That Pale Face. For Nervous Prostration and Anæmia there is no medicine that will so promptly and infallibly restore vigor and strength as Scott's Emulsion.

Mother (to her child who has just had some sweets given her by the man opposite)—What do you say to the gentleman, Mabel? Mabel—Have you got any more, please?

HAWKER'S BALM OF LIME AND WILD CHERRY is the safest, surest and best known remedy for the cure of coughs, colds, bronchitis and all throat and lung troubles. The children's favorite. Sold by all druggists and dealers.

"This thing of trying to keep a diary," said Willie Washington, "is decidedly distasteful. If you don't write in it you feel ashamed of yourself, and if you do you feel more so."

D. M. JOHNSON, Esq., M. D., Port Hawkesbury, writes: "I have used Puttner's Emulsion with great satisfaction where Cod Liver Oil is called for. I recommend it as so disguising the oil that patients never refuse to take it."

First Artist—Well, old man, how's business? Second Artist—Oh, splendid! Got a commission this morning from a millionaire. Wants his children painted very badly.

First Artist (pleasantly)—Well, my boy, you're the very man for the job.

HAVE YOU A COUGH?—Then use Every Body's Cough Syrup, a pleasant and efficacious remedy. Price 25 cents a bottle. A full line of the popular Cod Liver Oil Emulsions, Cough Syrup, Balsams, &c., guaranteed good and pure, always in stock. Johnson's Drug Store, Cor. Kent and Prince Streets.

USE SKODA'S DISCOVERY, the great blood and nerve remedy. Cod LIVER OIL has long been justly celebrated as a lung healer. Alone it is difficult to take, but combined with the Hypophosphates in Puttner's Emulsion, it is agreeable to the taste, and unequalled by any other medicine for weak lungs.

Mrs. Byars—I've been through every store in town this afternoon, and I'm nearly dead. Mr. Byars—You look a trifle shopworn.

She Enjoyed Herself.

"I let my maid, Bella, go to the theatre the other night with the young man she is engaged to marry," said a lady, "and the next day I said:—'Did you enjoy yourself, Bella?' 'Oh, yes, ma'am.' 'What was the name of the play?' 'I don't know, ma'am.' 'Don't know the name of the play?' 'No, ma'am. We had a programme, but all it said on it was: 'as you like it,' and I liked it very well.'—N. Y. Recorder.

How to Get a "Sunlight" Picture.

Send 25 "Sunlight" Soap wrappers (wrapper bearing the words "Why does a woman look old sooner than a man") to Lever Bros., Ltd., 43 Scott St., Toronto, and you will receive by post a pretty picture, free from advertising, and well worth framing. This is an easy way to decorate your home. The soap is the best in the market, and it will only cost to postage to send in the wrappers, if you leave the ends open. Write your address carefully.

Jagby—Wife, I (hic) was "held up" on my way home. Mrs. Jagby (sarcastically)—You wouldn't have ever got home if you hadn't been.

The Children's Enemy.

Scrofula often shows itself in early life and is characterized by swellings, abscesses, hip disease, etc. Consumption is scrofula of the lung. In this class of disease Scott's Emulsion is unquestionably the most reliable medicine.

Watts—Ben Butler was a man of brains, but he seemed to fall short of becoming a statesman. Potts—That's so. I read somewhere that he never learned to play a good game of poker.

Wash Day AND No Steam IN THE HOUSE BY USING Sunlight SOAP According to Easy Directions Put aside your own ideas next wash-day and try the easy, clean, "SUNLIGHT" way. DON'T Let another wash-day go by without trying it. Sreton & Mitchell, Halifax, Agents for Nova Scotia and P. E. Island.

Modern Science wins many victories. None more glorious than those over direful maladies. CAMPBELL'S WINE OF BEECH TREE CREOSOTE has won many, over long triumphant coughs, and other Bronchial and Throat troubles. The Moral is—Try it. K. CAMPBELL & CO., Montreal.

The Telephone Company OF P. E. ISLAND. PARTIES using the Telephones would find talking much more satisfactory if they would observe the following rules:— 1st. Speak with the mouth about four inches from the transmitter. 2nd. Speak in a moderate tone of voice, not too loud and distinctly. 3rd. Place the telephone so as to cover the ear, but as if you wished to shut out all other sounds. Do not press too hard on the ear. It is possible to talk and be heard when standing back two or three feet from the transmitter, if you speak loud enough, but it is not a pleasant mode of conversation, is entirely unnecessary, and is a useless waste of wind and lungs, besides being very annoying to all within range of your voice.
