The Manitoulin Islands in Lake Huron were named after an Algonquin Indian word meaning "abode of the great spirit."

HARASSED TAXPAYERS
WINNIPEG. — (CP) — The village of Brooklands reduced its tax rate by 13.9 mills this year, but in some cases irate taxpayers found they had to pay as much as 75 per cent more. The confusion arose from a complete reassessment of the village in 1951.

IN MEMORIAM

WILLIAM T. LING

The community of Wheatley River was deeply saddened and made the poorer by the passing of one of its well known and best loved citizens — Mr. William T. Ling — on March 22nd, 1952. Mr. Ling, who was in uncertain health for some time, attended to his business as usual to the last, and his sudden passing brings a loss both to the village and to the wider business community. He was a man of ability and integrity who loved his fellows and was loved in return for his quiet manner, his cheerfulness, and his pleasant personality.

Mr. Ling was born in Wheatley River in 1902, the son of the late Theo D. Ling and Harriet Seaman. He attended the village school and on completing his public school education, helped his father in business. Some years later he attended the Union Commercial College where he won honours in all his subjects receiving his diploma in 1925.

He married Cora Mae MacLean of Meadowbank and a few years later took over the store at Wheatley River for himself making it into a sound and prosperous business. He improved the living quarters, making a very comfortable home, and served the community in addition to the store by managing the Post Office as well. Because of failing health, Mr. Ling retired to Charlottetown in 1950, but few of his friends were aware of his ailments for he always made very little of them. During the year of retirement his health improved somewhat, and the affection for his old home and community drew him back into active life again in which he continued all his dearth.

He leaves to cherish his memory, besides his widow, the former Cora MacLean of Meadowbank, one sister, Edith, Mrs. Dr. F. T. Bowness of Kensington, and six brothers: Earl at York, Raymond, at Wheatley River, Borden in Montreal, Elmer in Halifax, Theo of Kensington and Victor of Charlottetown.

The funeral at the home was conducted by Rev. Donald Christie assisted by Rev. Donald Nicholson. A short service was also held in the Cornwall United Church. The pallbearers were: Messrs. Walter Ling, Harry Ling, Leonard Ling, James Wares, Eric Ferguson, and William Daye. Interment was in Cornwall Cemetery.

"Not now but in the coming years, it may be in the better land, we'll learn the meaning of our tears and then some time we'll understand."

IN MEMORIAM

EDWARD MAHAR

"The people of Sturgeon and surrounding districts were shocked and saddened to hear of the death of Edward Mahar after a short illness, on April 5, 1952. Son of the late Edward Mahar, he was well liked by everyone, as was shown by the large number who came to show their respects despite the almost impassable condition of the roads.

He lived on the old homestead practically all his life, except for a few visits to the United States. He was of a charitable disposition, and everyone, friend and stranger alike, were always welcome at his home. He will be greatly missed in the community but it is in the home where he will be sadly missed as he was a kind and loving brother. He was a very successful farmer and one time dealer in livestock, shipping to the mainland.

His funeral was held on Tuesday morning at 9 o'clock to St. Paul's Church, Sturgeon. High Mass of Requiem was celebrated by his pastor, Rev. F. Mullally, who also officiated at the grave, where all that was mortal of a kind and loving brother was laid to rest. There are left to mourn, two sorrowing sisters, Ambrosine and Margaret at home, to whom the deepest sympathy is extended. The pallbearers were: John McGuigan, Warren Kemp, William Farrell, James McNulty, James O'Connor, Neil Murphy.

Prayers For The Late

Mrs. E. Peter Harrington

While the remains of the late Mrs. E. Peter Harrington rested in Crullshank's Funeral Parlours in Halifax on May 8, Rev. Father J. LeBlanc, of St. Thomas Aquinas Church, called and offered the Rosary for the repose of her soul. A representative group from the children of Mary Society, the Catholic Women's League, and the Halifax Infirmary Hospital Guild each called during the afternoon. At the A. A. Hennessey Funeral Parlours the Rosary was led by Rev. A. McLellan, C. S. S. R., rector of Holy Redeemer Church and at nine o'clock in the morning, Rev. Monsignor Maurice MacDonald, a school-mate of the deceased, held private family devotion before the funeral left Charlottetown.

Card Of Thanks

The Finlayson Family wish to thank their kind friends who helped in every way in their sad bereavement in the tragic death of their brother Adam.

IN MEMORIAM

In loving memory of my son, Harry Larier, who was killed in action in World War II on May 30, 1944.

Those whom we love go out of sight,
But never out of mind;
They are cherished in the hearts
Of those they leave behind.
Loving and kind in all his ways
Upright and just to the end of his days;
Sincere and true in heart and mind,
Beautiful memories he left behind.

IN MEMORIAM

In loving memory of my dear wife and our mother, Mrs. Donald A. MacLean, DeSable, who passed away, May 30, 1952.

We remember my dear wife and our mother
Always so thoughtful, loving and kind;
She tried to do her best for all,
A truer friend you could not find.

With courage she carried her burdens,
And trusted in God's will.
Her death has left a loneliness,
This world can never fill.

God knew that she was weary,
And her work on earth well done,
We know the joys she missed
While here,
She will find in her Heavenly home.

We shall always remember
The wonderful mother we had to share,
With loving thoughts we leave her,
In our Heavenly Father's care.

Lovingly remembered by her
Husband and Family.

SQUIRREL AREA

CRAPAUD W. I.

The May meeting opened in the usual manner with 18 members present, answering roll call with "What a garden means to me" Next roll call is to be answered by name of birthplace and an interesting fact about it. The minutes were read and approved.

Nettie Leard and Ruth Simmons reported on the T. B. banquet and the school scrubbing committee agreed to clean school on the following Friday afternoon. Blanche Fall gave a report for the school committee. It was decided that Miss Simmons purchase necessary supplies for first aid kit. New school committee will be Rhoda Lowther and Florence MacDonald. The sick committee was re-appointed.

The condition of the school ground was discussed and Nettie Leard was asked to confer with the trustees about possible improvements.

Correspondence, consisting of thank-you notes and business letters, was read. Rhoda Lowther was appointed to take charge of the ordering of cans and it was moved to subscribe \$1.00 to the Lady Alexander Gift Fund. An interesting paper on gardening by Mrs. Matheson was read and the coming district convention was mentioned.

The library concert was discussed and it was agreed because of overflow audiences of previous years to hold it two nights. Institutes of surrounding districts very generously help in this event. Bertha Trowsdale and Stuart Dawson were put in charge of candy sale.

Lunch committee for next meeting is to be Margaret Dawson, Margaret MacDonald, Althea Simmons, and Jean Myers. The meeting then adjourned and lunch was served.

MILD ON PLANTS
POWERFUL AGAINST DISEASES

PARZATE

The new Organic Fungicide for Potatoes

PARZATE belongs to the versatile family of carbamate fungicides which give powerful disease control without harming the plants. Though PARZATE gives outstanding protection against early and late blights, its action is so mild that it will not damage the foliage. It may be safely used, either alone or combined with other spray or dust materials, in even the hottest weather.

Use before diseases become established

PARZATE fungicides are preventive materials, hence they are most effective if used before diseases become established. Because they give superior disease control without injury to plants, PARZATE fungicides result in vigorous, healthy crop growth and higher yields.

Two Formulations to Protect Your Crops

PARZATE fungicides come in two forms, liquid and dry—to suit your needs. Both are highly effective against early and late blight.

PARZATE—Zineb (Dry form). A wettable powder which may be used either as a spray or dust. When used as a dust, dilute with talc to concentrations of not less than 10%.

PARZATE—Nabem (Liquid Form). A handy-to-use fungicide in liquid form which disperses almost immediately in the spray tank. Must always be used with zinc sulphate.

OTHER C-I-L POTATO PESTICIDES

DECOP Dust (3% DDT-5% Copper). For blights and insects. For seed-potato crops or heavy aphid infestation, use DECOP Dust 5-7 (5% DDT-7% Copper).

DECOP Spray (15% DDT-30% Copper). Developed especially for potato insects, but also excellent for many other crops.

C-I-L 50% Wettable DDT. Highly effective against leafhoppers, beetles and many other insects.
