Licenses Made Obligatory For Lotion Vendors

An amendment to a regulation under the Prince Edward Island Temperance Act in respect to the sale of extracts, essences, lotions and tinctures with alcoholic content, was approved at this week's meeting of the Executive Council.

Restrictions on the Alcoholic Strength of Such Proprietary or Patent Medicines, Extracts, Essences or Tinctures, which existed under a previous regulation, have been lifted by the new amendment.

But the new ruling prohibits the possession by a licensee of bottles containing such products having a capacity of more than six ounces. And no licensee shall sell more than one such bottle or container to any one person in any calendar week.
