Three Youths Get Two Weeks Jail

SUMMERSIDE Three Cape Breton N.S. youths, RCMP-in Edward Covey, Leonard Vincent Collins and David Roy Boulter, this morning were each given a two-week term in Prince County Jail when they appeared before Magistrate W. Chester S. MacDonnell in Cape County magistrate's court. The youths that were sent to jail to 'get off the island' were charged with stealing a car owned by Moore Mullin, Summerside. RCMP evidence also revealed the trio had taken a set of car keys from a car owned by James MacLean, Summerside and they had also interfered with another car near a garage. Magistrate MacDonnell told the youths that when they get out of jail to 'get off the island'.

He said if they appeared before him again they would 'get a long stretch'.

Patrick Joseph Casey, Pleasant View was fined \$50 and costs on a charge of entering a dwelling house owned by Edward Arsenault in Pleasant View. Accused said he was only detouring to see a friend. He said Casey entered the home via a window and awakened Mr. Arsenault who was asleep.

Wendell Edward Dawson, Summerside, was fined \$10 and costs for operating a motor vehicle with faulty equipment.

Clothesline Is Looted

ALBERTON—A number of articles of clothing were stolen Monday night from a clothesline in the home of Mr. and Mrs. Harold Chloay, Alberton. The clothes, of considerable value, were lost in favour of a family and were all right when the family returned at 11 o'clock. Alberton policemen are investigating.

Sewerage System Completed

TIGNISH—The installation of a sewage disposal system andagoon that got underway at Tignish on Aug. 15, 1961, by Roy P. Smith Construction Company was completed Saturday and the company is making preparations to leave the village within the next few days.

A sanitary survey conducted in the Village of Tignish in the summer of 1960 indicated that conditions were not good, and on Feb. 1, 1961, a largely attended meeting of ratepayers was held to discuss the installation of a sewage system at an approximate cost of \$100,000. A percentage of this is to be paid by the government.

A large number of residents are busy installing proper water and sewage systems in their homes.

Precautions Said Advisable Here

By NEIL A. MATHESON
Provincial and Farm Editor

"This province is in a bad spot for fallout if trouble should develop, as there is a Strategic Air Command base several hundred miles west of here which would likely be a target for early attack," O.R. Simons, co-ordinator for civil defence in the province, said here yesterday as he urged people to take a available precautions against fallout perils.

Both Mr. Simons and Brigadier A.W. Rogers, Emergency Measures Organization officer here, said there have been no alerts, and there is no immediate change in the situation following President Kennedy's Cuba quarantine announcement Monday night.

But it was emphasized that people should inform themselves on survival measures which can be taken. It's simply a matter of reading the material available, and using common sense in the application of the steps suggested, Mr. Simons said.

WESTERN BRIEFS

IN HOSPITAL—A patient in the Western Hospital.

WERE VISITORS—Cast. Gordon Grady with his wife and children were Sunday visitors to Tignish, where they spent the day with friends.

IN TIGNISH—Mr. and Mrs. William Costain, Biggar, Sask. and their niece, Mrs. Edna Adams, Saint John, N.B. are visiting Mr. Costain's brother, Irving Costain while guests at the home of his daughter, Mrs. Gumar Pedersen, Tignish.

CLASSES RESUMED—Tignish Regional High School resumed classes Monday, after a shut down of one week for potato picking. Many of the students welcomed the opening as they gave up picking after a few days. Many of them not being brought up farmers, they found picking potatoes was no holiday after all.

BNS Names Manager For O'Leary

The Bank of Nova Scotia announces the appointment of Charles B. McKeckin, until recently assistant manager at Charlottetown branch, to be manager at O'Leary, succeeding John W. Coughlin, who moves to Chatham, N.B.

Mr. McKeckin has worked on the Island for several years and before coming to Charlottetown he was accountant at Summerside. He joined the bank in his native town of Pettoicville in 1948 and gained experience in several branches in New Brunswick and Nova Scotia, and also in a large downtown branch in Toronto.

In 1954 he was appointed accountant at Taramagoque, N.S., and held the same post at Newcastle, from where he went to Summerside.

He is married to the former Esther Briggs of Chipman, N.B. and has two children, Anna, 8, and Michael, 4.

Two Charged With Break

SUMMERSIDE—Two men were arrested by the Summerside detachment RCMP in connection with the break at Ralph Burn's general store, Freetown, sometime Saturday night when over \$200 worth of merchandise was stolen.

Willard Plus Finnian, Freetown and Clarence Joseph Landry, Moncton appeared in court yesterday before Magistrate W. Chester S. MacDonnell and were remanded until Oct. 30.

No Demand Yet For Fallout Shelters Here Is Reported

Islanders have not yet made demand for fallout shelters, in the wake of President Kennedy's Cuban quarantine action, but a spokesman for a local building firm said yesterday it is likely they will soon be coming in.

James Coady, of M.F. Schurman, said there was been public interest, locally, last winter and spring because of a tense situation in Berlin and it is likely the current Cuban crisis will spark further interest.

WILL BE REVIVED—"We expect that interest will be revived because of this Cuban issue, but so far we have had no calls."

Mr. Coady said when tensions eased last spring, however, the interest faded with only a few shelters actually built. Most of these were for the government, he noted.

The average basement shelter, constructed of concrete blocks, costs between \$500 and \$600, depending on the size, he said. This includes inside work such as shelling and other woodwork. Shelters will generally fit into basements without difficulty, although in some older houses it may be necessary to deepen the cellar a bit.

LONG ADVOCATED—Civil defence authorities have long advocated the construction of such private shelters here. This is based on the belief that the main menace to the population of this province in war-time would be fallout from nuclear explosions in major cities of the Canadian and U.S. east coast.

MEETS JAPANESE LEADER—TOKYO (AP)—Robert Macaulay, Ontario minister of economics and development, conferred Friday with Japanese Premier Hayato Ikeda on problems of economic co-operation between Japan and the Canadian province. The 20-minute meeting took place at the prime minister's official residence during a courtesy call by Macaulay.

Rotary-Sponsored Concert To Feature American Tenor

American tenor Emanuel Mansfield will present a program of classical songs and Negro spirituals Nov. 5 at Queen Charlotte High School.

Considered as one of the great interpreters of Negro spirituals, Mr. Mansfield has given numerous concerts in the United States and Canada. In addition to his unique portrayal of English and American folk songs, he is an exponent of the art songs in five languages.

He is a native of Wake, Virginia, and began his musical career under Leslie Sprulick in Philadelphia. He won a scholarship to Princess Anne Academy as director and coach of the school male quartet. After two years study at Clifton College, he was named first tenor for his newly formed quartet, the Mansfield Singers.

He won a scholarship to Washington, D.C., after a 21 concert series in Western Canada.

The concert here is being sponsored by the Charlottetown Rotary Club.

EMANUEL MANSFIELD
has four children. He has recently returned to his home in Washington, D.C., after a 21 concert series in Western Canada.

The concert here is being sponsored by the Charlottetown Rotary Club.
