The match was shot at the two, three and five hundred yards ranges, five rounds rapid at the two hundred, and five rounds deliberate at each of the other two. Tea Topics

"A little knowledge is a dangerous thing"—but the redeeming feature is that generally a little knowledge leads to study, and the little soon becomes a great deal. And so it is with our Matchless Blend of Ceylon Tea. A little knowledge of its goodness leads to a trial, and then you've learned that real good tea can be had at a moderate price. We know that your verdict will be the same as that of the housewives who have used it steadily for thirty years.

Cape Breton Golfers Coming to Halifax

SIDNEY, June 26.—Twelve members of Lingan Country Club will proceed to Halifax about July 12 for a friendly contest with Golfers of the Garrison City. If arrangements cannot be made for that date the match will take place on July 15. It is hoped to make these inter-city contests a permanent feature. Officers of H. M. S. Raleigh will play a friendly game with Lingan club on Wednesday.

BASEBALL

A very close and interesting game was played recently at Grove Hill Farm, Elliotvale, between the St. Teresas and second Downeast Beavers of Charlottetown, the former winning by a score 14-19, with the following line-up:—

2nd. Beavers	St. Teresas
E. Ryan	C. McLaughlin
F. Power	H. Bradley
J. Burns	J. Trainor
J. Dillon	J. Walsh
M. McDonald	M. J. Kelly
L. Morrison	S. STOP
D. Ryan	R. FIELD
R. Martin	L. FIELD
D. Gillis	C. FIELD
	P. O'Hearn

The game was greatly enjoyed by a large crowd of local fans, the country boys made some bad throws and poor catches, but made up for it by swatting the ball in Babe Ruth style. An excellent feature of the game was the fielding and ball handling of the city team. The city pitcher and catcher can't be beaten for their size on the island. It was a great game.

May we have another like it soon again.

Nothing too high or low for Burns at first.

Fred (like) Power pitched a star game for the city boys.

Kelly was right on the job. Referee: Joseph Carrical.

The City boys were very kindly treated to supper by Mrs. M. J. Kelly and J. Walsh.

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. Senegalese Heavyweight Makes Poor Showing

(Special to The Guardian.) PARIS, June 25.—Batting Syki the Senegalese heavyweight, last night won the heavyweight championship of France defeating Marcel Nilles on points in a 15-round bout. The contest was slow and uninteresting.

Syki's showing was so poor that Descamps, manager of Carpentier said after the fight that unless there should be a very strong public demand for a meeting with Syki, Carpentier would have an open date in September.
