therrien, Schmidt, Kennedy, Bernaquez, Leyte, Gray, Brillnt, D. Kiley.

Summry:—

First period: 1. Saint John, Kuzma (Puddicombe, Boileau) 1:57; 2. Amherst, Botly (Brillant) 8:10; 3. Amherst, Leyte, (D. Kiley) 10.29.

Penalties: Boileau 13.25, Puddicombe 12.35, Hinchberger 14.38.

Second period: 4. Amherst, Brillant (Schmidt, White) 8.19; 5. Amherst, White (Schmidt (Brillant) 9.27; 6. Saint John, Jones, (Boileau, Smith) 14.03.

Penalties: Brklacich, misconduct 8.19; Hinchberger 8.19, L. Kiley 18.12.

Third period: 7. Amherst, White (Schmidt) :52; 8. Amherst White (Schmidt) 11.40; 9. Saint John, Brklacich 13.30.

Penalties: L. Kiley 5.19, Kuzma misconduct 8.22, Barrett 10.00, Puddicombe, L. Kiley 16.05, Barrett 17.24.

I.L. To Hold A Special Meeting

MONTREAL (CP) — The International Baseball League will hold a special meeting in Miami Jan. 3, league president Frank Shaughnessy announced Tuesday.

Sidney Salomon, Jr., of Miami, who last week bought the Syracuse franchise from Martin Haske, has announced plans for operating in the Florida city.

Loop directors will be asked to make the transfer official. A revised style of schedule, with clubs making three visits to each city, will also be considered. Earlier, clubs had made only two trips to Havana.

WILL HAVE TO TAKE UP SLACK

Mac MacDonald (left) and Bobby McKarris, two members of the Montague Primroses blueline corps, will have to take up some slack tomorrow night when the Montague squad meets the B. Y. C. for the first time in league play. The Primroses have been weakened by the loss of two of their star forwards Apps Arsenault and Phil McGee and will likely be hard pressed to keep the hard fighting B. Y. C. at bay. (Photo by W. Owens Decries Tendency To Build Up "Dual Meet"

CHICAGO (AP)—Jese Owens, the athlete who ran off with the 1936 Olympics Tuesday decried a tendency to build up a "dual meet" between the United States and Russia in the 1956 Olympics.

Recently returned from a government-assigned good will tour of India, Malaya and the Philippines, the 42-year-old Owens said in an interview that "unfortunately the press is trying to make the Olympics a two-country show."

"We're overlooking the fact a lot of countries have one or two individual stars — like England's great middle distance men, and fine runners in Finland and Germany," said Owens.

The former Ohio State track sensation conceded, however, that the United States would dominate running events from 100 to 800 metres, the broad jump, high jump, pole vault and shot put.

"After that, it'll be dog-eat-dog" he said.

SCORNS RUSSIAN WAY

Owens expressed scorn for the "concentration camp" type of athletic training attributed to Russia. "We've got the best setup in the world for picking our Olympic representatives— through competition when the best athlete on a given day wins his berth," he said.

"You can go just so far with training and big muscles and when the chips are down, it's spirit and heart that does the job."

Owens said he tried to combat a "defeatist" attitude in India, Malaya and the Philippines concerning the Olympics. "They just don't see any reason to compete with favored countries" said Owens.

"I told them there is no world parley table as effective as the ceremony of the Olympics, when the flags and anthems of even the smallest entry are seen, heard and respected by all nations."

Bantam Champ Ready To Fight

PARIS (AP)—World bantamweight champion Robert Cohen of France Tuesday said he is ready to fight Italian and European titleholder Mario d'Agata "in italy, in Paris or anywhere."

"I'm not afraid of long-distance trips," Cohen joked. "I'm ready to fight anywhere to make money. That's my job."

His reference to a long-distance trip was to his last defence in Johannesburg, South Africa, when he drew with Willie Toweel, and his manager's current dickering for a bout in Mexico against Raul (Raton) Bacias. Cohen won the title in 1954 in Bankok.

Holiday Golf Tourney Slated For Victoria

VICTORIA (CP)—Canada's only Christmas holiday golf tournament will be held here Tuesday with 118 all-weather swingers — men and women — signed up to play.

The 84 men will compete for a handsome copper and silver Christmas tree trophy festooned with golf balls.

Sponsored by The Daily Colonist, the tournament was played on Boxing Day last year and drew the envy of snow-bound golfers across the country.

Shermie White Sure Bet To Set Scoring Record

MONCTON (CP) — Shermie White of Amherst Ramblers is almost a sure bet to set an Atlantic Coast Senior Hockey League scoring record if the smooth-working centre keeps up his hot firing during the second portion of the schedule.

White added eight points to his total last week, to boost his seasons output to 69—a 17-point bulge over teammate Jackie Schmidt, who has 52 scoring points. Figures do not include games Tuesday night.

Barring injuries White should surpass Roy (Buck) Whitlock's total of 94 last season. White's total is made up of 24 goals and 45 assists.

HOT THREESOME

The high-scoring Amherst trio of White, Jackie Schmidt and Pierre Brillant continue to run one-two-three in the ACSHL scoring derby. Brillant in third spot, one point back of runner-up Schmidt, is top goal man in the league with 32. Schmidt has 52 points and Brillant 51.

Whitlock with Fredericton Capitals, jumped from sixth spot to fourth. He has 21 goals and 28 assists for 49 points.

Saint John's Jim Shirley tops the netminders in both goals-against and shutouts. He has a 2.57 mark and has chalked up six shutouts to date.

George Whyte of Moncton retained bad man honors. He has spent 111 minutes in the penalty box. The most penalized club in the league is Saint John Beavers. They have played short-handed for 500 minutes.

Harvey May Be Out For Habs-Leafs Game Tonight

MONTREAL (CP) — Montreal Canadiens announced Tuesday that defenceman Doug Harvey may not be able to play against Toronto Maple Leafs in tonight's National Hockey League game in Toronto because of an injured hand.

Harvey was to undergo further treatment Tuesday night and this morning. It will then be decided if he is able to play; if so, he will go to Toronto by plane.

Harvey injured the hand in a game in New York Christmas night. It was at first feared bones had been broken but x-ray examinations showed only a severe bruise.

Goalie Jacques Plante, who has been out of action since the middle of the month because of a broken nose, has been working out but will not make the Toronto trip. Earlier reports had indicated he would likely get into the Toronto game.

The club physician reported Tuesday, however, that there is still some swelling about the injury. It is believed Plante will be ready by Saturday at the latest.

Youth-Experience Tangle In Arel-Pep Bout Tonight

MIAMI BEACH, Fla. (AP)—Andy Arel, an ambitious young southpaw from Nassena, N. Y., will try to vault into the big money bracket tonight when he meets Willie Pep, the old master of the featherweight division, in a lightweight 10-rounder at the Auditorium.

"I never thought I would be fighting on television this soon—or against Pep," declared the 22-year-old Arel, whose biggest purse to date was $400. He'll bank at least $5,000 for his bout with Pep.

The fight, starting at 11 p.m. AST, will be televised nationally by the ABC network.

After going undefeated through 51 amateur fights, Arel turned pro in 1953 and has won 20 of his 25 pro starts. One of the year's most active fighters, he will be answering the bell for the 17th time in 1955 when he goes against Pep. He has a string of nine straight wins.

Pep, the former featherweight champion, has fought 204 fights, a record unmatched in modern boxing history. Still a winning fighter, he has lost only six times in his career. He fought one draw.

New Tiger-Cats Gen. Manager

HAMILTON, Ont. (CP) — J. D. (Jake) Gaudaur announced Tuesday his resignation as a Toronto automotive company executive to take over as general manager of Hamilton Tiger-Cats in the Big Four Football League.

Gaudaur said he will continue as president of the club, a job he has held for the last two years.

As general manager of the team, Gaudaur assumes part of the responsibility formerly held by coach and general manager Carl Voyles. Voyles resigned to take a job in Florida with Toronto financier Eric Craddock.

A former all-star lineman with Tiger-Cats, Gaudaur quit active football four years ago to become a football executive.

Expect Speed-Skating Marks To Be Bettered

MISURINE, Italy (AP)—World speed skating records are expected to fall like tenpins on this amazingly fast track when the favored Scandinavians and Russians clash in the 1956 winter Olympics next month.

Experts rate the Misurina lake track as fastest in the world. The Russians found it speedier even than their mysterious Alma Ata, a Soviet shangri-la of speed skating where the Russian hung up a flock of world records last January.

Goeran Nillson, the Swedish expert who has painstakingly prepared the Misurina course, says it's faster now than it was a year ago.

Gianni Cantoni, coach of the Italian Olympic skating team, says that because the Russians set a host of records at their Alma Ata hideout doesn't mean they are the fastest skaters in the world right now.

He explained that the Russian world records were established under presumably perfect conditions —weather, physical and mental condition of the skaters and the ice.

A month later the Russians lost three out of four events) to the Scandinavians in the world championships held in Moscow, he pointed out.

"Thus," Cantoni said, "the Scandinavians must be considered the favorites. Sweden's Sigvard Eriksson, winner of the 10,000-metre race in Moscow and second in the 1,500 and 5,000 metres in the same competition, is the real world champion."

Johnny Podres Is Subject To Military Draft

BROOKLYN, (AP) — Johnny Podres, pitching star of Brooklyn Dodgers' World Series victory, has been reclassified 1-A and is subject to military draft, the Dodgers announced Tuesday.

There was no indication when, if at all, the young pitcher from Witherbee, N. Y., might be called into service.

The 23-year-old lefty was listed as unfit physically for military duty in 1952 because of a back ailment.

Winsloe Downs Bulldogs 16-8

Last night in the North River Rink Winsloe swamped the Nine Mile Creek Bulldogs 16-8.

The game was close up until the third frame but in the final 20 minutes the Bulldogs, playing with only eight men, fell behind.
