### Research Study Will Pay for Interviews

We would like to interview non-francophone university students who have studied core/basic French in Canadian schools. We are interested **ONLY** in your core/basic French experiences, not French immersion nor French in a first language setting. You do not need to be taking a French course now. We will pay \$25 each for a limited number of 15-20 minute telephone interviews with individuals who meet the criteria. Please email [corefrench@sympatico.ca](mailto:corefrench@sympatico.ca).

### Hamburglar Urges President To 'Robble Robble Robble'

WASHINGTON, DC—

Denouncing the war in Iraq which he called "Robble robble robble," hamburger advocate and convicted felon Hamburglar addressed the Bush administration Tuesday, demanding more humane conditions for the action used. "Robble robble robble robble robble robble robble robble robble robble," an emotional Hamburglar told the committee.

"Robble robble robble robble robble. Robble robble robble robble robble robble robble: Robble robble." Reaction to the speech was mixed. "Certainly there is room for improvement in some of our practices," said a Bush Administration spokesperson. "But I would hardly call the current situation 'robble.'"
