The body of Albert Crossman, son of Art. Crossman, who was drowned last Thursday, from a lobster boat, was found Tuesday, about fifty yards from the boat in seven feet of water.

The new trotting park, which was opened, at Kensington, this spring, is in first class condition, and quite a number of flyers are in training for the coming race, which will take place there about the latter part of July.

We had the opportunity yesterday afternoon of viewing a large circular window, which is fifty feet in circumference, and is intended for Palmer Road Chapel. This window is of beautiful design, and its workmanship reflects great credit on the manufacturers, Messrs. Schurman, Clark & Co., contractors, of this town.

Window breaking and property destroying have again seized hold of S. Side rowdies. A house centrally located in the town had windows broken last Saturday and Tuesday nights by large stones hurled by some dastardly miscreant. It is time that persons who make a practice of destroying people's property should be looked after, and dealt with by the stern hand of the law.

The Fraternity of Free and Accepted Masons of P. E. Island, will hold their annual Convention on Friday, the 24th instant, under the auspices of the King Hiram and Mount Lebanon Lodges. ALBERTON NEWS.

Branch Office, Main Street.

The Ice Cream Social held last Friday evening, under the auspices of the Epworth League, was a decided success. The receipts amounted to twenty dollars.

The Kickapoo Indian Medicine troupe that has been playing here for the past two weeks left Tuesday morning for Misouche. Their entertainments were the lowest and meanest ever given here, and the Pioneer was badly informed when it puffing them in the way it did.

What Stronger Proof is needed of the merit of Hood's Sarsaparilla than the hundreds of letters continually coming in telling of marvelous cures it has effected after all other remedies had failed? Truly, Hood's Sarsaparilla possesses peculiar curative power unknown to other medicines.

Hood's Pills cure Constipation by restoring the peristaltic action of the alimentary canal. They are the best family cathartic.

Tastes differ. Some people can see beauty even in a looking-glass that can not—Boston Transcript.

The merit of Hood's Sarsaparilla is not accidental but is the result of careful study and experiment by educated pharmacists.

Lanalanders often skate a distance of 150 miles a day.

Let's reason together. Here's a firm, one of the largest in the country over, the world over; it has grown, step by step, through the years to greatness—and it sells patent medicines!

Wait a little—This firm pays the newspapers good money (expensive work this advertising) to tell the people that they have faith in what they sell, so much faith that if they can't benefit or cure they don't want your money. Their guarantee is not indefinite and relative, but definite and absolute—if the medicine doesn't help, you may as well as call it "That's enough!"

Suppose every sick man and every feeble woman tried these medicines and found them worthless, who would be the loser you or they? The medicines are Dr. Pierce's "Golden Medical Discovery" for blood diseases, and his "Favorite Prescription" for woman's peculiar ills. If they help toward health, they cost \$1 on a bottle each! If they don't, they cost nothing!

The Duke of Portland has given \$500,000 on the turf, to charities through the influence of his wife.

Men, prematurely aged or broken down by over work, or suffering from excesses or indiscretions will find Dr. Williams' Pink Pills a positive cure. They supply the material necessary to Dr. Pierce's "Golden Medical Discovery" for blood diseases, and his "Favorite Prescription" for woman's peculiar ills. If they help toward health, they cost \$1 on a bottle each! If they don't, they cost nothing!

MAHON BAY, N. S.—Dear Sir:—We find the "Opeleka" Cough Mixture the best-selling cough mixture in our part.

There are some valuable pet animals in Boston. A gentleman mentioned that he saw a kitty at his club the other evening that is worth \$50. Boston Commercial Bulletin.

Is it worth \$50? Some say Johnson's Anodyne Liniment will cure it. Try it and report to us.

"There are some rich men among the lawyers." "Well, they won't remain very long rich if they've got among the lawyers." Dorothea Beacon.

Among the remedies that do more than recommend, Johnson's Anodyne Liniment stands first.

"Do a time fly as fast as it did before you were married and were merely engaged?" "Does it?" "One goodly bill doth tread upon another's heels, so fast they follow." A dianapolis Journal.

A HAPPY HINT.—We don't believe in keeping a good thing when we hear of it, and for this reason we take special pleasure in telling you of the use of Burdock Blood Bitters, the best known stomach, liver and bowel regulator and cure for sick headache from whatever cause arising.

Night-blowing plants, which had been kept in cellars lighted by lamps, exchanged night for day in their time of opening.

Hidden Fees. Among the many foes to human health and happiness dyspepsia and constipation are twin enemies greatly to be feared.

Experiments prove that there is a diurnal peal belonging to vegetables.

A Crying Evil. Every crying evil should be promptly removed. Sick headache is a crying evil affecting thousands of Canadians, which can easily be removed by the use of Burdock Blood Bitters, the best known stomach, liver and bowel regulator and cure for sick headache from whatever cause arising.

Good health without pure blood is simply impossible, and to secure pure blood is therefore absolutely necessary, especially in spring, when bad blood is very prevalent.

Even the definition of the phrase "good weather," depends entirely on the point of view," remarked the man who keeps umbrellas to hire.—Washington Star.

A Wonderful Change. Gentlemen, For twenty years I suffered from rheumatism, dyspepsia, poor appetite, etc., and received no benefit from the many medicines I tried, but after taking five bottles of B. B. B., I can eat heartily of any food, and am strong and smart. It is a grand medicine and has made a wonderful change in my health.

At Last.—"I have at last come to the conclusion," said Mr. Stalatz. "So glad," murmured his fair victim, glancing at the clock.—N. Y. Herald.

Greatly Benefited. Dear Sirs,—I have been using B. B. B. for cancer of the breast during the last two years and four months, both internally and externally, and have been greatly benefited. Have had cancer over seven years, and no medicine ever did me so much good as B. B. B., and will be pleased to answer any questions as to the use and benefit received from this remedy.

Mrs. E. ELLIOT, Waterton, Ont. "If there is anything I dislike," said Bliggin, as the editor returned his witty efforts, "it's a man who won't take a joke." Washington Star.

Harassing headaches make many lives miserable, especially so, where a prompt cure like Burdock Blood Bitters is obtainable.

Miss Vanity.—That Mr. Fips is always waiting after me; he torments me a most to death with his attentions. Miss Vixen: I know. Poor fellow! He never did have much sense.—Judge.
