Programming and information you can't live without from CIMN

## Station News

**Happy Winter Carnival Week!**  
 Special thanks go out to Ronnie Myers for all his help at CIMN; green and white skate. (providing musical entertainment, refreshments, judgin costumes, etc...) on Wednesday.

Congrad (and thanks!) go out to Pat Caranagh Aka "Patman" who has assumed the responsibilities of advertising manager on an interm basis.

Norman Sabapathy has also joined our staff of production assistants. He'll be around the station every Friday from 10:30 am to 12 noon to provide any technical assistance (especially in the production room) to anyone who drops by. sandy MacLure will do the same every Saturday from 4:30 to 6:00 pm. We still welcome anyone else who would like to help out on their own time, especially in producing advertisements.

Don't forget that Ray Lyell and the Storm are going to be performing at the Barn, Thursday, February 2. That's it until next week, when we should have a couple of interviews for you, with the sattalites, and honeymoon suite. Bye for now.

## Program Highlights

**Sundays 10:00 - midnight**  
 "Takin' Care of Business" - Colin James and Wasted Rock Ranger mix various spotlights, rocking music including metal, rap, funk and dance, and a very laid-back and wasted format.

**Mondays 10:00 - Midnight**  
 "Rock Shop" Good ol' rock and roll with some other stuff. Brent and Gerry get back to music played by actual human beings on actual instruments, as opposed to computers.

**Wednesdays 10:00 - midnight**  
 "Late Night With Colin James" - Colin James has got two hours packed with reviews, spotlights, interviews with special guests, guest co-hosts and of course lots of great music including dance, contemporary, hard rock, rap and even country.

**Fridays 6:00 - 8:00pm**  
 "Raphouse" - Mostly rap, but a touch of soft metal and a pinch of regular rock and roll is George Anderson and Fred Catotte's recipe for a perfect mix every week.

**Sundays noon - 2:00pm**  
 "Back Alley" - This show is as unusual as the law will allow Bob Stanley. Dance-oriented music.
