- May 14 - 19: International Conference on Science and the Management of Protected Areas, Acadia University, Wolfville, N.S. For further information contact (902) 426-2797 or FAX (902) 426-7012.
- May 26: Bain Birdathon day.
- June 1 - 7: P.E.I. Piping Plover survey period.
- June 2 - 8: Canadian Environment Week.
- June 5: World Environment Day.

MEMBERSHIP SURVEY RETURNS SLOW

Returns from the membership survey have been very slow with only 20 questionnaires having been returned out of 225 mailed. As the Executive is attempting to identify and address the concerns of members, it is very important that they receive as many of the questionnaires back as possible. If you have not already done so, would you please take a few minutes and complete the form which was attached to newsletter # 110 (the one with the maple leaves on the cover).

ENVIRONMENTAL AWARDS ANNOUNCED

by Bruce Smith

The Province of Prince Edward Island will once again be sponsoring an environmental awards program in 1991. This program allows for the recognition of Islanders who have contributed efforts on behalf of the environment. The submissions received will in turn be forwarded to the national awards program unless those submitting the nomination wish otherwise.

In order to meet the national deadline, the provincial deadline will be February 1, 1991.

If you wish to nominate someone, you are asked to contact:

Bruce Smith, Secretary
Environmental Advisory Council
