Froshweek 1990

This year's orientation week was a big success. The '90 class of frosh are an outstanding group of people, packed with enthusiasm and high spirits. Everyone had fun throughout the crazy skits, activities, dancing to the tunes of High-N_R_G and our Main Event Much Music dance party. Thanks to you frosh for making this week successful. We sincerely hope "ya'll" had a blast. (Have you tried our "Special Mocktail?")

Office hours are Mon-Fri 8:00 am - 4:00 pm. Contest closes Oct. 5, 1990 at 12:00 noon. The winners will receive a free Senior Week package and will have their design displayed on hundreds of T-Shirts, cups, pins, etc.

- - DEBATING SOCIETY - -

One of the objectives of a university education is to develop in students the ability to organize information, to draw conclusions from that organized information, and to communicate the conclusions effectively.

Debating is an excellent means of acquiring such skills and of having fun at the same time. You need not have had previous debating experience; you need not be planning a career in law or politics! You need only have an interest in improving your skills in collecting, organizing and presenting information in a convincing manner. Debating is a valuable component of any thinking person's education.

The UPEI Debating Society is meant to bring together students with the above-mentioned interests. Membership in the Society does not require that you be a public debater, but it does offer you opportunities to speak in public and to debate at the intramural and collegiate levels and to compete annually for the Saint Dunstan's Class of '54 Memorial Trophy, which commemorates one of the National Championship debating teams produced by SDU.

By joining the UPEI Debating Society, you can have one of the most enjoyable and rewarding experiences of your university days. You will have a chance to make new friends both here at UPEI and at other Canadian universities. As well, debating experience can make you better qualified for certain careers.

If this has convinced you to give the UPEI Debating Society a try, you are welcome to drop by for one of our meetings, held every Wednesday at 4:00 pm in room 237 of Main Building, or for more information feel free to contact Society President Bob Smith at 892-1646 or our faculty advisor, David Sims at 566-0812. Hope to see you soon!
