NEW YORK

NEW YORK (AP)—The stock market showed an irregular decline on the year's second-lightest day of trading.

Volume sank to 7,010,000 shares from 10,330,000 Thursday. It was the smallest since Jan. 3 when 5,950,000 changed hands.

The Dow Jones industrial average declined 1.28 to 927.95 after having been ahead by 4.28 at 12:30 p.m. est.

The market rose almost from the start as stocks recovered from the emotional selloff of Thursday when a substantial early rally was erased on news that leading commercial banks had raised their prime interest rate to 5½ per cent from 5.

Wall Streeters said the market had been going down for nearly four weeks because it anticipated higher interest rates and tighter money, among other things.

The Associated Press average of 60 stocks lost .1 at 346.9.

Standard and Poor's 500-stock index declined .11 to 88.85.

American Telephone was the most active stock, off ¼ at 58¼ on 172,500 shares.

Fractional losses were taken by such issues as U.S. Steel, General Motors, Eastman Kodak, U.S. Rubber, Union Carbide, American Smelting, Santa Fe and Chrysler. Du Pont lost 1.

Among Canadian issues, International Nickel gained 1¼. Walker - Gooderham and Canadian Pacific gained ¼. Dome Mines lost ¼.

Prices were irregularly higher on the American Stock Exchange. Canadian Javelin gained, but Canadian Marconi, Scurry Rainbow Oil and Jupiter Corp. lost fractions.
